SOCIALISM NO REMEDY FOR EVILS

So Declares Woodrow Wilson at Jefferson Dinner of N. Y. Democratic Club.

JUDSON HARMON ON TRUSTS.

Mayor McClellan Says a Spirit of Disorder and Lawlessness is Sweeping Over the World.

New York, April 16.—Former Atty. Gen. Judson Harmon of Cincinnati, United States Senator John M. Gearin of Oregon, President Wilson of Princeton university and Mayor George B. McClellan of New York were among the speakers tonight at the Jefferson dinner of the Democratic club of New York, held in the Waldorf-Astoria. Former President Grover Cleveland and Senator John T. Morgan of Alabama sent letters of regret, which were read.

PREST. WOOROW WILSON.

President Wilson, in his speech, referred to the regulation of corporations, saying:

"No doubt great corporations have come to stay; no doubt a certain degree of monopoly is inseparable from them, but they may, by scrutiny and regulation, be freed from the spirit of monopoly. The statesmanship we need is not the statesmanship of destruction, but the statesmanship of enlightenment and of unselfish devotion.

"If we were to act now in the spirit of Jefferson in dealing with the affairs of our own day what would we do? First and foremost we should turn away from Socialism as no remedy, but only a worse danger, a danger of the very sort we seek to escape, a danger of centralization and corruptible control. Our remedy, if we seek it in the spirit of Jefferson, would be to individualize men alike in their energies and in their morals, not to lump and merge them. The whole trouble now is not that they unite in corporate undertakings, but that they sink their consciences in the corporations of which they form a part and act as instruments rather than as men—men with consciences and individual responsibilities to God and their fellow men."

JUDSON HARMON'S SPEECH.

Mr. Harmon also referred to corporate wealth, saying: "We have laws to prevent and punish depredations of trusts and combinations and the enjoyment of special favors, through rebates and otherwise, from public carriers. But these were allowed to go so long with only desultory attempts to enforce them, that the government does not seem able to make its belated efforts highly effective.

"What is it the president and his followers are trying to do? It is merely to end a state of things for which the Republican leaders are themselves to blame. They let the spirit of commercial greed out of the bottle and shouted with pride as it swelled and grew. Now that it is as big as the sky, they wish to get it back, and call on the Democrats to help."

MAYOR McCLELLAN'S ADDRESS.

Mayor McClellan spoke at some length, saying:

"There is a spirit of disorder and lawlessness and a spirit of unrest and hopelessness sweeping around the world, a spirit which masks under the names of Socialism, collectivism, communionism, but which has for its object the subversion of existing law and order, and ultimately manifests itself by the flaming torch and the red flag of anarchy.

"That spirit is with us in the United States today, taking advantage of conditions brought about by our opponents. Under Republican rule the national government has been persistently misused for the enrichment of the few and for the oppression of the many. The people have been plundered until a field has been plowed and harrowed ready for the sowing with the seed of diseased thought. And the sowers who sow the seed, without conscience or thought of consequence, are men armed with the most powerful weapons for the deliberate perversion of humanity. With the single ambition of personal elevation, to feed their monstrous vanity, they would not only wreck the party to which they claim allegiance, but would without scruple place upon this country the curse with which every civilized nation in Europe has been struggling for a decade. And these men—God save the mark—call themselves Democrats."

SENATOR MORGAN'S LETTER.

In his letter regretting his inability to be present, Senator Morgan said:

"Jefferson's professed followers, in the vain effort to accomplish their personal and political advancement, readily abandon the express guarantees of the liberties of the people embodied in the amendments of the Constitution in which the creed of the Jeffersonian Democracy has its strongest foundation.

"The present effort to destroy the right of trial by jury, secured in the seventh amendment, is the most recent and conspicuous proof of this dereliction and is the most deplorable.

"It is flagrant and shameless in the Hepburn bill, called the railroad rate bill, passed in the house of representatives and supported in the senate by Democrats for no other than expected party advantages. Trial by jury is stricken from the existing law and the power of the federal chancellors is made absolute over the rights of the American people and this raid upon the Constitution is led by a president of the United States."

WILD WITH ITCHING HUMOR

Eruption Broke Out in Spots All Over Body—Caused a Continual Itching for Two Years—Doctor's Medicine Did no Good—Cured at Expense of only $1.25 and Now

THANKS CUTICURA FOR COMPLETE CURE

"Some time ago I wrote you for a book on the Cuticura Remedies and received it O. K. and went and bought the Soap, Ointment, and Pills. They did me more good than any medicine I ever used. They cured me of my skin disease, and I am very thankful to you. My trouble was eruption of the skin, which broke out in spots all over my body, and caused a continual itching which nearly drove me wild at times. I got medicine of a doctor, but it did not cure me, and when I saw in a paper your ad., I sent to you for the Cuticura book and I studied my case in it. I then went to the drug store and bought one cake of Cuticura Soap, one box of Cuticura Ointment, and one vial of Cuticura Pills. From the first application I received relief. I used the first set and two extra cakes of Cuticura Soap, and was completely cured. I had suffered for two years, and I again thank Cuticura for my cure. If you wish, you may publish this. Your friend forever, Claude N. Johnson, Maple Grove Farm, R. F. D. 2, Walnut, Kan., June 15, 1905."

MOST IMPORTANT DIVORCE DECISION

Where Court Granting Decree Hadn't Jurisdiction Over Both Parties, it is Illegal.

SO SAYS U. S. SUPREME COURT

N. Y. Supreme Court Upheld in Case Of John W. Haddock vs. Harriet Haddock.

Washington, April 16.—In an opinion by Justice White the supreme court of the United States today decided the case of John W. Haddock vs. Harriet Haddock, a divorce proceedings instituted in the courts of New York City in favor of the woman. The Haddocks were married in 1868, and the husband claimed to have been an unwilling participant in the ceremony. He says in his answer to the woman's complaint that he left her immediately after the marriage rites were performed and during all the time that has intervened has seen her only three times.

In 1881 he secured a divorce in the state of Connecticut, where he then resided, and in 1882 was married there to another woman.

The New York supreme court holds the Connecticut marriage to be illegal, decreed the first wife to be still the legal wife and directed Haddock to pay her an annuity of $780. That finding was sustained by today's decision, which held that Mrs. Haddock was without the jurisdiction of the Connecticut court.

Justice White, in deciding the case, laid down the general principle that a state in which only one party to a divorce proceeding resides, has no right to dissolve a marriage tie which all other states must respect.

Justices Harlan, Brewer and Brown united in dissenting opinions which were delivered by Justice Brown. They took the position that the Connecticut divorce proceedings were regular and are entitled to due credence in other states.

Justice Brown declared in his opinion that the court had taken a backward step in this direction.

Justice Holmes also dissented from the decision of the court, but delivered an independent opinion. He said the result of the decision would be to illegitimatize many children, but added that he would not go so far as to predict that civilization would come to an end whatever the conclusion in the case.

VOLIVA PRESENTS DOWIE ULTIMATUM

Chicago, April 16.—General Overseer Wilbur Glenn Voliva and his followers today presented what they termed an ultimatum to John Alexander Dowie in the form of an offer to submit the whole controversy over Zion City and its business and ecclesiastic affairs to a board of arbitration. Should Dowie refuse to agree to this method of settlement, then all negotiations are considered at an end, and Dowie's claims to any part, financial or ecclesiastical, in the affairs of Zion City will be fought to a finish.

The proposal of arbitration provides that a committee of four or eight members be appointed, two or four of whom, as the decision may be, to be appointed by General Overseer Voliva. It is further provided that all property belonging to the Christian Catholic church shall be transferred to this board of arbitration, and that their judgment as to whether Voliva or Dowie shall control the same will be final. No reply to this has as yet been made by Dowie.

Attorney Emil C. Wetten, representing Dowie, said tonight, however, that Dowie would never consent to a sacrifice of the ecclesiastical power attendant to Zion City.

Attorney Hewman, representing General Overseer Voliva, said tonight:

"We are willing to concede that Dowie has an indisputable right to 5 per cent of the property owned by the Christian Catholic church, but we demand that a conference between the Dowie factions and the followers of Voliva be held, and that Dowie sign an agreement whereby he relinquishes all claims to the property in question, in consideration of the fact that he is vested with the sole proprietorship of 5 per cent thereof."

During the conference today between the opposition forces, Attorney Wetten demanded that all statements printed in the last issue of "Leaves of Healing," the official organ paper of Zion, be designated as slanderous and improper. He telephoned to the postmaster at Zion City, notifying him that if he received any number of the "Leaves of Healing" and permitted them to be passed through the mails he would be amenable to the law.

Mr. Wetton also telegraphed to Postmaster General George B. Cortelyou, advising him of the situation and asking him to deliver a ruling upon the point at issue. Attorney Wetten claims that to send the last issue of the Leaves of Healing through the mails is an offense against the United States government, inasmuch as it contains statements derogatory to the moral character of Dowie.

Both sides are now awaiting a ruling of the United States postal department on the subject.

CASTRO'S RESIGNATION.

His Action is Not Clearly Understood In Venezuela.

Willemstad, Island of Curacao, April 16.—Passengers arriving here today from Venezuela say that the action of Gen. Castro in retiring from the presidency in favor of Vice President Gomez is not clearly understood in Venezuela, but the general opinion seems to be that his retirement is only temporary. Gen. Castro has gone one way, as a private citizen, unattended and paying the regular fare on the railroad. His wife has gone another and the former president's sister arrived here today.

The resignation of the Venezuelan cabinet is also causing speculation. The ministers retiring when Castro gave up the reins of power, but Gomez has not appointed a new cabinet, and therefore the old ministers have retained their portfolios. On the other hand, Castro's followers are scattering, leaving the capital in different ways.

At Caracas the atmosphere has completely changed as is apparent on all countenances.

The opinions expressed here, the nearest point to Venezuela, are conflicting. The Venezuelans as a rule are reticent when questioned on the subject. They generally say that Castro is sick, and hesitate to give their opinion of his retirement from the presidency.

ATTACKED BY LADRONES.

Manila, April 16.—The headquarters of the Philippine constabulary at Maolos, Island of Luzon, were attacked several days ago by a band of Ladrones. Three native members of the constabulary and one ladrone were killed. The affair creates no alarm here, where it is regarded merely as an incident of the effort to restore order through the employment of a native constabulary. Similar conflicts between local outlaw bands are of more or less frequent occurrence.

RESISTED ARREST.

Result, One Negro Killed and Militia Called Out.

Mount Airie, N. C., April 16.—As a result of Walter Penn, a negro, resisting arrest and other negroes overpowering and disarming Deputy Sheriff Belton and Officer John Samuels, Geo. Long, a negro, is dead and the local militia company was ordered to the scene of what was almost a riot today.

The negroes succeeded in securing the pistols of the officers and fired about 20 shots at them. The officers only saved themselves by holding negro women between themselves and the attacking party.

The dead negro was shot by one of his own race in the attempt to shoot the officers. A posse is searching for the negroes who did the shooting.

TO STUDY AMERICAN GEOLOGY.

Washington, April 16.—Sir Leonard Lyell, a celebrated English geologist, was presented to the president today by Director Wolcott of the geological survey. Sir Leonard is in America to study the geological formations in the Yosemite valley, the grand canyon of the Colorado and the Yellowstone park.

GERONIMO VERY ILL.

Old Apache Chief Apparently is Dying at Fort Sill.

Lawton, Okla., April 16.—Geronimo, chief of the Apache Indians, is critically ill at his home on Fort Sill military reservation, and the tribe has decided that he can last but a few days. When his biographer called upon him yesterday Geronimo said:

"I am praying to the white man's God, who has made me a man fit for heaven, to spare my life for a few years longer, to spare it until I am freed from custody and see my people in free homes.

"God knows my heart is good, but I am telling Him my people need me here more than I am needed in a better world."

Geronimo is 76 years old and is living with his eighth wife, whom he married on last Christmas day.

FOR RECLAMATION.

Washington, April 16.—The third annual general inquiry of the house committee on irrigation regarding the operation of the national reclamation act, was begun today. Secy. of the Interior Hitchcock was before the committee. The secretary stated that, including the irrigation projects under construction, those which are contemplated and those approved but not begun there will have been spent on June 30, 1908, $37,000,000 and that the estimated receipts from the operation of the law up to that time will be half a million dollars more than that amount. Besides, it is estimated there will be a return from settlers on irrigated lands amounting to $1,000,000. Some time was spent in a discussion of the method of doing the work in the construction of the Gunnison tunnel in Colorado.
