and Contains All the Cream of  
the Daily and Saturday News.

## LOCAL BRIEFS.

**Reception Postponed**—The Y. W. C. A. reception announced for next Thursday evening, has been postponed a week, on account of the St. Mark's church ball.

**Tagger Wanted**—There will be civil examinations in this city, Dec. 5, for the position of tagger in the department of agriculture, with pay at \$720 per annum; also for the position of aid on the coast and geodetic survey, at \$720 per annum.

**To Lay Corner Stone**—The corner stone of the Woman's building at Westminster college will be laid early next month, so that it can be completed by September next. Of the \$75,000 the college is to cost, \$15,000 has been raised.

**St. Peter's Mission**—The north second west street property recently acquired by the Episcopal church corporation, will be used as St. Peter's mission instead of the north fifth west street property, which proved inconvenient of access.

**M. & M. A. Meeting**—The M. & M. directors held a semi-monthly meeting last evening, and resolved to hold a "Manufacturers' week," Nov. 17, when the exhibits are in position at the Chamber of Commerce, and will send invitations to citizens.

**Chief Pinchot Coming**—It is reported that Chief Forester Pinchot of the United States will shortly visit this city. Mr. Pinchot is the millionaire Yale professor of forestry, who has given thousands of dollars to further the cause of forestry in this country.

**Debating Encouraged**—The juniors of the state university decided to encourage interclass debating, and according to successful debates all the honors given to athletes, including the wearing of sweaters with class numbers thereon. The class at yesterday's meeting adopted green and white as the class colors.

**Freshman Debating Team**—The contests for the Freshman debating team at the state university will be held Tuesday next. There are six contestants and the subjects of the debate are, "Resolved, That Congress should make laws compelling educational requirements for emigration," and "Resolved, That Congress should enact stricter emigration laws." The third subject is the same as the one chosen by the juniors.

**Postoffice Business**—The October business of the Salt Lake postoffice shows an increase of 19 per cent over that of October for the previous year. The comparative figures are as follows: October, 1906, stamps, \$1,761.99; cards, \$630; Envelopes, \$5,020.75; total, \$7,412.74. October, 1905, stamps, \$1,459.50; cards, \$664; envelopes, \$4,536.35; total, \$6,659.35. Increase, stamps, \$3,052.40; cards, \$244; envelopes, \$2,000.40; total, \$5,315.80.

**A Bland Assault**—A complaint has been sworn to in which John Bland is charged with having committed assault and battery upon the person of Matthew Edwards. Both men are colored, and Edwards is the person who was beaten by A. T. Day just prior to the killing of H. H. Voss, and the present trouble is said to be an aftermath of that tragedy. The colored population of Franklin avenue are in almost constant turmoil, taking sides in the matter, and hells are of almost daily occurrence.

**Fireman Injured**—Ladderman Daniel E. Keith of the Salt Lake fire department No. 3, fell from a roof which he was helping to repair yesterday afternoon and was painfully hurt. He was 30 feet from the ground and was carrying an armful of lath, when he lost his balance and fell, feet downward, to the ground. Both ankles were badly sprained, and he was also hurt in the matter, and the latter was taken to his home, 847 Euclid avenue.

**Diamond Stolen**—A bartender, named William McFarley, was arrested Saturday evening, charged with having stolen a diamond stud from one Frank Whitaker. It is claimed that the owner lost the gem in the saloon of Charles Reagan, 237 Main street, where McFarley was employed some time ago, and that it was found upon the person of the bartender. The latter refused to give up the diamond upon demand of Whitaker, and as a consequence was placed under arrest. A charge of robbery will be placed against him.

**Examiner Stationed Here**—A morning paper erroneously announces that George W. Goodsell of Leadville, Colo., has not been named as bank examiner for Utah. The facts are that Mr. Goodsell was distinctly named and has moved to Salt Lake where he now resides having rented the home of Joseph J. Daynes where he now lives. Mr. Goodsell will alternate with Mr. Beattie whose selection was announced yesterday in the examination of banks in Utah, Idaho and Wyoming. In order words, two men will do the work that Mr. Beattie did with Idaho added to their jurisdiction. Although both Mr. Beattie and Mr. Goodsell are subject to be sent anywhere where the judgment of the controller shall direct it is stated there is every reason to believe they will both remain in this district.

## RECEIVED ASKED FOR IMPLEMENT CO.

Action Was Filed in the District  
Court Against Utah  
Concern.

ALLEGED TO BE INSOLVENT.

It is Claimed That the Total Liabilities  
of Institution Are \$494,813 and  
Assets \$165,158.

An action was filed in the district court last yesterday afternoon in which a receiver is asked for the Utah Implement company, which was incorporated on Dec. 13, 1903. The plaintiffs in the action are John T. Sharp, C. L. Anderson, P. L. Williams, John Sharp and W. G. Sharp, executors of the estate of John Sharp, deceased; Gustave Anderson, Lucy A. Jensen, M. Miller, Samuel Peterson and John Sharp stockholders. The defendants are the Utah Implement company, M. B. Whitney, president and director of the company; Hale S. Hutchins, director, and G. M. Forbes, director.

It is alleged that the total liabilities of the company are \$494,813, and the assets amount to \$165,158, which, however, includes a large number of votes that are valueless. It is claimed that the liabilities exceed the assets by \$329,655, and that the company is insolvent and a receiver should be appointed.

**MISCONDUCT ALLEGED.**  
Charges of gross misconduct are made in the complaint against President Whitney, among which are that the books of the company have been falsified, the funds of the company have been used to promote private enterprise, and that Whitney has been guilty of fraud in the management of the company.

The complaint alleges that Whitney has had the stock books of the company in his control and that it is impossible to tell who are the owners of preferred stock and that in many cases he has torn stubs from the stock books.

**CHARGE FALSE ENTRIES.**  
An allegation is made that Whitney used the name and credit of the company in financing the Independent Canal and Reservoir company and the money and implements of the Utah Implement company have been used in the construction work for the Reservoir company. The same method is alleged to have been used in organizing the Emery Land and Water company, which succeeded to the property of the reservoir company. Within the last two years the Emery Land and Water company has become indebted to the Utah Implement company in the sum of \$31,000, and that certain notes of the reservoir company have been endorsed by the implement company to Whitney and placed by him in the Deseret Savings bank to secure a loan for \$10,000 to the implement company. These notes have been falsified and entered upon the books of the company to the personal account of President Whitney.

The complaint also alleges that Whitney issued his personal notes to the implement company for \$12,500, payable Feb. 5, 1907; that Hutchins gave his note to the company for \$4,500, payable the same date; and that W. L. Loring gave his personal note to the company for \$5,000. These notes, it is alleged, were accepted by Whitney, Hutchins and Forbes, the majority of the board of directors, and the implement company from the independent Canal and Reservoir company. None of these acts were known to the other directors of the company.

**THE SCHEDULE.**  
The following schedule of liabilities of the company is set out in the complaint:

McCormick's bank, notes	\$3,000.00
Deseret Savings bank, overdraft	25,716
Deseret Savings bank, overdraft	2,000
Winnago National bank, overdraft	3,000
Rock Island, Ill., overdraft	18,000
Divers persons, names unknown	5,000
Mortgage on store and merchandise	30,000
Notes on merchandise account	61,828
Open accounts	79,569
On preferred and common stock issued	229,600
<b>Total</b>	<b>\$494,813</b>

**ORDER IS ISSUED.**  
The total assets amount to \$165,158, making the liabilities \$329,655 greater than the assets. Included in the assets are notes of no value so that it is alleged that the actual liabilities above assets is \$329,655. This indebtedness, it is claimed, the company is unable to meet and hence it is insolvent. It is asked that a receiver be appointed for the company, and that the defendants be restrained from collecting money due the company and from paying out any of the funds and from in any way transferring the business of the company.

**POSTMASTER ROBBED.**  
G. W. Fouts, postmaster at Riverton, La., has been robbed of \$100,000 worth of comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of indigestion that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for eleven years. Sure cure for Biliousness, Nourishment, Weakness and all Stomach, Liver, Kidney and Bladder derangements. A wonderful tonic. At Z. C. M. I. drug dept., 112-114 So. Main St., Drug store, 50 cents."

**A CONTRACTORS' SQUABBLE.**  
Board of Public Works Listens to the  
Moran-Showell Row.

The board of public works held a meeting last evening, and a considerable portion of the time was taken up in looking into the condition of affairs between contractor Moran, sub-contractors Showell Bros. & Belcher and various persons who have dealings with both. Showell Bros. claim that Moran is indebted to them in the sum of \$23,845.50 while Moran says that he has paid them nearly \$7,000 more than the city engineer's estimate called for. Claims to the amount of \$600 have been filed by various individuals against the Showells, and the board is asked to protect the creditors. Whether it shall decide to do so will be determined after a full investigation.

## IMPRESSIVE SERVICES.

Large Congregation Assembled to Pay  
Respects to the Late Brice Sainsbury.

Despite the stormy weather yesterday, a large congregation assembled at the Twentieth ward meetinghouse to pay their respects to the memory of Brice W. Sainsbury.

The services were presided over by Bishop George Romney, and the opening prayer was offered by Elder Samuel W. Jenkinson. The following speakers addressed the meeting: Elders Geo. A. Partridge, John Tucker, H. J. Hinton and Henry W. Nelsbitt. The latter had been a neighbor of Mr. Sainsbury's for a great many years.

and spoke of the intensity of the spiritual make-up of the deceased, of his social and kindly feeling toward his fellow man, and how he loved to assist those who were in need. The speaker also referred to the numerous instances of his generosity in assisting the poor and the sick. He said that Mr. Sainsbury was a man of great faith in the gospel, full of love and kindness to his brethren, and many would rise up and call him blessed. In conclusion he referred to the deceased's association with the Twentieth ward choir, and also with the tabernacle choir, with which he appeared at the World's fair in Chicago, and also on their initial trip to California. Bishop Romney testified to the truthfulness of what had been said, and the benediction was pronounced by Elder C. R. Savage.

The Twentieth ward choir furnished the music, and the hymns sung were: "Redeemer of Israel," "We thank thee, O God for a prophet," "O my Father," and "Rest all of which were selected by the deceased prior to his death.

I regard Dr. King's New Discovery as the most wonderful medicine in existence." Suffer from Cough and Cold cure and Lung trouble. Guaranteed by Z. C. M. I. drug dept., 112-114 So. **CARD OF THANKS.**  
The Widow and Family of the late Joseph H. Gough wish to extend their thanks to all who assisted them in their bereavement.

**FELL INTO WHEAT PIT.**  
SMOTHERED TO DEATH.

New York, Nov. 5.—Patrick Dolan, foreman of the grain handlers in the elevator of the William Baird company, Brooklyn, fell into a pit containing 2,000 bushels of grain yesterday. The little kernels, rolling against one another like myriad coils of a great machine, gripping his feet, his ankles, his legs, his knees, crowding him fast and drew him down with a power that was irresistible. Dolan plunged this way and that, and with every step the quick sands gripped him more firmly. He called for help and Petro Amazio, a fellow worker went to his assistance. He threw a rope to Dolan which the latter seized

ed so desperately that he drew Amazio into the pit.

Other workmen, who had been to lunch, now heard the outcries, but both men had disappeared when they reached the scene. A rush was made for the chutes through which the grain is unloaded, and unfasting the covers, the men let the wheat run into the street. Soon Amazio's body shoe down the chute and Dolan's followed. The latter was dead, having been smothered, but Amazio was still alive and will recover.

**SELLS MORE OF CHAMBERLAIN'S  
COUGH REMEDY THAN ALL  
OTHERS PUT TOGETHER.**

The following letter from a locality where Chamberlain's Cough Remedy is well known shows by the unprecedented demand for it that the medicine sells on its own merits. "I have used it for years," writes Mr. Elgin, Ontario, "and I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by all druggists.

## FLORINDA ILLARIO GUILTY.

Convicted of Manslaughter and Sentence is Deferred.

New York, Nov. 6.—Miss Florinda Illario, who has been on trial in the Somerset county court in Somerville, N. J., charged with the murder of Alexander Dipolo, was found guilty of manslaughter by the jury last night. She was convicted of having shot and killed Dipolo last June. It was brought out during the trial that Dipolo had squandered all of her money. The defense contended that the shooting was accidental. Sentence was deferred.

## A BLACK-HAND OUTRAGE.

New York, Nov. 6.—Shaken by a terrific explosion soon after midnight, a crowd of tenement house tenants in the adjoining Minetta and Bleeker streets poured their occupants into the streets scantily clad. An explosion had been hurled at a one-story grocery store, No. 2 Minetta street, owned by Salvatore Bartholomew.

The whole front of the building was blown in and windows were shattered for half a block. The police believe it to be a "black-hand" outrage.

## IN TIME OF PEACE.

In the first months of the Russia Japan war we had a striking example of the power of preparation for an emergency. The individual as well as the nation were prepared for an emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when the body is in a state of readiness. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by all druggists.

## CAPT. BRANCH ABSOLVED.

Hongkong, Nov. 6.—The finding of the Hongkong court of inquiry into the fire on board the British steamship Hankow which was burned alongside her wharf on Oct. 14 last, absolves the master, Capt. Branch, and the ship's officers from any blame in the matter. They, it is said, did all in their power to save life and property, but were unsuccessful owing to the rapidity with which the fire spread and the fierceness of the flames. The court was of the opinion, however, that all light texture cargo should be stowed beneath hatches or screened off in such a manner that it would be impossible for passengers to have any access to it.

## THERE IS NO REASON.

Why your baby should be thin and fretful during the night. Worms are the cause of this, sickly babies. It is natural that a healthy baby should be fat and sleep well. If your baby does not retain his food, don't experiment with colic cures and other medicine, but try a bottle of Worm Expeller. Your baby will soon see your baby have color and laugh and it should. Sold by Z. C. M. I. Drug Dept., 112 and 114 So. Main St., B.
