Probably Will Not Seek Another Encounter With Clifford.

ack Wade, the erstwhile champion of Montana in the lightweight division of pugdom, has not been doing any-thing in the fighting line since Clifford gave him such an unmerciful beating. but now Jack states that he is in good condition and is ready for the roped arena again. Tomorrow night he is to meet a fighter known as the Wisconsin Kid at Havre, Mont. The Kid is an un-known quantity in this part of the country so there is no way of comparing the two, but for that reason and others needless to mention, Wade will in all probability be returned the winner.

CLIFFORD-OPIE TONIGHT.

Jack Ments the Kid for Montana Championship- Bout at Butte.

At Butte tonight, Jack Clifford and Kid Ople will meet in a 15 round fight for the championship of Montana. Someone probably wants Clifford to commit murder, for Opie has no more chance to whip Clifford than Sharkey has to whip Fitzsimmons. Ople has had has to whip Pitzsidnions, ope has had but little experience in the ring, and every good man he has gone up against has beaten him. Jack Wade took his measure twice and the last time the Kid did not come to for an hour. Clifford has defeated Wade twice, scor-ing clean peak knocksuts in such had. ing clean neat knockouts in each bat-tle, and how the friends of Ople figure out his chance against the ex-Salt Lake ball player is one of the mysteries.

Some of Clifford's enemies declare that his victory over Wade was due to the latter's poor condition. Well, as to that, Wade said himself, the day before their meeting here in Salt Lake, that he was in perfect condition. Then he took a three or four months' fest in Butte and challenged Clifford again. He lasted just four rounds. Dal Hawkins challenged Clifford. The latter landed one good punch and Dal was counted out.

The Quakers twice tried eir famous quarterback kick, but i both instances Smith was too quick for the opposing ends. Three minutes after Belknap kicked off, the navy scored its first touchdown on an exchange of kicks, two fumbles by the red and blue a penalty for off-side play, and gains by Wilson and McNair.

The latter carried the ball over the line, but failed to kick the goal. On On the next kick-off Pennsylvania, after a series of plays, got the ball near mid-field, and by steady gains through the line carried it to the navy's 10-yard line. A quarter-back kick was frus-
