a month to come, but he thought it would work well. Dr. Eugene Monaghan, sanitary super-intendent of the borough of the Bronx, says he believes the malaria at Ford-ham was caused by the mosquitoes. The experiments of Dr. Doty are being watched, and if they are successful the scattering of ol on the swamps and low places in Fordham will be begun. Dr. Monaghan said that the malaria bearing mosquitoes did a great deal of dam-age, but he did not believe that they caused so much sickness in this climate as they do in the tropics.

In discussing the prevalence of malaria in Fordham, Health Commissione, Crosby said the same steps would be taken to destroy the malaria bearing mosquitoes there as in other parts of the city.

WADE WINS A "FIGHT."

The Man Who Engaged in a Seance With Bean.

Butte, Mont., Aug. 5.-Jaack Wade of Salt Lake defeated Jack Donnelly of St. Louis in the third round of what was to have been a twenty-round go at the saucer bicycle track tonight. Old ring followers say it was the fastest fight they ever saw. Harry Monaghan was referee. From the sound of the gong the men went at it hammer and tongs. In the first round honors were about even, with both men aggressive and Wade opened the second with a left to the head. Rushes and clinches fol-

lowed and when the men were not mix-ed up Wade was using his his left with good effect on Donnelly's head. Once Wade went down from the force of a missed blow, but soon floored Donnelly with a right making him take the limit. He was hardly up when Wade put him down again, and he was "out" when the gong sounded.
