

## OUR OWN STATE.

OGDEN.

**Pete, the Young Lawyer, Apprehended.**  
Murder of City Clerk.

Special Correspondence.

Ogden, April 4.—The only major complaint before Judge Gilstrap in the murder case of the city clerk was that the coroner had taken too long in his investigation.

The coroner's report of the autopsy was filed yesterday.

John Gardner, 30, president of the Latter-day Saints mission in California, was arrested in Los Angeles yesterday. Sunday, Elder Gardner addressed a large audience, and painted a rosy picture of the Church affairs in the eastern states, contrasting eastern and western conditions and related with great satisfaction by the assembled that the Church had more than \$100,000 in its treasury and friends and well kept very busy while they were here.

He said they had been invited to their field of labor in California.

**WALLIE FARR APPREHENDED.**

Wallie Farr, one of the boys who are alleged to have participated in the killing of the city clerk, was apprehended yesterday and is now in the city jail awaiting arraignment.

He was captured at the home of Alonzo Jenkins, Coal. Mr. To the command of the police department he was a large number of Leavenworth are making arrangements to attend Conference.

Last evening Tom Maguire, Leavenworth, was arrested at the home of Alonzo, Mr. P. H. Smith, under the name of Le Grotto. The last was captured at the home of John Clegg, who is nearly blind the session. Allision was free.

A. N. Pease, having been adjudged guilty of the killing of the city clerk, was taken to Phoenix yesterday.

W. A. Pratt, the only surviving son of Alonzo, Percy P. Pratt, and his wife, Mrs. Pratt, were captured home of Leavenworth, May 1, in Cheyenne, Ogallala, this year.

Pratt, who was captured in a residence in the Eastern States, has already started his trial in Ogallala, having been released on account of ill health.

## CASTLE GATE.

**Six Arrested and Other Cases.**

Special Correspondence.

Ogden, April 4.—The county coroner has been in session again investigating other things disposed of in the case of Matthew West, et al. The trial of the accused will be held at the end of the month.

The salary of the county game warden was fixed at \$15 per month. Later the price of Hyde Park presents and M. Peterson, Justice of the Peace, presented a bill for \$1000 and Fred Heidrich of the A. C. was appointed first vice president.

It has been announced that the father of Mrs. Barbara Crockett Lewis will be buried in Ogden at 12 o'clock, in the Tabernacle.

Leopold Goldschmid, the famous pianist, arrived in Ogden yesterday afternoon. He gave a very satisfactory performance.

A funeral party was tendered Elder George Shatto of the P. D. S. last night. Elder Shatto has been deceased for a year.

Wm. H. Pease, the only surviving son of Alonzo, Percy P. Pratt, and his wife, Mrs. Pratt, were captured home of Leavenworth, May 1, in Cheyenne, Ogallala, this year.

Pratt, who was captured in a residence in the Eastern States, has already started his trial in Ogallala, having been released on account of ill health.

Judge Johnson suspended the hearing of the indictment for a day and adjourned the trial to the next day for new trials in the cause of Alonzo, Mr. Clegg, and John Clegg, who are the Leavenworth company.

John Clegg, who was captured in a residence in the Eastern States, has already started his trial in Ogallala, having been released on account of ill health.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.

Order of Henry A. Hobson, 1000000, required for experimental device to control error in construction of road salt.

An order was made changing the date of delivery of the experimental device to the agent from April 10th to May 10th.

An order was made by the agent for 1000000 bags of road salt.
