JUDGE ROLAPP SHOWS MERCY.

Suspends Sentence and Discharges Self-Confessed Burglars who Stole Food for Starving Families.

POPULAR YOUNG PEOPLE WED.

Wants to Administer Estate of Wm. C. Channel—Opening of Ogden-Lucan Cutoff Postponed.

Before Judge Rolapp in the district court, Chauncey Belding pleaded guilty to the charge of grand larceny, and a plea of not guilty to the charge of burglary.

Ralph Topping, who was charged with the same offenses, entered a plea of guilty to burglary and not guilty to grand larceny. Both parties in answer to questions of the court stated that they had stolen a sheep, which was grand larceny under the statutes, and burglarized the cellar of Robert Burch, and stole 11 bottles of fruit. They stated that they came to Riverdale, Weber county, about three weeks ago in a wagon, and were in destitute circumstances; they had stolen the sheep and fruit to provide food for their families. Belding having a wife and two children, and Topping a wife and two children. They stated that since their incarceration in the county jail their families have been dependent on the charity of others for food and clothing, and stated that they now realized their wrong and would, if permitted to go, never be guilty of such crimes again. V. C. Gunnell, their attorney, made a similar plea for the men. Judge Rolapp was touched by their plea and said that he was not prepared to pass sentence on the men, but would con-

Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache, by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used Lydia E. Pinkham's Vegetable Compound on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial. "I was certainly glad to find that within a week I felt much better, the terrible pains in the back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend your medicine."—Mrs. MAY HAULE, Edgerton, Wis., Pres. Household Economics Club.

FREE MEDICAL ADVICE TO WOMEN.

Don't hesitate to write to Mrs. Pinkham. She will understand your case perfectly, and will treat you with kindness. Her advice is free, and the address is Lynn, Mass. No woman ever regretted having written her, and she has helped thousands.

Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Frances Cook, Box 670, Kane, Pa., says: "DEAR MRS. PINKHAM:—I suffered for ten years with leucorrhoea, but am glad to say that through the use of Lydia E. Pinkham's Vegetable Compound and her Sanative Wash I am cured, for which I am very thankful."

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

Another rise in coal. The coal dealers of Ogden have made another raise in the price of coal which took effect this morning. This time they have raised the price of nut coal 25 cents per ton. This is the third time that this coal has been raised in Ogden, and dealers say that they do not expect another raise during the winter. They claim that the cause of the raise in the price was necessitated by the mine owners advancing the price 25 cents on them.

One of Bear Lake's Pioneers—Snow and Cold—Wedding Bells.

Special Correspondence. St. Charles, Bear Lake Co., Idaho, Nov. 17.—With profound sorrow, the people felt the death of Elder Mosiah Booth, which occurred this morning.

He shared in the hardships of the early days of the Church, and in the settling of Utah, being sent west by his mother before he was yet in his teens without a relative, or any one in particular to care for him. He settled in Grantsville, where he became acquainted with and married Miss Mary A. Allen, December 18th, 1864. He was removed to Idaho, and was one of the pioneers of what is now St. Charles. He endured all the hardships incident to pioneer life in Bear Lake county.

In 1884, at the organization of the Sixth quorum of Seventy, he was chosen one of the presidents, holding the position with honor, until chosen first counselor to the Bishop of the ward in 1895; which position he held at the time of his demise. He is the father of 22 children, 17 of whom survive him. One of his sons, Clarence E., went on a mission to Wisconsin five weeks ago today.

Winter seems to have come to stay. Some potatoes and a number of acres of beets are yet undug.

Some of the most anxious hours of a mother's life are those when the little ones of the household have the croup. There is no other medicine so effective in this terrible malady as Foley's Honey and Tar. It is a household favorite for throat and lung troubles, and as it contains no opiates or other poisons it can be safely given. Sold by Johnson-Pratt Drug Co.

The agents of the Z. C. M. I. have been at work here the last few days putting up a heating plant in the meetinghouse. A committee of the sisters in this ward was appointed some time ago to solicit donations to pay for the heating plant, which cost \$350. They rustled nearly the full amount in a few days.

DEATH OF WILLIAM SINGLETON. The funeral services over the remains of William S. Singleton were held at the meetinghouse on Monday, Nov. 16. Brother Singleton was born in Wales, in October, 1829, and emigrated to the coal mines of Pennsylvania, United States, where he first heard the

The little three-year-old daughter of D. A. Benson, died at the sugar factory, near Idaho Falls, but was brought here for burial.

Cramps, or some bowel trouble, which carried off James Ockerman, who was buried at Blackfoot. Mr. Ockerman was a native of Hyrum, Utah, about six years ago, and through his industry had converted during this time, quite a large tract of sage brush land into a fruitful field, he was honored and respected by all who knew him.

The infant daughter of Mr. and Mrs. P. A. Hartvigson was the next to succumb. She died at the sugar factory also, and was brought here for burial.

The little infant of Robert Adams was the last to go and was buried at Riverside, Idaho.

FAIRWELL RECEPTIONS.

Alma T. Clement, one of our esteemed townsmen has sold out his home here and will remove to Leavittville. Sister Annie Clement, his wife, was very agreeably surprised by the ladies of the society on Thursday, Nov. 5. A fine meeting was held and in the evening a delightful dance was given, followed by a dance. Sister Clem-

ent was presented with a beautiful rocking chair as a token of the esteem in which she was held by her sisters. Each of them contributed a small amount toward its purchase.

On Friday evening, Nov. 13, a farewell reception was given Elder A. M. Clement, who has been called on a mission to the Northern States, and leaves this week. A bounteous repast was partaken of, dancing was indulged in, and an evening of pleasure and merry making was enjoyed. Almost every one present contributed of their means to assist Elder Clement on his journey.

The past week has been one of winter, wind and snow and very cold, moderating and finally turning to rain. A week ago where dust rose high on the breeze, mud and slush now prevail.

C. G. Geddes and family, who formerly resided here, but for the past four years have made Oregon their home, have purchased the farm of T. A. Clement and will make their permanent home here.

The little folks love Dr. Wood's Norway Pine Syrup. Pleasant to take, perfectly harmless. Positive cure for coughs, catarrh, asthma; never fails.
