OGDEN TO HAVE FINE HOSPITAL

Father Cushman has Raised \$75,000 for a Refuge for The Afflicted.

S. L. & O. COMPLETED JULY 1.

Track Laying Resumed With a Rush—YOUTH HELD FOR BURGLARY—A. O. U. W. Funds in Court.

Ogden, March 6.—The announcement has been made that \$75,000 has been raised by Rev. Father P. M. Cushman for the erection of a magnificent hospital in Ogden this year. For several months past the priest has been in California for the benefit of his health, but realizing the great need of a good hospital in this city, he has it stated, interested several wealthy parties in the matter and they have consented to invest that amount of money in the institution. Whether it is local capital or outside that is to be put into the hospital is not given out, but the priest is still on the coast and he could not be seen to ascertain any further facts. However it is learned that the site on which the hospital will be erected is the corner of Washington avenue and Twenty-sixth street, where the Lawrence hotel stands, which is a very good location for such an institution. About 10 years ago the Catholic sisters conducted a large hospital in Ogden very successfully, the gentleness and careful attention of the sisters in caring for their patients made for them a warm spot in the hearts of many. Until Father Cushman returns home, which it is expected will be in the near future, perhaps no more definite concerns the new hospital will be forthcoming.

right of way in entering Ogden city from the south, out a large force of men and teams at work one night and laid several blocks of ties and rails along the avenue and pushed the work night and day of putting down a temporary double track from Thirtieth street to Twenty-fifth street on the avenue. This track has remained in an uneven condition even since until now when a large force of men were put to work laying the track so it can be used. From an employee of Mr. Bamberger it was learned that the work has been done properly which is taken as an indication that delivery made by carrier on the same terms as in Salt Lake.

The resuming of active work by Mr. Bamberger in extending the line from Salt Lake City to Ogden will come as good news to the people of the cities concerned.

Impressive funeral services over the remains of Mrs. Caroline S. Donlon were held at the Fifth ward meeting-house yesterday afternoon. Bishop John Watson presiding. DEATH OF MEYER VAN DAM.
Meyer Van Dam, who was taken to the Ogden general hospital Sunday suffering from a severe attack of kidney trouble, died shortly before 9 o'clock last night. HELD FOR BURGLARY.
Clarence Low, James Crossbie and

John Brotherton were taken before Judge Murphy yesterday for preliminary hearing on the charge of burglarizing Wheelwright brothers' store Nov. 19, 1906. The two former waived the hearing and were bound to answer to the charge to the district court under \$500 bail. The bond was furnished by the Low boy, who was released from custody. It appears that he has always been a good boy, but got into bad company and was led into the trouble he is now in. Brotherton was tried on the charge, the court finding the evidence sufficient to bind him over to the higher court and fixed his bond at \$500, which he was unable to furnish.

CANNOT GIVE POLL TAX LIST.
County Assessor Edwin Dix has not taken kindly to the request from the county commissioners at the suggestion of the county clerk that he be required to furnish the list of all male residents of the city between the ages of 21 and 30 who are subject to poll tax. He has sent a letter to the board informing them that he has already assessed all of the city and county property, but about 20 per cent, and to secure a list as required for poll tax purposes would now necessitate more than a duplication of the work already done with its attendant expense, and he therefore states he would certainly hesitate to incur such expense under the existing statutes defining the duties of his office.

A. O. U. W. FUNDS.
Judge Howell yesterday afternoon took up the matter of fixing the fee for Receiver Craig Thorburn for the funds of the A. O. U. W. lodge amounting to \$20,000. The court fixed the amount at \$250 up to date. It is probable the court will require the payment of the money into the court and he will then decide upon the fee. He held awaiting the final disposition of the same. A suit entitled Wm. Harcombe vs. Margaret Edwards et al., holders of debt beneficiaries in the estate of the late Wm. Harcombe, which was decided by the court, which when decided will determine whether the money shall be divided between the policyholders pro rata or whether those who first claim to be paid the face of their policies until the funds are exhausted.

istricts were here two weeks ago considering the matter of changing the boundaries of their districts it was decided that Highland and Alpine districts should be consolidated. The trustees of the three districts agreed to lay their decision before the taxpayers of their respective districts on their return, and it was expected that the trustees would agree with the decision reached by the trustees. The meetings with the taxpayers were held as contemplated and reports of the trustees of the three districts were reported to the trustees. The report from Alpine shows that Trustees Tealy moved that there be no consolidation, and that the motion was carried. This leaves the question of changing the boundaries still unsettled and the outcome may be the consolidation of the three districts, American Fork, Alpine and Highland.

OUT IN IOWA.

They Had Coffee Drinkers.

An Iowa lady shows that Postum Food Coffee has proved a great promoter of health. She says: "During nearly all of my life till a year ago I used coffee daily, without knowing it kept me thin and feeling bad. I was induced to quit coffee and try Postum. I liked it from the first, and found that I felt better than I did while I was using the old kind of coffee. I continued to drink it until I realized that I was growing plumper, and was pleased to find the other day that I had gained 15 pounds in the 12 months. Postum gives me a splendid appetite, in fact I can eat and digest my food perfectly now."

My husband has all his life been troubled with head aches and has been quite a sufferer from catarrh in the head. He also quit coffee, and began to use Postum Food Coffee about a year ago. He has had a magnificent result. His catarrh has vanished and he has not had an attack of "head-bivies" for six months. My friends, notice the change in his life, and say, "Why how well you look!" Do you really suppose it is Postum that has made the change? I reply, "Most emphatically I do, for it is the only change we have made in our mode of living."

"My sister who used to suffer greatly from biliousness quit coffee and began to drink Postum Food Coffee two years ago. She never has bilious attacks any more. Like my husband, my father has found that his catarrh has disappeared since he gave up coffee and began to use Postum Food Coffee. He has also gained decidedly in flesh." Name given by Postum Co., Battle Creek, Mich. There's a reason. Read the little book, "The Road to Wellville," in pigs.

God had blessed her with the benefit of others. The cause of her death was nervous prostration. She was a devoted wife and loving mother, and leaves a husband and three small children, besides a host of friends, to cherish her memory. March has come in on us like a lion, for it has been snowing and blowing all day. There has been a great deal of sickness in the ward during the past six weeks, mostly in grip.

OBITUARY.

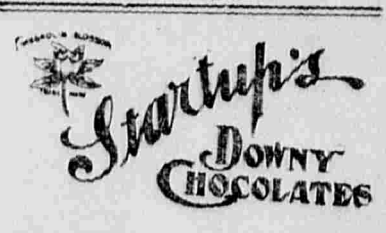

MARIETTA MAYFIELD.
The subject of this sketch was born April 30, 1837, in Richmond County, O., and died at Farmington, Davis county, Utah, Feb. 26, 1907.

Sister Mayfield was the daughter of Whitford Gill Wilson and Mary S. one of the early settlers and grand-daughter of Bradley Wilson, who with his seven sons joined the Church in 1837 in Ohio, where the Wilson family heard the Gospel for the first time, by Elders George A. Smith and Oliver Granger, who were laboring in that locality.

The missionaries were denied the privilege of speaking in the school house, so the Wilson boys (seven in number) constituted themselves a committee to see fair play. After hearing the elders speak, the family were all baptized.

In 1856, Sister Mayfield was married to William Oscar Mayfield. In the year 1859, she moved south, on account of the Johnson army, remaining away about a year. Sister Mayfield was the mother of seven children, five of whom survive her. They are: W. O. Mayfield, Jr., of Farmington; Mrs. John Cronin, of Salt Lake City; Mrs. Etta Bentz of Farmington; Calvin Mayfield of Garland, and Mrs. Heber Coles of Raymond, Canada. She has one sister, Mrs. D. E. Chaffin of Farmington, and a brother, Calvin Wilson of Ogden, still living.

The funeral was held at the Farmington meeting house March 1, 1907, Bishop Iverson of Salt Lake and L. C. Wilson being the principal speakers, both of whom testified of her noble character.

"Whoso is wise will observe these things"—Psalm, 107, 43.

"Judge, I'm heartily ashamed for you to see me with such aax, but I've tried them all—this is the third pair this week, 50c a pair, and look at them!"

"You certainly have not tried the 'MOUNTAIN LION' brand made exclusively in the United States, by the ENSIGN KNITTING CO., 30 and 32 Richards Street, Salt Lake City? My family as well as myself wear nothing else. I purchased four pairs at 25c per pair three months ago; no holes yet, and the Ensign makes even better hose than these!"

"My sister who used to suffer greatly from biliousness quit coffee and began to drink Postum Food Coffee two years ago. She never has bilious attacks any more. Like my husband, my father has found that his catarrh has disappeared since he gave up coffee and began to use Postum Food Coffee. He has also gained decidedly in flesh." ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

To Prove What the Great Kidney Remedy, Swamp-Root, Will Do for YOU, Every Reader of the Deseret News May Have a Sample Bottle Sent Absolutely Free by Mail.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

Didn't Know I Had Kidney Trouble.
"I was out of health, and run down generally, had no appetite, was dizzy and suffered with headache most of the time. I did not know that my kidneys were the cause of my trouble, but some day I felt they might be and I began taking Swamp-Root. There is such a pleasant taste to Swamp-Root, and it goes right to the spot and drives disease out of the system. It has cured me, making me stronger and better in every way, and I cheerfully recommend it to all sufferers."

Gratefully yours,
Mrs. A. L. Walker, 340 Boulevard Place, Atlanta, Ga.

Weak and unhealthy kidneys are responsible for many kinds of diseases, and if permitted to continue much suffering and many fatal results are sure to follow. Kidney trouble irritates the nerves, makes you dizzy, restless, sleepless and irritable. Makes you pass water often during the day and obliges you to get up many times during the night. Unhealthy kidneys cause rheumatism, gravel, catarrh of the bladder, pain or dull ache in the back, joints and muscles; make your head ache and back ache, cause indigestion, stomach and liver trouble, you get a sallow, yellow complexion, make you feel as though you had heart trouble; you may have plenty of ambition, but no strength, you get weak and waste away.

To overcome these troubles take Dr. Kilmer's Swamp-Root, the world-famous kidney remedy. In taking Swamp-Root you afford nature's perfect healer and gentle aid to the kidneys that has yet been discovered.

HOW TO FIND OUT.
If there is any doubt in your mind as to your condition, take from your urine on rising about four ounces, place it in a glass or bottle and let it stand twenty-four hours. If on examination it is milky or cloudy, if there is a brick-dust settling, or if small particles float in it, your kidneys are in need of immediate attention.

SPECIAL NOTICE.—So successful is Swamp-Root in promptly overcoming even the most distressing cases, that to prove its wonderful merits you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands of testimonial letters received from men and women who found Swamp-Root did just the remedy they needed. The value and success for a sample bottle.

In writing to Dr. Kilmer & Co., Binghamton, N. Y., be sure to say that you read this generous offer in the Salt Lake City Daily Deseret News. THE CHANGE OF LIFE

Sensible Advice to Women from Mrs. Henry Lee, Mrs. Fred Certia and Mrs. Pinkham.

MRS. HENRY LEE **MRS. FRED CERTIA**

Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms.

This is the most critical period of her whole existence and every woman who neglects the care of her health at this time invites disease and pain. When her system is in a deranged condition or she is predisposed to apoplexy or congestion of any organ, the tendency is at this period likely to become active and with a host of nervous irritations make life a burden. At this time also cancers and tumors are promptly incited by intelligent women who are approaching the period of life when this great change may be expected.

Mrs. Fred Certia, 1014 So. Lafayette Street, So. Bend, Ind., writes: "Dear Mrs. Pinkham:—After suffering and misery for three years during Change of Life I heard of Lydia E. Pinkham's Vegetable Compound and followed your advice, and today I am well and happy. I can now walk anywhere and work as well as anyone, and for years previous I had tried but could not get around without help. I consider your medicine a sovereign balm for suffering women."

Women passing through this critical period should rely upon Lydia E. Pinkham's Vegetable Compound. If there is anything about your case you don't understand write to Mrs. Pinkham, Lynn, Mass., for advice. It is free and has guided thousands to health.

When a medicine has been successful in restoring to health, actually thousands of women, you cannot well say without trying it, "I do not believe it will help me." It is your duty to yourself and family to try Lydia E. Pinkham's Vegetable Compound.
