The examination of Jules Lebarthe, the smelter expert, into the proposition of erecting a smelter in the vicinity of the Mason Valley mine, is now com- pleted, and he is on his way to Sau
of determining what kind of a is to be erected next spring. That mpany will erect a mill of some is certain, and Manager M. C. isays the dry process will in all bility be used, as that so far to have given the best results in xhaustive tests made by Mr. on Horn Sliver ores. By this d, which is in use at the United	UNLISTED STOCKS. U. T. Hill 08 .10 Tin. Stand	Francisco. For the past 10 days of more Mr. Lebarthe has been in the district in company with Mr. Gunn of the Gunn-Thompson firm, and Llew Humphries, of the engineering staff of the same company. They have not only looked into the resources of the Mason Valley mine, but have visited other properties in the district, and in general, sized up the whole situation.
Smelting company's plant, the ny expects to make a very profit- eparation of the lead and zinc- ores characterized as zinc ore, ich there is said to be hundreds usands of tons, running as high and 50 per cent. The average if course be much less, but it is t will probably not be below 20 or cent. The capacity of the suffi- bit be less than 200 tons a day it be less than 200 tons a day it	 72: 700 at 73; 100 at 74; 100 at 73 seller 10: 100 at 73 buyer 10. H. Abbot Titcomb, a mining engineer from London, Eng., with Mrs. Titcomb, is in the city on business. They are staying at the Knutsford.

Dan Simonson, one of the old resi-dents of the Osceola district in White Pine county, Nev., is in the city for a short time. He is heavily interested in the mines of that country. Mr. Si-monson is here for treatment and ex-pects to remain for several days.

Development work is to be instituted at once on the Ely-Verdi group of cop-per claims adjoining the ground owned by the Ely Consolidated Copper com-pany, according to Walter H. Whitmore of Goldfield, who is here to make the necessary arrangements.—Ely Exposi-tor tor.

tor. The assays of the samples of ore brought from the Hall group of claims near the Harrington-Hickory in Beaver county, were very satisfactory. One of the samples carries 20 ounces silver and 31 per cent lead. The ore, as stated in The News a few days ago, was encountered about 10 feet from the surface.

Reports from the east state that the pany the one used for taking over the other copper companies going into the combine, is now being worked out by those interested with the assistance of John Hays Hammond. The Utah Cop-per company will be made the holding company, it is said, as it is already listed on the New York exchange, and the companies going into the combi-nation are the Nevada Con., Boston Con and probably one or two others. Mr. Hammond is said to be thoroughly familiar with the physical condition of the properties mentioned and is therefore well qualified to act as in-termediary. At present nothing posi-tive is known regarding the price at which these companies are to go in, though it is stated positively that the Nevada Con. will not go in at less than 2 to 1.

LEGAL BLANKS. Of every character and description arranged from the best legal forms and brought strictly up to date. A full supply always on hand at the Descret News Book Store.

D. Austin Brown of Boston and A. G. Burrit of Salt Lake, both interested in the Black Horse district, arrived last night for a few days in the district. They will pay a visit of inspection'to the Blackhorse property before long. Mr. Brown has just come from the east, and says that a great deal is heard of Ely district in Boston and the surrounding country. He believes that the coming year is going to be the greatest for copper in the history of the red metal.—White Pine News.

At the annual meeting of the formed al-metal-White Pine News. At the annual meeting of the Scott Mines company held in this city yes-terday the following officers were elected: C. C. Parsons, president; E. Godbe, vice president; R. Van Buggenhoudt, secertary and treasur-er; A. L. Hoppaugh, R. J. Graham, Ed Thomarson, H. Frank Cary complete the directorate. The company owns the Boston and Pioche mine in the Pioche district, which has been de-veloped extensively to the 800 level. C. C. Parsons, attorney for the Newhouse companies, says that the policy of the new management will be to actively develop the property, which was closed down some time ago as the result of a break between A. W. Scott and oth-er large interests.
