**SLIGHT ODDS.**

A Little Story with a Large Moral—One Man Who knew his own Business

"No, my dear," said the venerable keeper of a country store to a timid little girl whose head scarcely came up to the level of the counter. "No, my dear, we haven't any red flannel, but we have some first rate New Orleans molasses." Softly hinting that she didn't think that would answer the purpose quite as well, the child went her way in search of the article she wanted.  
"Have you BENSON'S CAPCINE PLASTER?" asked a gentleman of a certain druggist whose name could be given were it desired. "I am troubled just now with a touch of my old friend, the lumbago, and the Benson's Plaster seems to go to the spot almost as soon as it touches the skin."  
"Not at present," replied the druggist, genially "but we have lots of plaster, just as good. There is Alcock's, the Capelin and others—won't one of them do as well?"  
"My dear sir," retorted the gentleman, with a slight show of temper. "I say nothing against those articles, but I am a business man, and always ask for precisely what I want, and for nothing else. I may enlighten you, however, when I say that sometime ago, for another disease, of which the Capcine has since cured me, I tried all those you mention, with no appreciable benefit. They are inefficient, every one of them, the meanest sort of the proprietors of some of them being this: that they make plasters with similar sounding names to deceive the unwary into believing they are the same thing. Expedience taught me the difference. I'll go to the next man in your line. Good day."  
Be on your guard against imitations. The genuine has the word CAPCINE cut plainly in the middle of the plaster. All others are impositions.

**HALL'S Vegetable Sicilian HAIR RENEWER**

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

**PRICKLY ASH BITTERS**  
The majority of the ills of the human body arise from a derangement of the Liver, affecting both the stomach and bowels. In order to effect a cure, it is necessary to remove the cause. Irregular and sluggish action of the Bowels, Headache, Sickness at the Stomach, Pain in the Back and Loins, etc., indicate that the Liver is at fault, and that nature requires assistance to enable this organ to throw off impurities.

**Prickly Ash Bitters are especially compounded for this purpose.** They are mild in their action and effective as a cure; are pleasant to the taste and taken easily by both children and adults. Taken according to directions, they are a safe and pleasant cure for Dyspepsia, General Debility, Habitual Constipation, Diseased Kidneys, etc., etc. As a Blood Purifier they are superior to any other medicine, cleansing the system thoroughly, and imparting new life and energy to the invalid. It is a medicine and not an intoxicating beverage.  
ASK YOUR DRUGGIST FOR PRICKLY ASH BITTERS, and take no other. PRICE, \$1.00 per Bottle.

CHAPTER I.  
Ask any or all of the most eminent physicians:  
"What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs; such as Bright's disease, diabetes, retention or inability to retain urine, and all the diseases and ailments peculiar to Women?"  
"And they will tell you explicitly and emphatically "Buchu."  
Ask the same physicians:  
"What is the most reliable and surest cure for all liver diseases or dyspepsia; constipation, indigestion, biliousness, malarial fever, ague, &c." and they will tell you: "Mandrake or Dandelion!"

**DESCRIPTION OF THE STEEL ENGRAVING,**  
**"THE THREE WITNESSES."**

This steel engraving, which we have had prepared by the celebrated firm of Hall & Sons, New York, is among the finest works of the engraver's art ever turned out by them.

It is a group in which are arranged PORTRAITS of the distinguished men, OLIVER COWDERY, DAVID WHITMER, and MARTIN HARRIS, who were chosen to see the ANGEL OF THE LORD, and bear witness to the translation of the BOOK OF MORMON. The Portraits have been procured, by the assistance of President JOSEPH F. SMITH and Elder JAS. H. HART, with great difficulty and expense, from the only original likenesses extant. The plate also contains a beautiful VIEW OF THE HILL CUMORAH, from a valuable photograph loaned by Hon. F. D. RICHARDS, showing where the plates were deposited. It is embellished with artistic representations of the ANGEL OF THE RESTORATION (Rev. xiv: 6), and of the ANGEL MORONI, showing the plates to the Witnesses, prepared from elegant designs drawn, under the direction of the Publisher, by Wm. Armistage, Esq. The symbolical union of the STICKS OF JOSEPH AND JUDAH is also represented in the engraving.

No care or expense has been spared to make this a reliable souvenir of the characters and scenes it represents; the Publisher feeling assured that he was doing a service to the public in rescuing from oblivion and probable destruction the likenesses and autographs of such prominent and honored men as THE THREE WITNESSES.

The engraving will appear in the October CONTRIBUTOR, and will also be for sale, handsomely mounted and framed.
