CITY WATERWORKS AGAIN.

Third Ward Alive-Lectures Before Joint Sessions-Mud in Pien y.

Special Correspondence.

Spanish Fork, March 14 .- Our waterworks are still undergoing construction. To those who are anxious for the water it seems to be going along quite slow, especially as the late city administration promised them by Christmas. But the mayor has returned from his bus. iness trip south and now proposes to put the work through with all the ability and vim of which he is possessed, and it is said that when he has a mind to he is the one to accomplish some. thing.

THIRD WARD TO THE FRONT.

The Third ward of Spanish Fork is coming to the front. They say that the Third ward shall be second to none in the Nebo stake. The meetinghouse is situated on a lot 12x12 rods, but it has been unenclosed. Last week the Bishop made a call on the ward to contribute for, and put up a fence, the fence to be of square pickets. The sis-ters were to see to collecting the cash to purchase the material, and the formed. The sisters did their part, and last Saturday was the time set for the fence to go up. The ward turned out. Dinner was prepared at the meeting-house, and by night the fence was com. pleted, a first-class picket fence.

CONJOINT SESSION.

Sunday evening conjoint of the Young people's improvement societies was held in the several wards of Spanish Fork.

Our citizens have found it necessary to incorporate the town, the ordinances going into effect on the 22nd of February last. There were some complaints made by those who had woodpiles, wagons, machinery, etc., on the street, which had to be moved. The ordinance required that and gates be made selfclosing or to swing inside. There is already a marked improvement in the appearance of the town.

MINERSVILLE.

An Aged Lady Honored-A Musical Feast Tendered.

Minersville, Utah, March 12 .- Mrs. Martha Myers, relict of the late William Myers reached her 90th birthday yesterday, which event was celebrated by a gathering of friends and relatives who assembled to pay their respects to the aged lady. A veritable feast of good things was partaken of, first in the way of a number of songs, speeches and testimonies, after which a bounteous spread of good things to eat was enjoyed by those assembled. The honored lady is severely afflicted, having been blind for 11 years, and so deaf that it is with difficulty that conversation can be had with her. Her mental fa-cilities, however, are unimpaired, and she was able to address those present, bearing a strong testimony to the truth of the Gospel revealed by Joseph Smith. Mrs. Myers is the oldest person in the Beaver county.

A rare treat was given the people of Minersville, last night by the choir of the Beaver branch of the B. Y. A., which came down in force, under the direction of Professor Alfred M. Durham, accompanied by Principal Andrew B. Anderson. The entertainment was free to all and pleased the large audience immensely, the program was as follows:
