WARRANTEE DEEDS — most approved form, Quit Claim Deeds, Mining Deeds, Townsite Deeds, Leases, Official Bonds, Incorporation Bonds, and other Blanks for sale at this News Office.

By Telegraph.

All Quiet—Released—Drought.

MONTGOMERY, Ala., 10.—The reports from Sumter are that all is quiet.

Sheriff Williamson and Coleman, the latter colored, have been released by the U. S. commissioner.

The drought in this portion of Alabama continues. It has cut off the cotton crop about one-third, and ruined the potatoe and turnip crops. There have been no good rains for nearly three months.

Deputy Marshals Appointed.

Gen. R. W. Healy, U. S. marshal for Ala., has appointed some dozen or more deputy marshals upon the recommendation of Chas. E. Mager, chairman of the republican executive committee of this State; the deputies have been appointed in the negro counties, and are all republicans.

Failed.

ST. LOUIS, 10.—It is announced that the tea house of Brock, Rogers & Co., of this city, has suspended, and that the store is in the hands of the sheriff. The principal creditors are eastern and San Francisco tea dealers.

Judges of Election Indicted.

RICHMOND, 10.—In the United States Circuit Court to-day, the grand jury indicted two more of the judges of election in Petersburg, for violating the enforcement acts; this makes sixteen Petersburg judges that have been indicted.

How to Pacify the South.

WASHINGTON, 10.—A letter addressed to the President by a prominent conservative politician in Mississippi, argues that the only way to restore peace and prosperity to the South is for Congress to pass an act to pay for the quarter-master and commissary stores taken by the Union army in the South during the war, and to refund the cotton tax; the letter has been referred to the Attorney General.

Railway Mail Service.

Col. Tom Scott, president of the Penna. railroad, and Hinckley, president of the Philadelphia, Wilmington & Baltimore R. R., had a three hours conference with Postmaster General Jewell to day, in regard to the disputed question of compensation for the railway mail service. General Bangs, superintendent of this branch of the postal service, also took part in the informal discussion. It is now confidently believed that all matters at issue will be amicably and satisfactorily arranged without further serious difficulty. The railway presidents will embody their views in writing for the consideration of the department, and in the meanwhile Col. Scott assures the Postmaster General that he will do everything in his power to secure rapid transit for the mails, and for increased facilities for the postal car service.

Appointed Comptroller.

The commissioners of the District of Columbia have appointed Fitzhugh Coyle comptroller, *vice* Geo. E. Baker resigned. Coyle is a native of Washington, and president of the National Bank of the Republic.

White Leaguers—Arms, &c., not Returned—Registration.

NEW ORLEANS, 10.—The appearance of a squad of twenty armed White Leaguers on Canal street last night, was officially reported to the Governor, military authorities and Marshal Packard by the chief of police.

The Adjutant of the State military service reports a list of arms, belonging to the State, captured in the operations of September fourteenth and following days, which have not been returned to the State, or surrendered to the U. S. forces as directed by the President's proclamation; the list embraces two twelve pound howitzers, 1682 improved small arms, 1500 bayonets, eighty-five swords and a large quantity of ammunition, uniforms and accoutrements. In place of these arms the Adjutant General states that the authorities have been put in possession of a quantity of comparatively worthless and damaged Belgian rifles, believed to belong to citizens of New Orleans. These communications have been transmitted to General Emory.

Registration is progressing quietly; it closes October 23, as prescribed by law. E. Howard McCaleb has succeeded E. A. Burke on the advisory board. Packard's successor is not yet named.

Propositions Accepted—Left for Nashville.

To-morrow the *Picayune* will contain a specific and duly authorized offer on the part of the fusionists, to accept a proposition made by Governor Kellogg in his address, viz: to test the question of the Louisiana State government, by the canvass of the actual returns, and all parties to abide by the result; these returns are in the custody of the McEnery party, and can be produced and authenticated at any time.

Gen. G. Pennypacker, for some time past commanding the U. S. troops in this city, left last evening, under orders to resume his post at Nashville.

WESTERN.

Two Suicides.

SAN FRANCISCO, 10.—Claus F. Ehlers, of the firm of Ehlers & Brant, of this city, committed suicide to-day at Oakland; he shot himself through the head.

T. B. Marcey, an old man well known here, shot himself on Washington Street, and died this afternoon.

SOUTH AMERICA.

The Revolution.

BUENOS AYRES, 10.—The revolutionists under Rivas are still encamped near this city. The government troops occupy Moreau. A great movement is expected on the 12th inst., when Avellaneda will assume the presidency. The insurgent gunboat *Parana*, while being pursued by a government squadron, put into Monte Video, but was ordered to quit that port immediately.

Last Night's Dispatches.

EASTERN.

Fatal Shooting Affray—Killed.

NEW ORLEANS, 11.—A shooting affray between Lucas Fanconi and B. Ambromovich, resulted in the death of Fanconi.

Charles Pollard, a fireman, was killed last night by being thrown from a truck, the wheels of which passed over his body.

A Murderer Murdered—The People Arming.

BROWNSVILLE, Texas, 11. The notorious murderer Francisco Parez was fatally stabbed by a hack driver last night.

A band headed by General Cortina is organizing to cross the frontier into Texas, to overpower the guards stationed on the line and to pillage and murder the inhabitants; the people are arming to oppose them.

New Head of Fire Department—Petition for Delay.

CHICAGO, 11.—It has been definitely ascertained that General Shaler of New York, will accept the position of general supervision of the Chicago fire department. A request signed by all the board of fire commissioners, and by Mr. Benner, the present head of the department, has been sent to him. He will displace no one, but will occupy the position of supervisor, with a salary of $10,000 per annum, raised by private subscription.

A petition has been forwarded to the general convention of the Protestant Episcopal Church now sitting in New York, which, it is claimed, is signed by a majority of the members of the diocese of Illinois, asking for delay in the confirmation of Bishop Seymour as bishop of that diocese; the minority have also sent a request that the confirmation take place as appointed.

Business Before the Supreme Court.

WASHINGTON, 11.—In addition to the cases involving the constitutionality of the Wisconsin railroad law, and the Grant pariah, Louisiana cases, which involve the constitutionality of the Ku-Klux law, there will come before the Supreme Court this term, a case to be certified from the Supreme Court of California, involving the constitutionality of the law of that State prohibiting the landing of Chinese women, brought to the U. S. for immoral purposes; all these cases will, undoubtedly, in consideration of their great public importance, be advanced on the docket.

Murdered or Abducted.

LOUISVILLE, 11.—A special to the *Courier Journal* says that Dr. J. M. Botts, a prominent physician in Woodford county, has been missing since Wednesday, and it is feared he has been either murdered or abducted; he was called to see a patient in the country, and the last heard of him was when in the company of a party of men riding rapidly by a house in the country. He left his pocket book at home, and his bank account untouched. He is also a clergyman in the Methodist church, and his disappearance creates great excitement in the county.

Funeral of Mark Smith—Cuban Anniversary.

NEW YORK, 11.—The funeral services of Mark Smith the actor were held this afternoon, at the little church round the corner; the church was thronged. Dr. Houghton read the funeral services of the P. E. Church. The pall bearers included John Fisher, Lester Wallack, Whitelaw Reid, A. Oakey Hall, Henry Sedley, H. D. Palmer, Douglas Taylor and Wm. Winter. The remains were taken to Greenwood.

The Cubans of this city celebrated the 6th anniversary of the proclamation of the Cuban Republic to-day, with appropriate religious services.

Critical State of Affairs in New Orleans, &c.

The *Herald's* New Orleans special says the situation is very critical. Kellogg is still guarded at the State House by police and military. The White Leaguers are defiant, and continue demonstrations nightly. Fifteen thousand negroes have entered the upper parishes of Louisiana from Tennessee, Mississippi and Alabama, to register as voters. Madison parish, formerly equally divided, is now said to register a hundred whites against twenty-three hundred blacks. It is explained that there is much emigration from Tennessee, owing to the terror created by the recent massacre. The correspondent believes that this large influx of republican voters will carry the State for Kellogg in the next election.

The *Times'* special at New Orleans says that at an early hour on Saturday morning a number of negroes were creating a disturbance in an upper ward; three or four patrols were unable to stop the fight and gladly availed themselves of the assistance of a company of the White League, offered by Col. Angell, and the negroes were easily dispersed and quiet restored.

The *Tribune's* Boston special says the Rev. W. H. H. Murray, of the Park Street Congregational Church, to-night, read a letter to the congregation tendering his resignation as their pastor, and asking that it be accepted, to take effect on the 12th of November, at the 6th anniversary of his pastorate. The alleged reason for this resignation is the failure of the church to provide an assistant for him, and secondly, the extended boundaries of the parish.

Political Excitement.

CHARLESTON, S. C., 11.—Reports from the interior show that excitement concerning the gubernatorial canvass runs high. Governor Moses has taken the stump for Chamberlain. Yesterday Chamberlain, Moses, and the colored congressman, Elliott, went to Sumter, the home of Moses, where Judge Green, the independent republican candidate, also resides and has a great personal popularity. A mass meeting of the colored republicans of the county was called, but they refused to hear either Chamberlain, Moses or Elliot, drowning their voices with cheers for Green. An independent republican meeting was organized and was addressed by several local speakers in denunciation of the Chamberlain-Moses party, who returned to Columbia indignant at being refused a hearing.

MEXICO.

Wants Re-election.

CITY OF MEXICO, 11.—It is said that President Diedo desires re-election; this may have serious consequences. In the last presidential campaign a pledge was put forward that the president would not ask for re-election, and on this account he was supported by his party. The debates in Congress of late have been very exciting and even disorderly.
