CONGREGATION OF THE DESERT FOR THE ENSIGN STAKE

Convened in the Assembly Hall Yesterday Morning—An Interesting Meeting.

GOOD ADVICE WAS GIVEN.

People Urged to Attend Conferences—Work of the Relief Society—Care of the Poor.

Quarterly conference of the Ensign stake convened in the Assembly hall Sunday morning, the meeting being presided over by President Richard W. Young and his counselors, Joseph S. Wells and John M. Knight. Among those present were President John R. Winder of the First Presidency, Elders John Henry Smith, George Teasdale and Rudger Clawson of the quorum of apostles, Seymour B. Young of the first council of seventy, and Andrew Jensen, one of the assistant Church historians.

Meeting commenced at 10:30 a. m., with a reading of a selection entitled "Truth reflects upon our senses," by a quartet composed of Elders George D. Peyer, Horace G. Wilkley, Horace S. Ensign and John D. Spencer. The opening prayer was offered by Elder Seymour B. Young, after which the quartet sang "Abide with me."

In behalf of the stake presidency, Joseph Wells welcomed those present, and exhorted them to continue to make it a rule of their lives to attend these quarterly conference meetings and use their influence with others to bring about the same.

He reported that the presidency and high council of the stake were actively engaged in looking after the various interests of the stake, as they were divided into committees to visit among the various auxiliary organizations and quorums of the stake, and their regular weekly meetings, reports were given on their labors and such other business transacted as was necessary to bring before them.

He then turned to the sisters of the Relief societies for the work they were accomplishing. He reminded the people of this being the season of the year when we should remember the poor and needy among us, and that those who are blessed with plenty should be generous in their contributions, that the less fortunate than themselves might be made comfortable and enjoy the blessing of the Lord as promised.

He felt to point with pride to the record of this stake in the past year, and to the payment of tithes, and admonished the saints to continue in their faithful observance of this law of the gospel that they might be partakers of the blessing of the Lord as promised.

He stated that it had been thought advisable to organize a separate quorum of elders for each ward in the stake, wherever there were enough of them to support such a quorum. And with this end in view there would in the near future be two more quorums of elders organized, so that there would be a quorum in each of the wards.

He called attention to special conferences to be held in each ward, and arranged for by those in charge of the Mutual Improvement work of the stake on subjects especially profitable and interesting to the members of the stake. He also recommended to the patronage of the people the lectures which were to be given during the coming winter under the auspices of the Mutual Improvement work of this city.

Counselor John M. Knight then presented to the congregation the general Church authorities and stake officers, all of whom were sustained by the unanimous vote of those assembled.

Elder Horace S. Ensign then rendered the solo entitled, "The Lord's Prayer." President Young spoke of the reputation of the Ensign stake, and responded to our musical attainments, and urged that we support the singing classes now being conducted by Prof. Evan Stephens by sending our children to them when they are called to do so.

In the matter of choosing officers for the various auxiliary organizations, President Young suggested that in all cases the same should be done with the bishops of the wards, and that the bishops of the wards consult with the stake boards. And in this connection it was suggested that whenever the stake boards fill the stake boards address a communication to the presidency of the stake and they would in turn take the matter up with the bishop of the ward in the same manner the proper order would be preserved.

Elder Andrew Jensen, one of the assistant historians of the Church called attention to the system now being in vogue throughout the Church whereby every record will be catalogued so that they may be referred to at any time desired and information readily obtained when necessary. It was therefore desired that a meeting be held with the bishops of each ward in this stake and all those connected with the keeping of the various records with the bishops of the wards, so that the records might be examined and properly labeled, and such instructions given with regard to their proper keeping as may be necessary.

Call meetings in the various wards for this purpose as follows, to convene in the evening at 7 o'clock: Eleventh ward, December 17. Twelfth ward, December 18. Thirteenth ward, December 19. Fourteenth ward, December 20. Fifteenth ward, December 21. Sixteenth ward, December 22. Seventeenth ward, some evening when convenient the week following the above dates.

Margaret A. Romney, stake president called attention to the great and important work required of these organizations. She expressed her appreciation of the support they receive from the presidency of this stake and the bishops of the various wards. She spoke of the diversified labors being performed by the members of these societies, both of a temporal and a spiritual character.

In connection with the administering to the wants of the poor and needy among us the relief societies were doing a great work, and she pointed out that it was not only our duty to attend our hearts to the exercising of charity for the poor but we must open our purses also, and she asked for generous contributions from those who are able to give to assist in this worthy cause.

Elder George Teasdale of the quorum of apostles spoke of the dependence of the Church upon its membership, and also stated that the progress we make as a Church depended upon the faithfulness of its members.

He pointed out the absolute necessity of living in accordance with our testimony, and thereby fit and prepare ourselves to receive and partake of the blessings it is our privilege to enjoy. He spoke of the great importance attaching to membership in the true Church of Christ, and of the high value we should place upon our standing therein, and

DEATH OF SETH CHAMBERS.

Much Sympathy and Interest Shown By Classmates and Friends.

An unusual degree of sympathy and interest was manifested in the sickness and death of Seth Chambers, a young man from Smithland, Utah, who was studying at the Chicago College of Dental Surgery, when he died.

On Monday, Dec. 3 funeral services were held in an undertaker's chapel, and a large number of the deceased attended in a body. They showed for their departed fellow student a degree of respect and admiration that was surprising and gratified his Utah friends. The casket was buried in a rich and lovely profusion of floral emblems provided by his friends.

Dr. Watt, an instructor of the class, and President German E. Ellsworth of the Northern States mission were present. The singing was by a quartet of missionaries. The remains were embalmed and shipped to the home of the deceased for burial.

Deceased had greatly endeared himself to the saints and Elders in Chicago, and was a thorough Latter-day Saint. His class adopted the following resolutions, the signatures being those of all the officers of the class: "Resolved, that we, the members of the class '06 Chicago College of Dental Surgery, do hereby extend our sympathy to himself the warm friendship, respect, and admiration of the class and all those with whom he came in contact, and that by his kindly cheering ways in his daily contact with those about him, pointed constantly to higher ideals and practices of life."

"Resolved, that a copy of these resolutions be spread upon the minutes of our class, and that they be read to our parents, and a copy sent to the Deseret News for publication."

A HOME MADE HAPPY BY CHAMBERLAIN'S COUGH REMEDY. About two months ago our baby girl had measles which settled on her lungs and at the result she had a severe case of bronchitis. We had two doctors but no relief was obtained. Everybody thought it would die. I went to night doctors to find a certain remedy, and I had been recommended to me and failed to get it, when one of the storekeepers said that I try Chamberlain's Cough Remedy. I bought it and our baby is alive and well today. Geo. W. Spencer, Holly Springs, N. C. It is cheap and pleasant and safe to take. For sale by all druggists.
