if I had offended the laws of my country I would stand a trial. If the train had been going back to New York, I should have taken a passage in it, but as the train was going to Montreal I proceeded." unsettled state, and the report was Mrs. Marsh being interrogated as purposes in a row of shade trees? of a confidential character; the to the way she went to Montreal, Government had deferred to the

said she saw in a morning paper that her husband had jumped off the train; she followed next morning, fearful that he bad injured himself. Mr. and Mrs. Marsh then left the room Alvin C. Leighton, Jas. Leighton, and Seth Arnold, post traders

were examined, and their statements clicited a statement that General Hendrick received large sums for obtaining one of the ap-pointments; that three hundred dollars a month was paid to O. Grant, and \$100 was contributed for electioneering purposes.

J. H. Hammer testified that he

obtained the appointment of post trader at Fort Gibson at the request of ex-Senator McDonald, of Ark., who asked for it as a personal favor; the witness paid no money what ever for the appointment, but had been assessed, and he paid one hun dred to the republican executive committee at Washington. He had no partners.

A recess was taken. Counterfelters Arrested.

PHILADELPHIA, 24.—Last night haid before the Senate the House bill in relation to political contributions. Dayis suggested that the herchants' National Bank of bill be sent to the committee on the New Bedford, Mass., had been put in circulation during the afternoon and evening; three men, named Noles, Harrison, and Patterson, were arrested; they had a hearing to-day, and were committed for further investigation to-morrow.

CREAT BRITAIN Panie on Change.

LONDON, 24.-There has been a panie and a decline of from 5 to 74 in Egyptian securities to-day, in consequence of Disraeli's statement n the House of Commons, last night, that the Khedive desired that Cave's report should not be published, because Egyptian finanses were in an unsettled state, and that the report was of a confidential character. Government securities were generally weaker, probably in sympathy, though some at tributed the fact to Disraell's explanation last evening during the debate on the Queen's title bill, that Russia's conquest of Tartary is well known throughout India, and tee on the expenditures of the War the Queen's assumption of the Department to-day, accompanied title of Empress of India would be by her husband. She was sworn received as a sign of our determina-
