In one instance the physicians in any of the covenants herein con- wards taken ill, and on returning home his condition was such that a physician was sent for. His symptoms indicated poisoning, but proper treatment soon placed him out of danger.

Police Items. -

In the Pelice Court today Wm. Gritton was fined \$5 for obstructing the sidewalk.

Fourth-To pay and discharge all costs and attorney's fees and ex-B. G. Fox was acquitted of the charge of drunkenness. Jerry Sullivan and Joseph Ashton, for being drunk and profane, were fined In witness whereof, the said parties \$10 each George McDonald and N. D. Crandall, for drunkenness, were assessed \$5 eaca.

John Fox is under arrest for maintaining a nuisance.

"Alvin Joslin." The Vermont farmer, in the hands

of Charles L. Davis, is a pretty well known theatrical figure; but even if he were not, the piece has been sufficiently advertised to make everybody familiar with him and his ways. It is a rather expen-On this 21st day of November, sively equipped organization, traveling as it does with a full dramatic company, an extravagantly appointed band and orchestra, elaborate scenery, oceans of printing, etc. That the house will be well filled is beyond conjecture, especially in view of the

fact that the rural hero retires from our gaze after the present season. "One of the Old Stock" takes his place next year.

Plain City.

f the greatest Holcomb, Bell & Co. F. M. McBride, cities built by the Buddhists in the east should have been forgotten and lost in the depths of a trackless forest for 1,000 years is a fact that lays a powerful hold on the imagination. Readers of Mr. Ferguson and Sir Em-erson Tennent have heard something of the architectural wonders of An-uradhapura, the ancient "city of granite," in the island of Ceylon, and of the unparalleled immunity of its structures and rich monumental remains from the ravages of the spoiler

Poison Taken Accidentally.

and the religious fanatic. Since they wrote great progress has been made in the way of clearing the jungle. Mr. Burrows, who has lately visited the city, gives in Macmillan's Magazine a remarkable account of the progress made in local arctwological researches since this marvelous record boy named picked up a bottle and took of the past was accidentally re-discovered. The ruins at present dis-closed are described as already ex-tending for a distance of at least four miles by two and a half. The wonderful Cingalese palace, supposed to have been built about the commencement of the Christian era, of which Mr. Burrows gives an elaborate description was discovered only last year. So far the clearings and excavations are stated to yield results which entirely agree with the most authentic account extant from an eye witness of ancient Anuradhapura-the Chinese traveler,

Fa Hian, who visited it in the early part of the fifth century .- Chickge Times.

AN EFFECTIVE HYPHEN. — Miss D'Hocquetonville—No, it is impossible sir. I never can be your wife. Smith-I have youth, wealth, social standing, and I love you

Miss D'Hecquetonville (shuddering) But your name! Smith-Ab, remember! I am of the Stuyvesant-Von Ripper-Van Rensse-laer - Roosevelt - Conger - Schuyler-

Miss D'Hocquetonville—Henry, I re-lent! I am yours! But please always write your name with a hyphen.

Although paper glass windows may seem to be a contradiction in terms, they are really an accomplished fact. A window pane is made of white paper, manufactured from cottom or linen, and modified by chemical action. Afterward the paper is dipped into a preparation of campbor and alcohol. which makes it like parchment. From this point it can be molded and cut into remarkably tough sheets, entirely transparent, and it can be dyed with imost the whole of the analine colors the result being a transparent shee showing far more vivid hues than the

Farmer (with alacrity)-Why,cert'ly, jump right in. I'll do it gladly.
