

CRITICAL ANALYSIS. Ladies' and Gents' University of Deserry, Salt Lake City, June 8th, 1887. WATCHES and JEWELRY By carefully examining DeLand's Chemical Baking Powder with the microscope and with chemical reagents, I find that it is free from Alum, Starch, Flour, Bone Ash, Ammonia and White Earth; and that it consists essentially of Cream of Tartar and Bi-Carbonate of Soda.

The Baking Powder examined I purchased at Barnes & Davis, in this city.

boy named Adams found himself in the remote and before undiscovered petrified forests of Arlzona. As soon as he was able he made his way back and straight to the governor of Arizona to tell him of the wonders he had found. His story was langued at.

"Very well," said the cowboy, "if my story is not true, I'll bear all the expenses of the journey there and back."

Is the Oriental salutation knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED. As a general family remedy for Dyspensia Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.
