them to be a virtuous people. . URIEL.

THOUGHTS ON THE PRESENT SITUATION. September 10, 1885.

BLAKE, EMERY CO., Sept. 7, 1885.

monism," and is therefore better able ness," the would fain conceal. But actions speak would fain conceai. But actions speak louder than words, hence the wisdom in the expression, "BY THEIR FRUITS YE SHALL KNOW THEM." The sadly corrupt state of society than in the revelations lately than in the revelations lately to appreciate the force of your late curtain

has never been made more approached by saying "if in the world only we have sale cure, renowned world as a maker of made in the public prints, both at hope we are of all men most likely to world as a maker of be disappointed." But do we not all, that have been gathered from the na-

home and abroad. While all seem to be perfectly con-vinced that such a horrible state of so-clety exists, still they seem more shocked and angered that it should be shocked and angered that it should be tagonism to us? Did we not proclaim to them that their entire systems of to them that their entire systems of Is it not an evidence of the corrupt government, fitancial, commercial, state of society when a demand is monarchial, religio-monocratical and made by so-called educated and intelfinally the oppression of majorities

This is done in a so-called Christian harlotry, and abomination, fall to rise sential is a collection of pretty pebbles, looks liste it. Magne This is done in a so-called thristian inflorty, and aboundation, failed to a solution of a solution of all civil law. An eminent jurist (Blackstone) has declared that no law could be consti-tutional that was in conflict with the solution of all civil law. Bible. I do not presume that this should be alarmed, and place them-mation, but where Christianly holds sible its progress? This is done in a solution of all civil law. An eminent jurist (Blackstone) has declared that no law could be consti-tutional that was in conflict with the should be alarmed, and place them-mation, but where Christianly holds sible its progress? The fully progress of man it will come small, parties busily engaged in the

nation, but where Christianity holds sway this is presumable. MARRIAGE IS HONORABLE In all and the bed undefiled," saith the scriptures and the Savior said: THave ye not read, that he which made them at the beginning, made them male and female? And said, For this cause shall a man leave father and mother and shall cleave to his wife: mother, and shall cleave to his wife; personal suffering, exertion, privation, work and they twain shall be one flesh. Wherefore they are no more twain, but one flesh. What therefore God hath inconvenience and perhaps sorrow?

and they twain shall be one flesh. If Convenience and perhaps sorrow? Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put as-joined together, let not man put as-joined together, let not man put as-joined together, let not man put as-people or we would not be compelled to witness the outrages of to-day. Men and women marry because they love each other; not only to fulfil the commandment but because they bave drunkards, criminals and moles of the preservation of the flatters of the dispensation of the fulless of times," can we expect other than that it will be the fulless of times, of which no former age has fur-nished a complete parallel? But though politically killed, from the exercised by negroes, been placed the arranged in the pebbles have been placed the arranged in the prettiest joined together, let not man put as-under." But unfortunately His words have very little influence with some people or we would not be compelled commandment, but because they have drunkards, criminals and mobs, of

a superior affection for each other-desire to become companions and pre-fer each other. They have more hap-piness in each other's society and desire to become one in holy matri-mony. This is proper, and is the re-suit of pure affection. Where this exists and is reciprocal; it is impossi-ble to senarate them it is the result of electing the men of their choice for office, they have yet the privilege of being true to the holicst of causes, and having faith in the most glorious of promises romises. Has not the Prophet Daniel said, that "the Saints should take the Kingdom, and possess it under the whole Heaven?

le to separate them, it is the result of And are they prepared to receive the their own peculiar identity that they are mutually attracted and drawn to each other; and I don't know that it is anybody else's business; it is peculiar-"Then let the trial come "are heach and Where this pure affection has existen Then let the trial come." as Joseph said.

"And witness thou, if terror be upon no men and women have been known to give up all their former relationships, to leave, and even become outcasts, If I shrink to meet the storm When hardest it beset me. to leave, and even become outcasts, parents and relatives frequently leav-ing homes of ease, refinement and wealth, to share toil and comparative poverty associated with those whom they love. This, arising from the af-fections, is generally conceded to be four the be-they love is generally conceded to be But lo, in the time of Abraham's

THE ONLY SINGLE LEVER SULKY PLOW MADE

## CHILLED PLOWS AND HORSE HAY RAKES.

-: 0: ----

In addition to the above goods, we sell the Peerless Reapers and Mowers, California Concord Harness, Buffalo Barbed Wire, also a great variety of Farm and Garden Hand implements, consisting of Rakes, Forks, Hoes, Lawn-Mowers, etc., etc.

The Mitchell Farm and Spring Wagons and Road Carts are manu-factured expressly for the Utah, idano and Montana trade, of the very best instrumation that money can buy and under the superintendency of Henry Mit-chell, a practical wagon manufacturer of over fifty years experience. We per-sonally constantee that they are first class in all respects, and second to none in the market. the market.

ness by their, vindictiveness against those who love the truth. The gentlemen who are imprisoned because they will not disnonor them-The Walter A Wood's Harvesting Machines are absolutely unequalled for strength, Durability, Easy Running and Simplicity. Read the following record of machines made and sold by the Wood Company i. e • 1880-27,993; 1881, 49,413; 1882, 41,226, 1883, 45,032; 1884, 48,315; nothing but the superiority of the machines could possibly cause such extensive and constantly increasing sales. The above figures speak louder words of praise than anything we could possibly say. They have enlarged their factory so as to be able to fill increased scients for 1885. selves by giving up their wives prove the

Inc John Deere Plows have a world-wide reputation for excellence the fact that Deere & Co have the *largest* steel plow manufactory in the *world* is sufficient guaranty of the superiority of the goods they manufacture.

Russell & Co's Threshers, Engines and Saw Mills, are fast taking the load, and in the near future will stand without a rival A person that has ever used a Massillon Thresher will never use any other. Every Machine we have sold has given the most perfect satisfaction.

The Gilpin Sulky Plow is the only single lever sulky plow made. The "Gilpin" to-day stands without a rival for strength, lightness of draught, simplicity and quality of work No person having any regard for horse flesh will purchase any other sulky plow after using the one-lever Gilpin. "Gilpin" to-day stands without a rival for strength, lightness of draught. simplicity and quality of work No person having any regard for horse flesh will purchase any other sulky plow after using the one-lever Gilpin. The Gale Manufacturing Company spare no expense to make their folky Rake superior to any in the market. Call and examine their goods, and be convinced of the superiority of their Rakes also of their Chilled Plows.

DESERET NEWS COMPANY,

actions, is generally conceded to be nation must. If God has dictated hovement, then let us trust in Him. natural. loved Apostle John. But is it not a rascally movement on

POWER OF THE AFFECTIONS.

the part of the leading operators? Dose not the whole world follow, wherever THE AFFECTIONS ARE ETERNAL. To love and to be beloved, to have our affection reciprocated, is indeed hap-piness. It nerves us to fight the battle of life, we have something more to live for, it lightens labor, happiles the home, cohances the soul, inspires to good deeds and noble conduct, creat-ing a heaven in very humble cottages as well as in homes of ease and plenty. In the eternal fitness of things, every thing has its opposite. Affection is the gold. Passion is the dross, they are frequently mistaken for each other al-tiong they are very different. The affections refine: the passions debase. The affections are eternal, productive of true happiness. The passions gratify, but are of the earth earthy, and are very uncertain and changeable. Affection produces peace and content-To love and to be beloved, to have our the devil wags his venal tall und

and are very uncertain and changeable. Affection produces peace and content-ment; passion uneasiness, turmoil and discontent. Affection frames a union that cannot be severed; passion a union like a rope of sand. The Latter-day Saints love their wives and the wives love their hus-bands. They live in peace and con-tentment, enjoying the happiness known only to those who truly love.

The Saints combat the error of ages, and their experience is above those who reject the truth. They have demon-strated beyond doubt the possibility he pronounces every object of which ne speaks, whether human, animal, animate or inanimate, good, bad or in-different, as divinely "damned." Out of their own mouths shall they not be of righteous men loving more than one
