THE scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.

Thus it is with a valueble medicine: Dr. Aug. Kaiser's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a tear.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Con-umption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Drug-pist for it.
