

Mining, Business and Stocks

PUSHING DRK ON THE MURRAY HILL

Shaft Has Now Reached the 80 Foot Level and is Going to Depth.

EQUIPMENT IS ORDERED.

Knight Interests Take Over Large Territory to form North Colorado Mining Company.

Work on the Murray Hill property in the Tintic district is being pushed with considerable determination and the present management declares that it will get some good results before the summer is over.

A new hoist and drill has been ordered for the property. Col. Murray declares and as soon as this is installed the work will start with a busier tempo.

IRON BLOSSOM IS SLUMPISH.

All Stocks Show Weakness With Only Few Exceptions. Another week another was developed on the local stock exchange this morning.

WILL BUILD MILL AT NEVADA HILLS

Experiments to be Made With Fairview Ores for Building a Plant.

ORE COMING INTO SHAFT.

Manager Webber Says Shipping is Being Carried on from Ore Taken in Development.

Among the latest things contemplated by the Nevada Hills property at Fairview is the erection of a mill to care for its ore.

"At the town of Fairview things are quiet at present," said Mr. Webber this morning. "About the only mines that are doing any work that amounts to much are the Nevada Hills and the Eagle mine which is owned by Nixon and Wingfield."

EXTENDING LEVELS.

At the mine now the levels are being extended for the purpose of blocking out the ore and ascertaining definitely that is abundant of the company.

WANTS GEOLOGISTS FOR WEST.

Bill Introduced in Congress to Establish Offices in Mineral States. Washington, April 2.—Under a bill introduced by Dr. Martin D. O. the secretary of commerce and labor is authorized to establish in each state where mineral deposits are known to exist in commercial quantities and where it will promote the development of mineral resources, a mining experiment station at which will be stationed an expert geologist and a chemist.

PROFESSOR'S CO., BEARS COVERING

New York, April 2.—The opening movement of prices of stocks was irregular and within a narrow range in spite of the animation of the foreign markets.

Large selling orders were executed in the important stocks and the price began to recede rapidly until the movement was checked by the buoyant rise in Interborough-Metropolitan preferred.

PRODUCE.

Chicago, April 2.—Argentine exports for the week were larger than had been generally expected and this caused considerable selling of wheat at the opening of the market.

CONCENTRATES.

C. A. Short was in Salt Lake yesterday from the Gold Springs district in iron county and left immediately for the present and will not go ahead again until the drift on the 400 foot level has advanced farther from the shaft.
