DESERET EVENING NEWS: MONDAY, MARCH 7, 1904.

Jennings muttered some indistinct an-

admitted that he had set fire to the Highland Boy boarding house. Holli-man, who confessed quite recently to

the boarding house fire, also held back a confession in the matter of the

a contession in the matter of the creamery for some time. The reason (true or false) for this is now given by Holliman, and is to the effect that Jennings told them (Holliman and Wil-son) or rather told Holliman and he told Wilson, that if they were arrested in conception with the work are to to

told Wilson, that if they were arrested in connection with the affair not to confess to setting the creamery on fire, because, if they did not, J. E. Colter, the Lehi merchant would assist them in their defense, and would give them \$100 each, to keep his name out of the case. And Holliman naively adds: "Wilson was poor and could do noth-ing for us, and then he is a Swede." PRIESTHOOD MEETING.

PRIESTHOOD MEETING.

The speakers at the Priesthood meet-

ing, held Saturday, were President David John and Counselors Keeler and Holbrook of the stake presidency, and

President Chipman of the Alpine stake.

The matter of the collection of means for the missionary and preparatory building of the Brigham Young uni-versity was urged, and the brethren were urged to exhort the Saints to a

general observance of all duties in the Church in which event all would be overruled for the good of the people.

The following brethren were recom-mended for ordination to the office of

ORGANIZATION ADVOCATED.

Prof. Hutt's talks were along the line of encouragement to farmers' organizations of commercial orcharding. Thought that apple growing could be made very profitable here. President Hinckley pledged his support to an or-ganization of farmers for institute purposes and felt grateful for the work being accomplished by the Agricultural college and experiment station.

TORREY.

An Interesting Budget of News from the Sunny South.

Special Correspondence.

Torrey, Wayne Co., Utah, March 1 .-A heavy shower of rain fell here on night of Feb. 27, followed by wet snowstorm, and snow was three inches deep in the morning, but soon melted away The weather is warm, frost out of ground and springtime is once more Fruit trees are full of fruit upon us. buds, and the prospects are good for a big fruit crop this season. Mrs. A. L. Holt has gone to Fruita on

a visit. The Young Men's Mutual Improvement association, having finished the lessons in the Manual, closed their work last Sunday evening, and will give a social and dance next Friday evening. George Jones of Logan, who has been spending a few days here with relatives and friends, left this morning for northern parts.

Elder A. S. Coleman of Teasdale, who recently returned from a two years' mission to Scotland, addressed the Saints of Torrey last Sunday and gave a very interesting talk upon the first principles of the Gospel.

ANNABELLA.

Mrs. Mamie Gardner is Called Beyond-Dry Land Experiment Farming.

Special Correspondence,

Mrs. Mamie Gardner, daughter of Samuel and Sarah Kay, died at 12 o'clock midnight of heart failure. Her husband, Erether Franklin Gardner is in Idaho, where they have been living for the last year, and at which place they expected to make their home. She leaves three small children who, at the present time, are living

with their grandparents. I. W. Fairbanks returned from the dry land experiment farm at Plateau yesterday and reports that the winter has been rather unfavorable for dry land farming. Although the farm has been covered with snow during the win-

City Park for School Children -Outbreak ter, the moisture has been very light up to the present time.

RUN DOWN AND NERVOUS.

VINOL COMPLETELY RESTORED MRS. BURNS' HEALTH.

Druchl & Franken, Our Well Known Druggists, Agree to Return Money if Vinol Fails.

"Many people right here in Salt Lake City are all run down, hardly able to drag about, don't know what ails them. This condition is probably caused by a cold, or cough, which is hard to cure, overwork or too close confinement to business. Such people need Vinol," said Mr. Druchl of Druchl & Franken, and the following letter is only one of many which we are constantly receivsuccessful. Dr. E. Lee, the dentist, has been ining showing what Vinol will do. Mrs. W. T. Burns of Memphis, Tenn. stalled as postmaster of lona and has

moved the postoffice into his own build-ing. The doctor is working at his prowho is national press correspondent of the W. R. C., writes: "Last winter I caught a severe cold which it seemed his amiable wife, Mrs. Adelaide Lee, as chief clerk in the postoffice here. impossible for me to get rid of. I be-came much run down, lost my appetite and flesh and felt nervous and irritable. Vinol was recommended, and it cer-Mulliner has also gone to New York ainly worked wonders for me; it increased my appetite, cured my indigestion, cough and nervousness, and I sleep soundly. I consider Vinol a won-derful remedy." journeys.

Vinol cures such conditions because

MRS. W. T. BURNS.

it is the only preparation in the world that contains every one of the fifty odd medicinal curative elements found in fresh cods' livers and without one drop of useless oil, which characterizes old fashioned cod liver oil and emulsions It imparts in a natural manner strength and vigor to every organ of the body, aids digestion and makes rich, red blood.

Vinol is not a patent medicine, everything is printed on the bottle; it con-tains iron, and in a highly concentrated form, all of the vitalizing properties contained in cod liver oil. It is deliclous, and the weakest stomach can retain It.

We ask every run down, nervous, debilitated, aged or weak person in Salt Lake City, and every person suffering from stubborn colds, hanging-on coughs, bronchitis or incipient consumption to try Vinol on our guarantee. It costs nothing if it fails to give satis-fection. Druchl & Franken and Smith

this neighborhood is called for next or 80 children's capacity, is next. The cost of the building will reach Saturday, the beet question being paramount. \$20,000, or three times more than at first 520,000, or three times more than al first contemplated. It was built during high price times. It is even claimed that the contractor completed it at a sacrifice financially, but it is a lasting monument to the mechanical skill of Jas. F. Murray, contractor. The corner stone was laid Tuesday evening. April 21 Just your, by ay. Mrs. C. Peterson, 625 Lake St., Tope-ka, Kan., speaking of Ballard's Horehound Syrup, says:
