### BIRD LOVERS AGAINST MILLINERY INTERESTS

MILLINERY INTERESTS New York, March 15.-Dipd lovers and representatives of the big millinery in-terests will clash at Albany this week during a hearing on the Francis bill, which is an amendment to thelaw of 1986 for the protection of wild birds. Mem-bers of the Eastern Millinery associa-tion and the Feather Dealery associa-tion, accompanied by their lawers, will leave for Albany tomorrow to fight the proposed amendment and on the same day the Advocates of the measure will urn towards the state capitol. On the detegation which will seek to have the bill passed will be William Durober, president of the National Association Addobun societies: In Theodore S. Pai-cultural department, Frank M. Champan, of the museum of natural history and E. H. Forbush, state conthologist of Massachments. If passed, the bill will do sway with the plumage bindiness in this state of the plumage, or any part of the bird shell be passed and in possession for an if " remondment mays that ne part of the plumage, or any part of the bird shell be plumage, or any part of the bird shell be plumage, or any part of the bird shell be and or had in possession for an if " remondment says that ne without the and the measure of the bird shell be and or had in possession for an if " the shell within or without the and the state. Attorneys for the millinery interests

Attorneys for the millinery interests will argue that the crushing of the plume business will mean a great finan-cial loss and will throw hundreds of persons out of work.

"ONWARD CHRISTIAN SOLDIER"

NEW LIST OF CONTRABAND If Over 50 Per Cent of Cargo is Such, Captor May Take Vessel to Port for Search. Chicago, March 12 -A freez move ment of noutral commerce in time of war will be the principal result of an agreement reached at the secret naval conference recently concluded in Lon

SECRET NAVAL

Freer Movement of Neutral Com-

merce in Time of War Will

Be Chief Result.

according to special cable to the Daily News from London today. The Daily News correspondent advises that the main points of agreement are:

That a definite list of articles as con-traband of war be made; that foot-stuffs will be contraband in noutral hips only when directly consigned military forces of countries at we The right of blockade is recognized

military forces of countries at war. The right of blockade is recognized if notification is given in advance, and all neutral vessels coming in the zote of the blockade may be selzed. Beyond the blockade may be selzed. Beyond the blockade may be selzed. Beyond the blockade may be confiscated or sume if the amount of the contraband arti-cles exceed 50 per cent of the cartso. The right of search on the high sens is limited to the ship's papers, and no hatches may be lifted. If the captor is convioused that, despite the papers, more than 60 per cent of contraband is carried, the ship may be conveyed and port and a search made. In this event, if the contraband is found not to exceed 50 per cent, the captor is liable to heavy damages, to be assessed by a naval prize court. The burden of proof of contraband les with the captors. This makes most difficut the ship are runk, only their papers will remain as evidence for the prize court. and these, on their face, may show that no contraband goods were carried. Admiral Traube of Russia consed as per cent contraband proposition and then the captors. The prize court. Adminal Traube of Russia consed as per cent contraband proposition and then recanting. The conference hought its work finished and went to Banking-ham palace, where the king extended his congraturbitions. Upon their return

its work finished and wont to Binking-ham palace, where the king extended his congratulations. Upon their return to conference Admiral Traube an-nounced that his government had or-dered him to insist that percentage of contraband be reduced from 50 to 55. The members of the commission wate astounded, and another month's work was necessary, when finally the Ris-sion government agreed to the ariginal proposition of 50 per cent. The fact that neutral commerce by international agreement will more more

international agreement will move more freely in future wars is regarded as of vast importance in itself, and also as marking a great advance in the movement for the discouragement of WAL

### ACTS IN TWO ROLES.

#### One On the Singe and One in Depot Are Both Masterpieces.

Frank Sheridan, the talented actor and playwright, who appeared last week with Lillian Russell in "Wildfire," as Donovan, played another part before closing his engagement in this city, when he succeeded in escaping

before closing his engagement in this city, when he successfed in escaping from Deputy Sheriff Axel Steele and Junes Luke collecting agency, who had a warrant for him. Sheridan gave the officers the slip in the Oregon Short Line yards after he was arrested by boarding Lulian Russell's special train. Steele and Luke also bounded the train and road to Ogden, but when they ar-rived there the willy Mr. Sheridan was not to be found in the cars. Sheridan was owner, manager and booster for an attraction at Saltair about 11 years ago. Those cost him considerable money and most of it was borrowed from Oscar F. Peterson of this city. When Sheridan left here he neglected to return to Peterson filed suit in the courts and obtained judg-ment against him for \$1,700. It was put into the hands of Francis G. Luke for collection and the agency has not allowed the judgment to expire. The agency has also kept close watch of Sheridan and knew when he was to arrive in Salt Lake. He was served with a summons on Saturday and taken into court on pro-ceedings supplementing to execution he-fore Referee Van Felt. Shoridan tes-

CHILD CRUSHED TO DEATH. Middletown, N. Y., March 15.-A bal-sniced rock, weighing two fons, which has been one of the curiosities in Tuxe-do park, was unset by a small bay yes-terday afternoon, crubiling him beneath its great weight and causing instan-taneous death. The victim was Fred-erick Cox, the 4-year-old son of William Cox, a park policeman. Frederick attempt-ed to climb to the top of the rock while his little sister looked on and laughed. Suddenly the immense stone ralled over and pinned his body underneath it. It required nearly an hour's work to move the stone so that the crushed form could be taken from under it.
