## COUNTY RECORDER ELLIS RESIGNS

Esteemed Official Goes to Nevada to Engage in Business.

### STRUCK BY LIGHTNING.

John Hewett Stunned—House Fired—Street Railway System Damaged—News Briefs.

Ogden, Utah, August 1.—County Recorder Daniel W. Ellis has sent in his resignation to the county commissioners, and it is to take effect on September 1, when he expects to leave Ogden for Ely, Nevada, where he has extensive land and mining interests. This announcement will come as a great surprise to his many friends, and especially to those who were supporting him for the Ogden postmastership, for which position he had many strong endorsements both from prominent Republicans and business men. His decision to go to Ely has been made within the past few days. He has visited Ely a number of times within the past few months and purchased considerable land with County Treasurer Alma D. Chambers, which has been plotted and laid out in building lots, it was known as Ellis' addition. While there he met some wealthy gentlemen who recognized his ability as a civil engineer, and business man, and two days ago they made him a flattering proposition to come to Ely and go into business with them, which he has decided after careful consideration to do. In Mr. Ellis' resignation to the county recordership, Weber county loses one of its most trustworthy and competent public officials. He has filled the office during the past four years and would have no doubt been re-nominated and elected at the coming November election. If he was not appointed postmaster, the step taken by Mr. Ellis now leaves the appointment of a postmaster between ex-Mayor Glasman and the present postmaster, Thomas Davis, and the odds appear to be in favor of Mr. Glasman, as Congressman Howell has announced his intention of presenting the name of Mr. Glasman in the immediate future.

### NARROW ESCAPE FROM DEATH.

John Hewett Knocked Down by Bolt of Lightning.

Ogden, August 1.—John Hewett, a mail carrier, who carries the South Bench route in Ogden, had a very narrow escape from death yesterday afternoon during the heavy thunder and lightning storm. He was riding along Jefferson avenue, near Twenty-seventh street on his bicycle, when one of the heaviest crashes of thunder and lightning came. The lightning struck the home of John S. Corlew on the corner, setting the beautiful residence on fire, and the force of the same struck Mr. Hewett, knocking him from his wheel to the ground. For a few moments he did not know what had happened, but when he regained his natural self and looked around he observed the roof of the house on fire. He quickly sent a

Dear Sir: Ever since I was in the Army, I had more or less kidney trouble, and within the past year it became so severe and complicated that I suffered everything and was much alarmed—my strength and power was fast leaving me. I saw an advertisement of Swamp-Root, and wrote asking for advice. I began the use of the medicine and noted a decided improvement after taking Swamp-Root only a short time.

I continued its use and am thankful to say that I am entirely cured and strong. In order to be very sure about this, I had a doctor examine some of my water today and he pronounced it all right and in splendid condition.

I know that your Swamp-Root is purely vegetable and does not contain any harmful drugs. Thanking you for my complete recovery and recommending Swamp-Root to all sufferers I am,

Very truly yours,
