Where We Buy Our Potatoes.

NEW YORK, 9.—The Sun says: The cargo of 3,775 bags of German potatoes that arrived by the ship Antiochia yesterday, contained many very small potatoes that some of the buyers remarked that the Germans must have thought we were starving to expect us to buy such stuff. Some of them are as large as a marble, and the rest are varying from 12 to 21 cents per bushel.

The Ship Railroad.

NEW YORK, 9.—The Graphic's Washington correspondent says: Captain Schuchert, at all times, is regarded at the hostile attitude of Page, chairman of the commerce committee. He is having a hearing before the Senate committee, and is confident that he will get a report favorable to the ship-railroad bonds. This done, he will wait until the House determines whether or not there is to be a special committee on the subject.

THE DUTCH HAVE TAKEN HOLLAND.

MADRID, 9.—The Legislature passed the following resolution today:

THE GOVERNOR GENERAL AT THE OPENING OF PARLIAMENT.

At Philadelphia, the mother of the late Bayard Taylor was awarded the first prize for the best eulogy at the exhibition of the Woman's Silk Culture Association.

AT ST. LOUIS, SEVERAL SMALL FIRMS.

At St. Louis, several small firms failed today, and there was a nervous, feverish, panicky feeling on the part of the business community.

LONDON, 9.—Three hundred Jewish refugees from Russia sail on Saturday for the United States.

THE HOUSE.

PARIS, 9.—Efforts were made at the late session to prevent a collapse. Though they averted general elections, they could not save many speculators from liquidation sooner or later.

PLUNDERED AND BURNED.

JAVIERPOT, 9.—The natives burned the town of Fourcaral, West Coast of Africa, and plundered the British and French factories. Several owners and clerks are missing, and it is feared they are killed.

INTERNATIONAL NEUTRALITY.

LONDON, 9.—The Times suggests the United States invite the maritime powers generally to accede to the stipulation of neutrality or inter-oceanic communications which now, by the Clayton-Bulwer treaty, binds Great Britain and the United States. It views such action favorably.

BATTLE OF THE BOERS.

CAPE TOWN, 9.—The situation in Batoules is grave, all the chiefs are in favor of joining the rebel, Masupha. Durban Boers crossed the border and attacked the town of Montego, Jan. 10th, but were repulsed with loss. Fighting was still proceeding on the 21st of January.

An Olesse dispatch says: Twenty-seven lives were lost by the foundering of the steamer Comco.

Judge James Grant, of Iowa, was elected president of the Turf Congress of the National Trotting Association.

It is reported from the lower part of St. Louis, that an explosion of lamps in a brewery killed one man and wounded several.

At Philadelphia, the mother of the late Bayard Taylor was awarded the first prize for the best eulogy at the exhibition of the Woman's Silk Culture Association.

At St. Louis, Harlow, Spencer & Co. failed, on account of the drop in grain, losing \$50,000, but they expect to pay up and go on.

At Chicago, J. H. Black, claiming to have come from Arizona, by means of a forged letter of commendation and a package he claimed to be valuable, obtained \$150 from a man here. After vainly trying to get them to cash a large bogus check, he disappeared.

Measures are being taken by citizens of various portions of Louisiana, to aid the people of Ouachita, Richland, Franklin, Caldwell, Winn, Grant, Jackson and Concordia parishes, who are reported in a suffering condition from drought last summer and failure of crops, and some are practically starving.

A Winnemucca dispatch says: Orlan, King, a Chinaman, was hanged today for the murder of Ab Lick, last May. He said he committed the act in self-defense, and claimed that \$500 had been used to bribe witnesses to swear falsely.

When the trap was sprung, he fell with a scream of horror by the dislocation of his neck.

At St. Louis, several small firms failed today, and there was a nervous, feverish, panicky feeling on the part of the business community.

Engineer David Coulter and Conductor Stonebraker were killed and Fireman Kennedy fatally hurt by an accident on the Pennsylvania railroad, near Huntington, this morning.

Counterfeit standard dollars have been flooding portions of Wyoming for some time past. A man named Kubela was arrested, who is supposed to represent an Iowa gang of counterfeiters.

Wm. Schlichter, deputy United States Marshal, made the arrest. A quantity of counterfeit money was found on Kubela's person.

THE BOY.

While in the office of the county jail, this afternoon, Kubela was a man-murderer on "chitney," knocking him senseless with a heavy bottle. Kubela ran about a mile, but was recaptured. Schlichter is seriously injured. The rim of his hat undoubtedly saved his life.

Not long ago we happened to be seated at the same table at a hotel with Doc Palmer, County Attorney of Taylor county, Ky. Everybody there knows the Dr. who lives in Louisville, Ky., and everybody likes him. We soon introduced a favorite subject in that section, and, as usual, found an instance of the powerful efficacy of St. Jacobs Oil, the Great German Remedy. Mr. Palmer said: "I had a bad attack of rheumatism in the left shoulder. I applied St. Jacobs Oil and was permanently cured. On another occasion I was attacked with neuralgia, and, following by my former experience, to come doubly indebted to St. Jacobs Oil for a cure of that most excruciating torment. I recommend it to everybody I see suffering with that class of diseases."
