WEAK, NERVOIS PEOFLE. We have received letters from all parts of the U. S. highly recommending Dr. Gunn's Blood & Nerve Tonlc, until the faith we had in the remedy has been fully sustained. We had confi-dence from the very beginning that this medicine should make cures, but lacked that assurance that comes after many successful trials. Now that we have been upheld in our belief we want to impart to others our confidence. Nervous, and unsteady people, weak, deshless people, pimply, pale, or sallow people are all victims of weak, watery blood. Make new, rich blood, to be forced through the system by the way of the arteries, and disease cannot re-main. This Tonic cures disease by giv-ing you strength to resist it. All drug-gists sell it for 75°, per box, or 3 boxes for \$2. The tablets are to be taken after each meal. They turn the food you eat into rich red blood. Persons who take this Tonic gain in good solid feek from 1 to 3 lbs, per week. For sale by Z. C. M. I. Durg Department. NOTICE TO WATER USERS.

Gen. Chase Has a Loophole. Denver, Oct. 21.—The general court-martial which is hearing charges against Brig.-Gen. John Chase of the National Guard of Celorado spent most of the fore-neon in executive sension considering the question of what constitutes a legal oath, F. W. McElroy, a notary of Cripple Creek, whose name appears on the habeas corpus return made by Gen. Chase, which forms the basis of the perjury chargo against him, testified that the general ad-mitted that the signature to the return was his, but McElroy testified that there was no ceremony of swearing to the sig-nature, although Gen. Chase raised his hand and asked McElroy if he wished to swear him. NOTICE TO WATTE USERS. State Engineer's Office, Salt Lake City, Utah, Oct. 21, 1603.--Notice is hereby given that Theodore McKean and Robert H. Bradford, each of whose postoffice address is Salt Lake City, Utah, have made ap-plication in accordance with the require-ments of Chapter 100 of the Session Laws of Utah, 1903, to appropriate 110 second-feet of the water flowing in Jordan River, in Salt Lake County, Utah, to be diverted by means of the dam now in said river where the river intersects Ninth North street, in Salt Lake City, and from there to be conducted through a flume for a distance of about forty (40) feet, where the water will be used from January 1st to December 31st, inclusive, of each year, for the purpose of developing power to propel pumping and lighting machinery. After having been so diverted and used the water will be returned to the natural channel of Jordan River at a point about forty (40) feet below the said place of di-version. All protests against the granting of said hand and asked McElroy if he wished to swear him. McElroy, however, according to his own evidence, waived this requirement. At-torneys for Gen. Chase took the ground that the essentials of an oath such as perjury could be predicated upon are lacking. After long considerations the court-imartial asked attorneys on both sides to submit briefs on the question in-volved and adjourned until tomorrow,
