

# LUCAS ARRIVES; TALKS BASEBALL

He Gives Out No Details But  
Says Prospects Are  
Good.

## HOLDS A LONG CONFERENCE.

President and Grim in Ogden Today  
To Confer With Junction City  
Fans And Get Them In Line.

W. H. Lucas, upon whom many are placing their faith for a new baseball league with Salt Lake a member of the organization, arrived here yesterday, and on once held a long conference with J. J. Grim and Con Struthers, managers of the Salt Lake and Butte teams respectively. At the conclusion of the conference last evening Mr. Lucas declined to give out anything of a definite nature as to details. He said, however, that there were not many more features to be disclosed and that his outlook for the league was most promising. He intimated that there was nothing in the way of the leagues organization and expenses to account for the dad talkings in a few days, and make the fan happy.

J. C. Barnes, who was with Lucas up north, stopped over in Boise and left for home yesterday, but will be in line.

Con Struthers has gone to Pete's hotel after the interests of the team there.

Toddy Lucas and Grim are in Ogden, in conference with the powers that be there, so it would seem that the league as announced several days ago will soon become a reality.

## BIKE RIDERS COMING.

Eddie Root Writes for Terms and  
Gets Them.

Manager Harry Beacons of the Salt Palace bike track continues to receive letters from the people of Ogden offering him terms here for next season. The latest star to hear from is Eddie Root. The latter stated that he had a chance to go abroad with a number of other stars and had turned it down, but that he was more anxious to come here. He asked Beacons for terms and the latter has made Root a good offer and no doubt Root will accept it.

Fred McCarty, the Canadian champion, is another to ask for terms and states that he wants to come here next season. Come on boys, if you want to see our boys will take care of all you want.

## TO SEND BOWLERS.

Salt Lake Teams May Go to Seattle

## OFF FOR ENGLAND.

San Francisco, Feb. 16.—A party of 10 gilders and promoters composed of Jimmie Johnson, manager; Tom Kneen, his manager; Eddie Johnson, his manager; Kevin, his manager; Samuel Langford, the negro heavyweight, and Joe Woodman, his manager, left tonight for England. Eddie Johnson and Sam Langford are scheduled to meet Jack Johnson before the National Sporting Club on May 18, and where Walsh is expected to be in the ring. Jimmie Johnson, the negro champion, and Eddie Johnson, the boxer, expect to stop in Denver and Chicago before reaching New York, whence they will sail about April 1.

In a short session held by the national commission, the national agreement was the sole topic for discussion. While no definite action was taken, it is

probable that the agreement will be forwarded to the likes of the like at Cincinnati to consider the formation of a national association and the Eastern league. The class A leagues were represented by President O'Brien of the American Association, John Patrick Powers of the Eastern league.

All friction appears to have disappeared between the magnates. President Fulcher and the Eastern leagues are encouraged himself to face the brunt to light all that has been learned in connection with the umpire bribe story.
