THE Great Central Iowa Short Line Overland Route, with its connections World Exhibition. May 14th, 1877. 949TT H 1876. Editor Deseret News: The finest wedding that has taken place at the capital for the last year was that of Miss Lizzie Porter and Lieut. Logan, which occurred Wednesday evening at the Church of the Epiphany, in the presence of a very large and brilliant concourse of the city's beau monde. The church was lavishly decorated with flowers and evergreens, the principal ornamentations being a large arch, immediately in front of the altar at the chancel rail, composed of white lilies and white Illacs, from the centre of which depended a marriage bell of lilies-of-the-valley, with a tongue of delicate scarlet verbens. This is after the severest competition by the best makers before one of the most competent juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal mirit have been "awarded all articles deemed worthy of recognition; so thus it wis be easy for many makers to advertise that they have received first medals."

The differences in competing articles, and their comparative elseellence, are recognised in the Reperts of the Junges from which the following is an extract:—"THE MASON & HAMLIN ORGAN The MASON & HAMLIN ORGAN CO.
