KILLED BY A LOCOMOTIVE.

Young Lady Struck While Walking Through Railway Yards Body Terribly Mutilated.

Weber County Affairs—District Court—Thatcher Opera Company—Abelson-Priese Nuptials.

OGDEN NEWS.

A shocking fatality occurred in the depot yards last evening.

About 7:30 o'clock a young lady named May Ribbach was run over by a switch engine, and instantly killed, her body being frightfully mangled.

She was alone at the time, and exactly how the accident happened is unknown. She was walking down the track and had reached the network of tracks at the Southern Pacific roundhouse. A Rio Grande Western engine was backing toward the crossing. It is thought the victim made a mistake as to the track on which the engine was approaching.

The engine was stopped almost immediately after her screams were heard, but the tender was directly over the body by that time, which was cut in two.

Miss Ribbach was the daughter of Mrs. Mary Murphy, and resided at 146 Twenty-third street. She was about 22 years of age, and was employed as a dressmaker. She was engaged to be married to a well-known young machinist in the employ of the Southern Pacific.

An inquest will be held this afternoon before Justice Hall and the following jury: D. M. McKee, W. P. Thompson and W. G. Kind.

CONSTIPATED OLD AGE

Means misery on the eve of life. Nine out of ten old people are constipated because the muscles of their intestines have become weak, worn out and flabby. Constipation is the curse of old age, causes bile and acid poisons to remain in the blood, making the skin yellow and wrinkled, the eyes bleary and causing the "bones to ache." Keep the bowels strong, healthy and regular and old age loses all its terrors and weaknesses. No reason why grandpa and grandma shouldn't have bright eyes, and clear, ruddy skin and feel lively and active, if they will only keep their bowels open and vigorous with CASCARETS CANDY CATHARTIC, the greatest bowel tonic ever heard of. SERIOUS GUN ACCIDENT.

Young Andrew Johnson Shot While Hunting—Fine Crop Prospects.

Special Correspondence.

Ellsnore, Sevier Co., May 18.—A serious shooting accident occurred here this morning about 10 o'clock. Three boys, Ernest Madison, age 17, Peter Jensen, 15, and Andrew Johnson, 15, were out on a Sunday hunt for rabbits, the trio having but one gun between them. The field of operations was some tall brush north of the town. It appears that Ernest Madison, being the gunner, hit a rabbit and loaded the gun again, while the other boys went after the wounded rabbit. When Ernest had loaded, he came rushing through the brush, when something caught the trigger of his gun and it went off, the bullet striking Andrew Johnson in the chest, about the level of the right upper arm, making a scratch wound on the chest, making a very painful but not a dangerous wound. Andrew was carried home in quite a critical condition on account of the loss of blood. He is now in charge and he is now resting nicely.
