Mail Matter Damaged.

NEW YORK, 14.—On the opening of the German mails, which arrived by the steamer *Mosel*, forty packages, each containing two or three hundred letters, were found broken open, and the letters badly damaged, owing to bad wrapping and flimsy envelopes.

In the Doric Hall.

BOSTON, 14.—The committee in charge of the body of Sumner arrived at seven this evening. Ten thousand people were at the depot at Springfield, and at Worcester there were immense crowds at the depot as the train passed. The body was conveyed to the State House, and deposited in the Doric Hall, where the Shaw Guards, colored, will act as a guard of honor.

At the Point of Death.

WASHINGTON, 14.—Judge Louis Dent, brother of Mrs. Grant, is lying at the point of death at his residence here; the cause is a tumor in the stomach.

A Lady will Lecture Against the Crusade.

JEFFERSONVILLE, Ind., 14.—Fifty crusaders paraded the streets, visited the saloons and prayed and sang this p.m. with no results. The mayor was asked to prohibit the bands blocking the pavement, but he said he had no authority to suppress assemblages of that kind. Mrs. Eliza Mordaunt claims that the question has two sides, and she will lecture against the crusade on Tuesday.

EVANSVILLE, Ind., 14. — The ladies have appointed a temperance mass meeting for next week, but they express the belief that the cause will not be furthered by besieging the saloons, as is done elsewhere.

WESTERN.

That Railway Accident—The Railroad Freight Bill Rejected.

SAN FRANCISCO, 14.—A dispatch from Elko to-night gives the particulars of the railroad accident this morning. When ten miles west of Toano, the western bound train was one hour behind time, but running at the usual speed, when a rail broke, precipitating the rear coach and an emigrant car down an embankment thirty feet. The coach was filled with passengers, and was turned completely over. The emigrant car also went down, but was not turned over. The following is the list of the wounded—James Dick, of Colorado Springs, slightly; Benj. Cawson, of Providence, R.I., cut in the forehead, not dangerous; Mrs. W. Roe, of Dundas county, Canada, serious, her case is doubtful. Several others sustained slight injuries. The wounded, with the exception of Mrs. Roe, will be able to proceed to their destination.

The legislature committee on corporations have reported against the passage of Freeman's bill to regulate fares and freights in this State; another bill, somewhat similar, but more liberal to the railroad companies, has been introduced.

CANADA.

Salvage Awarded.

HALIFAX 14.—To the sixteen fishermen, of Prospect, who secured the wrecked *Atlantic's* passengers, salvage has been awarded to the amount of fifteen hundred dollars by the court.

Burglary and Incendiarism.

WOODBRIDGE, Canada, 14.—Burglars entered the office of the Woodbridge Agricultural Implements and Machine Works, blew open the safe, took the contents, and fired the buildings and escaped; the total loss is $200,000; a hundred men are thrown out of employment.

Last Night's Dispatches.

PER WESTERN UNION TELEGRAPH LINE.

EASTERN.

The Big Fire at Panama.

NEW YORK, 15.—The Panama steamer brings a detailed account of the great fire there Feb. 19th. The flames started in a hat store and comunicated to the Grand Hotel, whence many escaped by means of ladders. The fire spread on all sides, and, the engines being out of repair and useless, could not be checked, and burned the central and most valuable part of the city; loss about a million.

Decorations and Floral Tributes.

BOSTON, 15. — The committee, finding the body and face of Sumner greatly changed, did not open the coffin to-day. Immense crowds passed through the Doric Hall, leaving decorations and floral tributes.

Will Wink at Side-Door Business.

PHILADELPHIA, 15.—Owing to the non-conviction of the parties indicted for selling liquor on Sunday last, the police have been instructed merely to report the names of parties keeping open house, and to arrest only flagrant violators, the meaning being to wink at side-door business.

Cause of Sumner's Sickness.

SPRINGFIELD, Mass., 15.—A letter of Sumner to a personal friend, dated March 20th, 1873, states that his sickness resulted from injuries received seventeen years before; he laments the fact that Americans had a false conception of his stand on the battle flag question, which, he says, will be regretted in a day of light.

WESTERN.

Terrible Storm.

ELKO, Nevada, 15.—Woodruff & Ennor's mail carrier has just arrived from Cornucopia, on snow shoes; he reports having met deputy sheriff Jno. Ellis, twenty-five miles from here, thirteen days ago, coming to Elko on snow shoes. Sheriff Ellis had been to Cornucopia, to serve a writ of attachment, and beyond all doubt became bewildered and froze to death in the terrible storm which was raging at the time the mail carrier met him. The mail carrier got within a mile of a house last night on snow shoes, but owing to the fury of the storm in the mountains he was obliged to camp, and only saved his life by exerting every energy. The Masonic order will send a party in search of Ellis' body to-morrow. The weather, to-day, has been very stormy; it has snowed and blowed incessantly since morning, and at present the storm is unabated. All hope of the passenger train getting through from the east to-night has been abandoned.

Railway Legislation.

SAN FRANCISCO, 15.—The Senate committee on transportation was unanimous in the recommendation that Freeman's bill for regulating railroad fares and freights should not pass; the committee reported a bill establishing the maximum rates, which may be charged on all railroads within the State, and recommended its passage. The same committee presented a substitute for Bartlett's bill, recommended by the Chamber of Commerce in this city, providing for a board of transportation; it is stated that it substantially embodies Bartlett's bill, and that the committee recommended its passage. Both bills are said to be more favorable to the interests of the railroad company. The committee asked till Monday to present a written report, giving the arguments on which they reached their conclusions, and as Mr. Stanford was before them in secret session the report is awaited with much anxiety; the general impression has been that all the testimony in public was in favor of Freeman's bill.

FOREIGN.

GREAT BRITAIN.

The Chiselhurst Festivities—Fenian Amnesty Meeting—The Highlanders Coming Home.

LONDON, 15.—French visitors have commenced pouring in to celebrate at Chiselhurst; five thousand tickets have been distributed. The Queen sent from Windsor Castle, a flag, an order of the garter, and also a brass plate with an inscription, to be placed over the Emperor's sarcophagus.

The meeting in favor of Fenian amnesty in Hyde Park, to-day, was attended by 20,000 persons. Good order prevailed.

The Highlanders returning from the Ashantee war have arrived at St. Vincent.

FRANCE.

A Rupture.

PARIS, 15.—The *Pays* publishes a correspondence, which shows that the Empress Eugenie and her son have finally broken off relations with Prince Napoleon, because he has refused to go to Chiselhurst on Monday next.

PRUSSIA.

Bismarck Improving.

BERLIN, 15.—Prince Bismarck's condition is improving.

WASHINGTON NOTES.

Parson Brownlow is unable to occupy his seat in the Senate, owing to a paralytic stroke.

It is doubtful whether Mr. Stephens will be able to appear in the House again. His health is very feeble.

The Civil Service Committee has agreed to report the following bill to the House, with favorable recommendations: "That no officer of the United States shall, directly or indirectly, receive or be paid to or for his own use or benefit any money or property whatever of the United States, except a salary to be fixed by law, and that no public property shall be used by officials or by any persons for private purposes; that this act shall not be so construed as to prevent the payment from the Treasury of all actual and necessary traveling expenses of United States officials, when performing legitimate and necessary duties pertaining to their offices."

TO EVERYBODY.

We desire to call the attention of the public to our full and complete stock of Fall and Winter Clothing, consisting of the latest styles and patterns, all of our own manufacture. The immense facilities we have enables us to sell them from 15 to 20 per cent. less than any other house in this city. The trade we will supply at New York wholesale rates,
