London, July 19.—The Berlin correspondent of the *Daily News* says the Russian minister of the interior has prohibited the sale of the St. Petersburg gazette owing to its publishing true accounts of the cholera epidemic. A lady of Baku writes as follows: "Asiatic cholera is raging here, 300 persons dying daily. Naphtha is being liberally sprinkled about the streets as a disinfectant. Stores and shops are closed for the month. All who are able to do so are leaving town."
