done well.

Oct. 30, 1883. Teesday.

FLOATING FRAGMENTS. A nice little sum has been realized by the recent dramatic performances in the Twenty-first Ward, to apply on the flaithing of the new meeting house. The boys have

The sun came out as bright and cheerful this morning, as if he ever saw such a thing as a cloud in Glendaic precinct. his life, and totally oblivious of the moist condition of things under foot, resulting from the recent visits of his rainy rival.

Apropos of a hale and hearty old ege, there is an aged gentleman in the Seventeenth ward, who will be one hundred years old on the 11th of November, and who is said to move about as freely as ordinary men do at fifty.

A recent letter from Elder Geo. father in the city, states that he is to the enjoyment of excellent health and spirits. He had lately baptized a lady from the Isle of Man, where the Elders have met with little or no success for many

The twenty-third quorum of Seventies, comprising those of the garth, Fifth, Seventh and Farmet's Wards in this Stake, will hold their regular monthly meeting on pairs lay evening at 7 o'clock, in the Seventh Ward meeting house. A prompt and full attendance is particularly desired.

The Third Ward M.I. A. met Friday evening, Oct. 28th for the elec-tion of officers, with the following President, James. W. Earelley; 1st Counsellor, Franklin J. 2nd, Thomas Mitchell Utban Picknell; Ass't. Recretary, Recretary F. Curtie; Programme Committee John Wayman, Mrs. E. Angel, J.L. Williams; Choir Leader, F. Bolto; Organist, Miss Eardley; Libraian, Rauben Eardley.

### LOCAL AND OTHER MATTERS.

Postponed -- Brother Robt. Camp. bell, general clerk of the Seventles, be postponed for one week, that is,

pare plans and specifications for their new building, has about completed his work, which has the appearance of being first class and theroughly artistic in every respect. The front of the building, which is to occupy a portion of the lot just north of Z. C. M. I., is one of the handsomest elevations we have seen. It is to be three stars high present place of business comprises over a third part of the frontage to seen. It is to be three storys high, white sandstone facings. The used for banking purposes, and the upper flor for offices to let. It is not deflaitely known when the pro-

Iron City was founded seven or eight years since, and has been built up entirely by the iron in industry. Works were created there early in the settlement of the place, and hundreds of tons of pig iron produced, but during later years the business declined. The buildings formerly used have all been purchased by the new company, some of them pulled down to make the piece of the part and some brass figures, they are among our personal friends. The News presents its compliments and good wishes in advance, and the young couple, whose important life at place, and hundreds of tons of pig step we take pleasure in recording, will receive none that are more hearty and sincere.

Kate Field's Monologue.—Miss J. W. Tuck field & Son.

Kate Field, the talented writer and law in the part of the produced down to make the produced writer and law increases at the part of the produced by the new company, some of them pulled down to make the produced writer and law increases at the part of the produced by the new company, whom we are happy to num handsome brass figures, they are they ar Iron City was founded seven or groom, whom we are happy to num perchased by the new company, Kate Field's Monologue.—Miss some of them pulled down to make Kate Field, the talented writer and 1 1 w foom for the erection of furnaces, and lecturer now on a visit to this city, others left standing to be used has consented, at the solicitation of for various purposes in the present many friends, to give her monoundertaking. The Company's fron logue entertainment entitled "Eyes mines, the ore from which has been and Ears in London," at the Balt proved to be of the best quality, are Lake Thestre on Monday night. Situated from two and a half to six The London Figuro says of her miles distant from Iron City, to performance: which place (pending the arrival of the railroad in that vicinity and the construction of branch lines between the furnaces and the mines) the crude material will be hauled by teams. Iron City is fifty miles distant from the present southern terminus of the IIIah present southern terminus o tent southern terminus of the Utah audience with her." Central Railway, a future extension of which over the route now contemplated, will pass within five miles of the settlement. A branch to overflowing Saturday afternoon to line to Iron City and to Cedar, at the latter of which wast deposits of excellent coal are to be found, will deposit the early the early the coal are to be found, as been introduced in Boston for a will deposit the early the early the coal are to be found. miles of the settlement. A branch will doubtless be among the early things thought of subsequently The coal at Cedar is said to be super for for furnace purposes, to even the for for furnace purposes, to even the lopular Pleasant Valley product. will be construct ed for

TOORLE STAKE CONFERENCE.

The following commissions have been issued by Acting Governor Ar. Tooele Stake of Zion convened at Tooele City on Saturday and Sunday, Oct. 27 and 28, 1883.

Meeting was called to order by Prest, H. S. Gowans.
Present on the stend: Prest, Jos.
F. Smith, Apostie F. M. Lyman,
Presidency of the Stake, Bishops
and officers of the Stake.

The morning was occupied in recelving reports from the Bishops of
the various Wards, and the Indian
mission of this Stake, all of which
denoted a marked improvement
with the people and a more fervent
setermination to live to the requirements of the Gospel.

Remarks were made by Patriarch Inc. Rowberry, Prests. Gowans and anderson on matters pertaining to the interest of the Stake and general instruction.

After which Prest. Jos. F. Smith gave a powerful discourse treating upon the duties and requirements becausary to be observed to entitle the Saints to enjoy a fullness of the flories prepared for the faithful.

The Y. M. M. I. Associations of the Stake met in Conterence, when reports were made from the differ-ent Associations of the Stake, and a

We are in daily receipt of the latest Novelties and best makes of goods for every one of our numerous Departments, from the leading man. ufacturers of Europe and America, and it is our earnest desire to sell to our patrons the best and most fashionable goods at the lowest possible prices, giving them the advantage of a thirty years' practical experience and of an ample capital wherewith to buy at bottom prices.

Our Velvet, Plush and Silk Department Contains more novelties and better values than are shown by any house west of Chicago. We were the first to introduce "Nonpariel Velveterns" in this market, and now pride ourselves in introducing to our numerous patrons the only positively pure Gros Grain Italian Silk. Cashmere, Marguerete, which in order to prevent counterfeiting is woven into every In this department we show high-art Velvet Brocades—the newest Parisian productions. One of these is an exact copy of the material in one of the dresses Mrs. Mackay were at the coronation of the Russian Czar.

In Our Dress Goods Department, Ladies' Cloth and Cloaking Department, White Goods and Table Linen Hosiery and Glove Ladies' Woolen Underwear Trimming and Dress Button Millinery and Ribbon Laces and Embroidery

We show Splendid Assortments of the very Newest Goods, mostly of our

own European importation, at prices to please.

We call especial attention to the latest improvement in Corrects, THE "PIVOT" CORSET; price \$1.25. This Corset will be found the easiest, best-fitting and most furable Corset ever affered to the public.

In order to gratify the oft-expressed desire of many Ladies for the

BUTTERIOK PATTERNS. We have opened a complete department for the sale of these justly cele-brated Patterns.

Our Cloak and Fur Department Needs to spologize for the insufficient space devoted to its growing imp risnee, our sales in this department having doubled every season since we have occupied our present new building. The great variety of Imported and American garments, their invariably perfect fit, harmonious design and first-class workmanship, and above all, the reasonable price we iff r them at, are apparent as the cause of our success. Our Carpet, Oil Cloth and Curtain Department

Has enlarged its quarters and is cram full of the newest and best goods. We guarantee well sewed, perfect fitting Carpets and Draperies in newest designs at reasonable prices. Our Ladies' Shoe Department

Contains none but the best Goods for Ladles, Children and Gents. We warrant every pair we sell.

OUR GENTS' BOYS' and CHILDREN'S Clothing Department. " Hat and Cap Departm'is, " Boot and Shoe Departm't,

" Furnishing Goods Dep't. Carry the best and newest styles only, and our prices will show a saving of fully 10 per cent. for the same goods. BLANKETS AND QUILTS.

Having bought over 1,500 Pairs at the most important Blanket Sale ever held in the country, on Septamter 5th, we offer these goods at 20 per cent. less than regular prices. WE MEAN WHAT WE SAY.

Only a few have as yet arrived, but they are all shipped, and it will repay you to look before you purchase elsewhere Wholesale Buyers know that twenty years' experience in Utah has enabled us to study their wants thoroughly, and we are prepared to offer them a Large Assortment, Better-Goods and Lower Prices than ever Mail Orders promptly filled.

We are never undersold.

DSTABLISHED 1864.

AUERBACH & BRO.
