cation will be installed in every room. Three passenger elevators will be used in addition to freight elevators, all of them electric. Dumb waiters and all the modern applicances for convenience in the kitchen and be-tween that room and the dining room and banquet rooms will be installed. The structure will be freproof, hav-ing a steal frame on which bids are

ing a steel frame, on which bids are now being sought. A number of firms are already figuring on the steel for the frame and it is expected that the contract for this part of the building will be let this week. The outside will probably be finished in terra cotta, with'a combination of some local brick. Stone will probably be used for the lower floors. Mr. Parkused for the lower floors. Mr. Park-inson says that he expects to see this building finished within 14 months from the time that ground is broken. Bids are now being invited for the removal of all the old buildings on the ground. As soon as this work is done, the work of excavation will go right on, and an effort is going to be made to get the other materials com-ing right along so that there will not be any unnecessary defay. The cost of the building will be \$1,000,000. In addition to this mammoth struc-In addition to this mammoth struc-ture, Parkinson & Bergstrom have been instructed to prepare plans for the enlargement of the Alexandria

hotel in California, to double its pre-sent capacity. In its enlargement, which is to be carried out under the direction of Parkinson & Bergstrom, about \$1,500,000 is to be spent.

GERMAN-AMERICAN SHARPSHOOTERS SAIL

New York, May 27 .- On the steamer Maine, specially chartered for the trip, a party of 160 members of the German-American sharpshooting societies and their friends from various parts of the United States, sailed today for an ex-tended trip through Germany. Incident to the main purpose of their journey— attendance upon the national scheutenfest at Hamburg from July 11 to July 13, the members of the party plan to make a tour of a number of leading German cities. A reception for them at Oldenburg by the Duke of Oldenburg has been arranged.

M. R. BAKER PLEADS GUILTY TO BIGAMY CHARGE

Honolulu, May 27 .- M.R.Baker, who was arrested here last Monday on a charge of bigamy on cabled instructions from the United States marshal at Chicago, confessed his guilt today. His latest wife, however, whom he married here on Maxy 11, and whose name at the time was Mrs. Eva B, Wallace, remains steadfast, declaring that her faith in Baker is unshaken by his arrest.

A romance of the tropical seas under-lies this second marriage of Baker, who is believed to be the son of Charles W. Baker, secretary of the Chicago live-stock exchange. Baker arrived in Hon-olulu from San Francisco about May 1 00 the starmship Alawada. One of bis on the steamship Alameda. One of his fellow travelers on the Alameda was Mrs. Wallace, a San Francisco woman en route to Honolulu to marry Charles Howard, a former San Franciscan res-

ard and the result was that when the pace,

whether Ben Elliott, the is-year-out youth now in the county jail and against whom suspicion has been most strongly directed, knows anything of the murder or not, is undetermined. Many detectivees are satisfied that El-Many accectives and satisfied that in light knows nothing about the crime. Others are convinced that further reve-lations will involve him. At least he is the only man now in custody at whom the finger of suspicion seems to oint

Elliott had his preliminary hearing on the charge of burglary today. He admitted that he entered the store of a merchant in Tropico four times and took an amount of food and some other articles of small value. He tells what apparently is a frank and full story and asserts positively that he never aw Annie Poltera or knew of the murler until he read of it in the newspapers.

DISCOUNT RATE UNCHANGED.

London, May 27 .-- The rate of discount f the Bank of England remained unchanged today at 215 per cent. Calcutta, May 27.—The rate of dis-count of the Bank of Bengal was re-

duced from 6 to 5 per cent. THIRTEEN MORE MEN

HANGED IN CONSTANTINOPLE

Constantinople, May 27.-Thirteen men were hanged in public at day-break in Constantinople today, having been found guilty of complicity in the revolutionary outbreak of April 13. The bodies were left expected to view for a short time only.

FRENCH SAILORS' STRIKE GROWS

FRENCH SAILORS' STRIKE GROWS Paris, May 27.—The strike of the sailors, stokers and stewards of the merchant marine is extending. The men demand a weekly day of rest and equalization of pay on passenger and freight boats. The tie-up is com-plete at Marseilles, where 50 vessels are unable to move and it is partial at Harve, Dunkirk, St. Nazaire, Tou-lon and Bordeaux. Torpedo boats are being employed for the conveyance of the mails to Alegeria and Corsica. The companies concerned have asked the government to lend them crews from warships to insure the movement of the mails.

NON UNION MEN AT WORK.

Iron Workers on Commercial Club Bring Trouble to a Head.

The trouble which has been brewing or several days at the Commercial club building, came to a head this morning when the fron workers belonging to the local union refused to work on the Noted union refused to work on the building if they were not paid the same agreed to recently by other employers. They demand \$4.50 per day, while J. E. Holstrom who has charge of the erec-tion work for the Mineapolis Steel & Machinery company, says his company figured the job on the basis of \$4 per day, and he cannot afford to pay the extra 50 cents p manded by the meti. That is the case for the steel company, which put on 12 non-union men this morning, after giving the union men a chance to return to their work. Jack Minesey, business agent of the local structural iron workers' unice, says that notice was served three months ago that \$4.50 per day would be demanded by members of the union for eight hours' work. No trouble particularly is antici-pated between the men.

tained more than \$10,000 worth of loot from the residence on Riverside Drive of Thomas Shields Clark, stepson of the late Bishop Potter, while the fam-ily was in Europe this spring. The booty consisted of antique Greek and Roman bronzes, jewelry, silverware and wearing apparel. The bronzes have been recovered from a junk shop in this city, where they had been sold for \$20, although the value of the collec-tion is more than \$5,000. The police have no trace of the burgpolice have no trace of the burg-

WOMAN SUFFRAGIST PETITIONS. New York, May 27 .- Woman suffragists all over the country will today start the circulation of petitions for signature in the hope of influencing Congress next fall in the enactment of suffrage legislation. The action is taken today because it is the birth of Julia Ward Howe. It had been intend-ed to resent the petition immediately

ed to present the petition immediately but as it was later decided to gather a million signers or more the petition has been postponed until the next session of Congress,
