What Eminent St. Louis Physicians Say.

Preventive of Malaria.—Colden's Liebig's Liquid Extract of Beef and Tonic Invigorator is a very agreeable article of diet, and particularly useful when tonics are required, being tolerated when other forms of animal food are rejected. In diphtheria, Ague, Malaria, Typhoid Fever, and every depressing disease, its use will be attended with great advantage. We have prescribed it with excellent success. J. H. Leslie, M. D.; G. P. Copp, M. D.; S. B. Parsons, M. D.; R. A. Vaughn, M. D.; Drs. S. L. and J. C. Niedeleit; Wm. Porter, M. D., and many others. (Remember the name, COLDEN'S—take no other.) Of druggists generally.

Among the many desirable results of pure blood are an elastic step, buoyant spirits, and clear complexions. The possessor of healthy blood has his faculties at command, and enjoys a clear and quick perception which is impossible when the blood is heavy and sluggish with impurities. Ayer's Sarsaparilla is the best blood purifier and vitalizer known. d s & w

Tarrant's Seltzer Aperient

May properly be called the "Hercules" of medicine, for it cleanses Nature's aqueous system, and allows the recuperative powers of the system to do the work of restoration to health. No medicine cures Nature alone cures. This Aperient opens the proper avenues, the functions are permitted to resume their work, and the patient gets well.
