LOCAL NEWS.

Paralysis—Father John Tullien, who has been the Curator of the Desert Museum since the demise of Prof. Barlow, was stricken with paralysis and died suddenly at his residence in the Twenty-First Ward, shortly after 2 o'clock this morning.
Arraigned—In the District Court this afternoon, James C. Watson was arraigned, charged with unlawful cohabitation, under the Edmunds law. He was given until the 1st of May to plead, and his bonds fixed at \$500. Thomas Dobson and J. M. Benedict became his securities.
Purse Lost—Yesterday morning Mrs. A. Topone lost from the Utah Central passenger train, when near Ogden, her purse, containing \$21 in money and \$4 worth of jewelry. The finder will please take it to the Utah Central or Western Union Telegraph office in Ogden, for the lady.
A Successful Trip—Brother Joseph Bull returned last evening from a successful trip to the east, in the interest of the Pioneer News. He has been absent several weeks, during which time he visited the principal business centres of the Union, was quite successful, and returned in good health and spirits.
Robbery—On Saturday night the value belonging to Thomas Mynard, who is staying at the City Hotel, on First South Street, was opened by some one who had entered his room, and removed of two \$5 greenbacks, a British building pistol, and a pair of drawers. The thief has not yet been arrested.
An Assault—Complaint was made this morning in the Justice's Court, against one A. C. Jensen, for assault and battery on an old man named Nielsen. The affair took place on the range about six miles west of the Sixth Ward bridge, over Jordan, and arose from a dispute regarding a house built by Jensen for Nielsen's son-in-law. It is claimed that Nielsen's assailant, who is a large man, knocked him down several times, and kicked him in the right side, severely injuring him. He was found lying on the ground, unable to arise, and brought home by some of his friends.

AN ILLUSTRATED LECTURE.

To-morrow evening Dr. J. W. Burroughs will give an illustrated lecture on the "Pioneers of Daniel and John" in the Fourth Ward Assembly Room, under the auspices of the Improvement Association of that Ward. He has several nicely-printed charts, representing the different animals, images and other symbols used by these great prophets in representing future events. These, with the many historical references, form a grand work for a very interesting and instructive lecture—or, we might say, a course of lectures. The gentleman is no novice at the business and has handled the subject, with which he is quite familiar, a great many times. The lecture, which commences at 7 o'clock, is free, and the public are cordially invited. We can safely bespeak a most interesting time for those who attend. He will doubtless treat the same subject in other wards, as it is one that ought to be understood by both old and young.

TERRITORIAL ITEMS.

CULLED FROM LATEST EXCHANGES.

—The Ogden river is overflowing its banks and causing considerable damage.
—Montana expects to send out large shipments of cattle this coming season.
—Park City police made a raid on Chinese opium dens last week, and four of the Celestials were convicted.
—Eggs bring but ten cents per dozen in Logan, a fact utterly discouraging to the industrious hens of Cache Valley.
—The Ogden and the district schools of Provo closed their third term on Friday, and commenced the fourth week without vacation.
—Miss Villa Hill broke her arm the other day at the Park City skating rink. She was and fell in such a way as to cause the accident.
—A convict named Dingman, son of a Colorado minister, and who was sentenced in 1882 to serve ten years at the Laramie penitentiary for stage robbery, was pardoned Tuesday by President Cleveland.

—The roads between this city and the Park, especially at the Summit, are in a very bad condition, and the animals traveling there soon become jaded, and, in consequence, Knibball's stage line will not resume travel for several weeks.
—Last week an aged man by the name of Hahn, was drowned in the Yellowstone, opposite Junction City, Montana. He was crossing on the ice to the Custer station, when he stepped on an air hole, thus finding a watery grave.
—Little Bartle Hales, about 10 years of age, while playing in the Co-op. lumber yard at Beaver, Tuesday, was hurt by a heavy 12x12 timber falling upon the small of his back. He lay under the heavy weight some time before any one came near to lift it off. He was pretty badly hurt, but is now able to walk.
—A short time ago Mr. Phil. Grill, of Ogden, leased a butcher shop to a man named John Singer and took his note for the sausage machine, stuffer, and scales, which were on the premises. On Wednesday the fellow skipped out, to Salt Lake, it is supposed, and Phil is trying to find the missing machinery and utensils, which are supposed to have been sold.
—Jack Embree, the man who assaulted Mrs. Dixon, of Laramie, a short time ago, and afterward fired three shots at her husband, has not committed suicide as some supposed. He was caught the other day at Fort Collins, Wyoming, and is now in the custody of the officers. There is little doubt that this man will not get a lengthy term in the penitentiary, and the Dixon family, who have been in constant dread lest he should return and fulfill his murderous threats, now feel much relieved.

A Pioneer Gone—Elder John Pack, who died suddenly at his residence in the 17th Ward, on Saturday evening, April 4th, was born on the 20th of May, 1801, at St. John's, New Brunswick. He moved with his parents, at the age of eight years, into the State of New York, where he was baptized. In his 24th year, he was married to a Miss Mary, and after a short time he was ordained an Elder in the same year by Orson Pratt and Luke Johnson, and was an active member of the local Priesthood. He gathered with the Saints to Kirtland in 1835, but went the next year to Missouri, where he was with them in their persecutions. He returned to the state, and was again ordained, with his wife, on Grand River, and was condemned by the mob to be shot. No one was willing to be his executioner, however, and he was released. After the surrender of Far West, he went to Pike County, Ill., but gathered with the Saints the next year to Nauvoo. While living at Nauvoo he performed several missions to the Eastern States, and at the time of the martyrdom of Joseph and Hyrum Smith he was absent with Ezra T. Benson on a mission to New Jersey. He was taken prisoner by the mob on the ice with his family, Feb. 8th, 1846, and joined the camp on Sugar Creek, going with them subsequently to Winter Quarters.
He was an active member in the company of pioneers who came to the Great Salt Lake Valley in July, 1847; he went to the same place, and returned with his family in 1848. In 1849 he went with President John Taylor and Curtis E. Bolton on a mission to France, returning in 1852. He was among those sent to settle Carson Valley, and returned with the others when they were called back. In 1859 he performed another mission to the East and Middle States, some of which time he has been an active member of the Priesthood at home. At the organization of the Eighth quorum of Seventies, he was chosen senior president, and has been, ever since his baptism, a faithful member of the Church. He was the father of 43 children, 27 of whom survive him, besides 20 grandchildren, and 5 great-grandchildren. The funeral will be held in the 17th Ward School House Wednesday April 8th, at 2 o'clock p.m. The friends of the family are invited.

District Court Proceedings.—The case of Anthony vs. Savage was dismissed this morning, and the suit of London Bank vs. Flagstaff was transferred to the law and motion calendar. The amended complaint in the case of T. C. Griffith vs. E. A. Ireland was ordered filed.
In the case of Thomas Marshall vs. the London Bank, default of the defendant was entered and the matter referred to the clerk to compute the sum due, and judgment was granted as prayed.
The defendants in the case of the People vs. Lee Dong et al. were arraigned and pleaded not guilty. Two days were allowed to withdraw the plea.
In the case of Frank Wright vs. M. S. Ascheim a verdict was rendered in favor of the plaintiff and the jury was discharged. Defendant was allowed ten days to file notice for a new trial, and thirty days thereafter in which to file the motion and statement upon the motion for a new trial.
In the case of Lucien Lutzgubler vs. Mary Worseldale, a motion for a rehearing upon demurrer was granted on trial of cause.
A jury was empaneled in the case of N. E. Leavitt vs. Oxford and Geneva M. Co., and the trial is in progress.
Richard S. Jones, of England, was admitted to citizenship.
James C. Watson was arraigned for unlawful cohabitation and placed under \$500 bonds. He was allowed until May 1st to plead.

Welcome Home.—Utah's Delegate to Congress, Hon. John T. Caine, accompanied by his wife and two daughters, arrived here by last evening's U. C. train, after an absence of upwards of four months, most of which time has been spent in the nation's Capital, guarding and laboring to enhance the interests of his constituents, the people of this Territory. He honored the News with a call this morning, and we were pleased to find him looking so well after the long period of anxious care and assiduous labor through which he has passed. He has faithfully performed the duties of his office, and his high regard for the Territory and its people will doubtless lead him to unite with us in bidding him welcome home.

Police Court.—To-day the following fines were assessed: J. Bond, \$25; J. Murray, \$5; J. Sullivan, \$25; Molly Meyer, \$10; J. McKay, \$5; J. Lambkin, \$5. All of the parties will find employment at \$1 per day.
Fair.—It is anticipated by the committee appointed by the Territorial Stock Association to consider the advisability of holding a Territorial fair, that about the first of October next such an event will occur in this city.
Correction.—Miss Bishop called on Saturday to state that Mr. Thomas Bishop—not Messrs. Newton & Son, as we were informed—sank his own well in the Nineteenth Ward, and also one for Mr. Bywater. The Messrs. Newton did the work for Mr. Barnes.
Another Pest.—Mr. Caleb Luker, of Bountiful, sent to our office to-day several large, smooth, brown worms, as a sample of a pest that has appeared in great numbers in his neighborhood, and is completely destroying many fields of lucern. These worms are about the size of the tent caterpillar, that made such havoc of the foliage of the trees last year and threatens to do the same this summer. Their appearance and habits, however, are quite different. The gentleman states that nearly all of the lucern in the vicinity of Bountiful will no doubt be destroyed by the pest this season.
Morgan County.—From Brother Samuel Francis, who is down from Morgan Co., we learn that the snow has been off the surface in Weber Valley for about ten days now, and the people are busy as possible putting in their crops, with strong hopes of an abundant harvest. Quite a number of that region have gone to Logan to attend Conference, a rate of \$3.00 having been allowed by the U. P. for the trip, which may be considered rather liberal in view of the fact that the Conference rate to this city used to be \$3.00. The Saints of the Morgan Stake have lately placed new seats and a stand in their Stake Meeting House, which render its interior much more attractive and comfortable than formerly.

A Correction.

Z. C. M. L. SUE FACTORY, SALT LAKE CITY, April 6, 1885.
Editor Desert News:
In your editorial on Saturday last, concerning the "Success of a deserving institution," you state that "the tannery and shoe manufacturing departments were conducted for some time at an actual loss." This remark should apply only to the Tannery. The Shoe Factory has made a considerable profit from the beginning. The tannery, I am pleased to state, is now paying expenses, and a little over. Your quotation of the value of leather produced last year lacked one cipher, it should read \$52,000.
Yours truly,
W. M. H. ROWE.
