Last Night's Dispatches.

PER WESTERN UNION TELEGRAPH LINE.

CONGRESSIONAL.

HOUSE.

Status of the Indians.

WASHINGTON, 24.—Shanks offered a resolution, instructing the committee on Indian affairs to investigate the status of the Indians of the U. S. and its Territories, as to their citizenship under the Constitution, and touching their title to property and to other rights and privileges, in view of past treaty stipulations and law, and the executive orders concerning them. Adopted.

EASTERN.

Arrested.

NEW YORK, 24.—Mackay, who gave testimony before the governing committee of the Stock Exchange, relative to the forged documents of the Western Union and Toledo, Wabash and Western Companies, has been arrested.

Wife Murder—Preparing for a Crusade.

DAYTON, O., 24.—This afternoon, Christopher Mourse, a Frenchman, living in the south part of the city, shot and instantly killed his wife in a sudden fit of rage, which is attributed to a disordered mind.

A large and excited meeting, composed mostly of women, is held here daily and nightly, to prepare for a crusade against the liquor sellers, the time for which is not yet fixed.

Railroad Strike.

BUFFALO, N. Y., 24.—The freight and brakemen on the N. Y. and Erie R. R., are on strike, for their back pay; no freight trains moved to-day in consequence, and all passenger trains have been stopped at Hornellsville, and nothing is allowed to proceed except the engine with the mail car. The men remain firm, and the company show no sign of acceding to their demands.

The Pro Rata R. R. Difficulty.

CHICAGO, 24.—Mr. J. C. Stubbs, the freight agent of the Central Pacific R. R., stated to a reporter yesterday, that thus far nothing had been accomplished to secure an understanding between the Chicago roads and the Union and Central Pacific; the managers of the Central would gladly prorate if they could induce the managers of the Union Pacific to do the same, but every effort for a peaceable settlement had thus far failed on account of the stubbornness of Vining, the general freight agent of the Union Pacific. In his opinion the Central and Union Pacific should receive something more than the Chicago roads, but he would nevertheless prorate, because business would be greatly improved thereby. Through freights had not fallen off much on account of the difficulty, the Baltimore and Ohio R. R., doing their business at very low rates. The Pacific Mail Steamship Company was injuring the Pacific roads far more than the action of the Chicago railways, that line having an established China and Japan trade, which it would take many years for a new line like the trans-Pacific to acquire, but nevertheless they would get that trade, and especially the tea traffic, before long, as a lot coming overland was far superior to that transported *via* the Isthmus. This was owing to the fact that the tea going overland was not subject to such changes in climate as that going *via* Panama. Mr. Stubbs was confident that the difficulty could not last long, and that everything would be peaceably settled in a few days.

Closing Saloons.

RIPLEY, O., 24.—The temperance crusaders, yesterday, began their work on the suburban saloons, and have already induced two to close, the proprietor of one of them giving them his stock to pour into the road.

Will not Abolish Death Penalty.

AUGUSTA, Me., 24.—The House of Representatives, to-day, refused to pass the bill abolishing the death penalty, by a vote of 57 to 73.

The Crusade Commenced in Iowa.

FT. MADISON, Ia., 24.—The Ladies' Christian Temperance Association of this city, sent a postal card this p.m., to each saloon keeper in the town, asking them to close, and informing them that if they don't comply by Thursday next, they would visit them personally and pray and entreat them to do so.

Temperance Convention.

COLUMBUS, 24.—A State Temperance mass Convention met here today; about a hundred persons were present, mostly from southern Ohio. Dio Lewis presided. Short speeches were made by a number of persons, including several ladies. A State Temperance Bureau, intended to supply speakers and organizers for working all parts of the State, was organized. Resolutions were adopted hailing the success of the movement as a proof that the liquor traffic can be abolished, declaring reliance on Divine assistance in the work, urging contributions of money to aid the movement, and appealing to the ladies who engaged in it to avoid all denunciation of liquor dealers, but to treat them kindly and endeavor to assist them in changing their business to some other which shall be remunerative to them and beneficial to the community.

WESTERN.

Horse and Cattle Disease—Fares Reduced—Charge to the Grand Jury.

SAN FRANCISCO, 24.—A dispatch from Portland, Oregon, says a horse and cattle disease has broken out in Baker County in that State, and is spreading extensively, and with quite fatal effects.

The Pacific Mail Company have reduced the price of the passage from this port to Yokohama to one hundred and fifty, and to Hongkong, to two hundred dollars.

Judge Stanley, of the County Court, to-day, summoned the grand jury to the court room and gave them a special charge to investigate and ascertain whether city treasurer Hubert had deposited over $600,000 in the bank of California, contrary to the express provision of the law of the State making such an act a felony, and whether Mayor Otis had connived at the act. The charge was very severe, and the matter has caused much excitement already. The County Judge is one of the parties required by law to examine the treasurer's accounts, and in his charge he says the facts recited by him indicate the possession by the Mayor of moral perceptions so utterly at variance with his own conceptions of right and wrong, that he cannot safely entrust his reputation in the Mayor's keeping, or share with him the responsibility imposed by law.

MEXICO.

Atrocious.

CITY OF MEXICO, 15.—A terrible affair is reported in the State of Vera Cruz. A quarrel between townsmen of Quimixitan and Huascaleca resulted in a fight, in which seventeen were killed; the infuriated Huascalecans afterwards went to Quimixtlan and began an indiscriminate massacre, killing children, and cutting off the breasts of women. The neighboring town of Chalchicomula sent a detachment of militia to stop the atrocities.

FOREIGN.

GREAT BRITAIN.

Appointments.

LONDON, 24.—Sir John Burgess Karslake has been appointed Attorney-General, and Sir Richard Baggarly Solicitor-General.

RUSSIA.

Grand Fete.

ST. PETERSBURG, 24.—United States Minister Jewell gave a grand fete in honor of Washington's birthday.

SPAIN.

Confirmed—Engagement Expected.

MADRID, 24.—The report of the capture of Portugalite by the national forces is confirmed.

Morionez, with 22,000 men, now confronts the main body of the Carlists, and news of a general engagement is hourly expected.
