

Browning Bros. and Other Capitalists Purchase Blair Mine Near Rocksprings, Wyo.

DEMISE OF JOHN K. HALL.

rominent Citizen of Morgan County Called at 77-Boundary Line to be Fired by Legislature.

Ogden, Jan. \$1 .- A company of ogden capitalists among them being Browning Brothers, David Eccles, H. H. Rolapp and others, have purchasd from Archibald Blair of Blairville, vreming, near Rock Springs, some valuable coal properties for \$32,000. The gentlemen consider the purchase very good one as already over 1,000,000 tons of coal is in sight. The a very good one of coal is in sight. The property has been owned by Blair for a long time but he did not have the capital to work the mine and the main veln has not been tapped. This evening M. S. Browning with en-gineering experts will go to Rock **Drings** and from there to the newly acquired properties to look up the situation and get things in readiness to develop the mine. They do not expect to be able to get much coal out this senson, but by the time next winter sets in hope to be able to put large quantities on the market. These gentlemen will form a corporation in the near future which they expect to capitalize for \$100,000, and that amount of money will be used for ount of money will be used for development work.

BOUNDARY DISPUTE.

Legislature to Determine Line Between City and County.

Ogden, Jan. 31.—The state legislature will be asked to definitely decide the boundary lines between Ogden city and Weber county. A measure is be-ing prepared which will be presented to the legislators within the next few days by the city and county attorneys, and a committee from the city council and county commissioners. nissioners

The greater part of yesterday was oc-upled by committees from the council and commissioners, together with the and commissioners, together with the city engineer, county surveyor and at⁵ torneys, in discussing the matter fror that the best and most satisfactory method of determining on a boundary line was to follow out the plans used by the county assessor in assessing the operties, dividing the property on ction lines, and this method will be

Hall will learn with regret of his death at Midway, Summit county, death at Midway, Summit county, Tuesday, from paralysis which caused his sudden demise. For several years Mr. Hall had been living in Ogden with his daughters, but a short time ago went to Midway to spend the win-ter with another daughter. He was 77 years of age and leaves a family of several sons and daughters. For years he was counselor to the bishop at Enterprise, Morgan county, where he owned considerable property. De-ceased was buried at Peterson, the funeral being held at the ward meet-inghouse at that place this afternoon. ENGINEER HURT ENGINEER HURT.

Andrew Alexander of this city, a locomotive engineer in the employ of the Southern Pacific, had his right leg badly crushed yesterday in a slight wreck. Alexander was en-gineer on overland limited No. 1, west-bound. As he was pulling his train into the Carlin, Nevada, yards westerday, morping year, slowly, he obtrain into the Carlin, Nevada, yards yesterday morning very slowly, he ob-served some freight cars on the main line. He was too near them to stop his train and realizing that a collision was inevitable he jumped down into his cab just as the engine struck the car. The side of the cab was crush-ed in and his leg was caught between the floor and the side of the engine and broken. He was brought to Og-den and taken to the hospital where he received medical attention.
