About noon to-day, a young gamed James Brown, and who was nally partially intoxicated, fell down e tlight of stairs leading from Main mit the beer saloon in the upper floor unddard's new store. He remained a state of insensibility for nearly afteen inners after falling. On recovering he a taken home in a wagon. He did not, cmed, sustain any serious inju-

Fo -The ful eral services of Bro Merry, Jr., took place this morning 14th Ward School House, which was Sed with his relatives and friends were made by Elder Geo. 12 and President George A. Smith.

That, in the Art Gallery of Messrs. conatti O tinger, an exquisite little oil y trun the pencil of General deit is a landscape, with a herd | Morgan's College. the fore and mid-ground, and sents a scene on Donglas Creek, Da-It is quite a little gem, and

rule among the officers of the governat with which this Territory is at pret pestered. He had at least a modicum
conscientiousness left, which prompted
t to partly admit that his position was a ber honesty or moral courage sufficient abandon the position he knows to be

he is a good deal of power to be held by ma man." Exactly! Yet there is a con-implication of the "one-man power" among the "Mormons," by those who are envious of the influence wielded by Presient Young. There is this difference bemen the power of President Young and tride their venomous, pestiferous pre-nomamong honest men—the latter overevery principle of common law and stice to gain power over the people whose simple and can be learned in a few hours. ved by the former is in consequence of being the long and well tried friend of people and because he occupies a warm lace in their affections. If the people hoose to have President Young, or any her good man, for an adviser, so long as a advice is based on principles of sound osophy and common sense, whose busi- SAWS SHARPENEU, No one's. And furthermore, a Mormons intend to continue to be law og and peaceable, and take the course it seems to them best, and their enemies whistle to the wind," for that has an their employment for some time past. is a good deal of power to be held by We should rather say so. ak of the people of Europe not enjoying edom after this, when the citizens of a lerritory of free America have imposed

States and Territorial. Into the hands of that man, neither placed there by, nor having the confidence of the people, is meanwably intrusted the safety of the people. GLEASED.-We learn, from the Millensistar, of Aug. 22nd, that Elder W. M. leased to return home, wi h the company ch was to leave Liverpool on the 6th in-

| RUNAWAY .- Last evening, about five rock, as two gentlemen were driving and in a small, wickerwork, one-horse vey, and when near Folsom's corner, in Fourteenth Ward, the animal shied commenced kicking furiously, comthe vahicle. After this, he ran into the One of the occupants of the buggy mpel out before it struck, and escaped art, but the other gentleman was thrown and sustained a severe cut around one seyes. Both shafts were broken off the animal, being freed from the ves, started off on a run towards the sneed House, at which point le was ought to a stand-still. We did not learn the buggy at the time of the accident.

TEN ITEMS. - The following items are n the Junction, of Saturday: Iwo miles of the Utah Northern Railhave already been graded, near Brigthe timber on the south side of Tayin the time kiln, and is still burning ednesday night the flames rolled up

and high, and presented a very ounty Court of Weber, has issued robibiting, on and after the 15th he catching of fish, in any of the ins than hook and line, except by perpermission by license.'

and Pacieto.-Athole, writing from ich under date of Aug 29th, says: "salent Snow arrived here about sing in Washington in the forences. Sarnyal in St George he drove up to labernacie, where meeting was being and gave a very interesting account

irtyels and labors since he left this te, having been absent about six weeks. the day after his return he had an inter-*w with a number of the Indians who the in this vicinity, they having been my requested to come in and have the water him about their present diffithes, which resulted in much good, as A ew of the Indians who had been stealing are present and acknowleded their missels, and agreed to bring in all the stolen ock that were alive, some of which havof died, and some had been eaten by Im. They also promised to cease stealog and induce others to take the same ourse. Yesternay, the 28th, quite a numwith President Snow, in reference

their depredations and the appointment is another chief. They all evinced a friend-feeling, manifesting a desire to quit sealing and live at peace with the "Mormons." The wise policy adopted by Presdent Snow towards the Indians, gains their confidence, cavaling them. onddence, causing them to see it is to ber interest to maintain friendly relations with the settlers. A few of the Indians oported that it was at the instigation of one "whites" at present on our borders that they were induced to make the late this upon our stock. They gave the parall antil the allegations are more fully restigated. If the statements of the Inissue correct the conduct of those they carry is most villainous, and, if persisted is may lead to disastrona consequences to the rescals themselves.

In this city, on the 9th Itst., WILLIAM HENRY FOWLER, aged 39 years after a complicated illness of five months' duration. His funeral took place this morning.

In this city, Sept. 2nd, SARAH, daughter of James and Eliza Bight, aged one year and seven months. Deceased was born in Devon-shire, England.

At Richmond, Cache County, Sept. 4th, of lung sever, SARAH, wife of Issae Smith, aged 40 years. She Was a native of Burbage, Wiltshire, England. She joined the church in '54, emigrated to this country in '54, and crossed the lains in a hand-cart company. Mill. Star, please copy.

In Cedar City, Fron County, Sept. 5th, of con-sumption, aged 23 years, MART, daughter of Henry and Elizabeth Thomas, late of Crumlin, Monmouthshire, England. Slater Mary em-braced the gospel in Crumlin, when she was about 8 years old, and she migrated to this Territory in the Fail of 1889.

At Springville, Sept. 1, of a spries received from being thrown from a boose in August THOMAS NOAKES. He was born in Sussex Eng., in 1791. He migrated to the United States in
