

LOCAL AND OTHER MATTERS.

FROM FRIDAY'S DAILY, APRIL 29.

Bishops Meeting.—The main topic discussed at the meeting of Bishops last evening, was the expected arrival of the emigrants. The first five city wards, i.e., from the first to the Fifth inclusive, were requested and agreed to furnish teams and refreshments to meet the company on their arrival at the depot, and convey them and their luggage to their destinations. The company is expected within a week or ten days.

Small-Pox.—As stated yesterday the small-pox is raging in the Sandwich Islands. Letters from there to native Saints in this city, confirm the published report. About 400 cases exist on the east side of the island of Oahu, where the plantation of the Latter-day Saints is located, but none of the latter have been attacked by the disease. As a precautionary measure, however, their semi-annual conference was postponed.

Diphtheria.—In view of the prevalence of diphtheria in the settlements adjacent to Salt Lake, it might be well to take note of the following piece of information, sent by a Beaver correspondent to this paper: The last time the dreadful scourge visited Beaver, the best results ever experienced there in its treatment was from the practice of Dr. Gunn's method of treatment as contained in the book known as Gunn's *Family Physician*, pages 254 to 257. Sister Mary Ann N. Tanner, a leading nurse and woman and child doctor of Beaver, used the method there described with much success, losing few if any cases taken in time. She usually got the druggist to prepare the prescription.

Safe Robbers.—The following communication from Ben. O. Rhoades, Sheriff of Marshall County, Iowa, should be read:

"James G. Avery, deaf and dumb, known as McGee, about 20 years of age; 5 feet high; light complexion, and light hair; weight about 100 lbs.; low forehead; sharp, quick eye; made his escape from the jail in Marshalltown, Iowa, on the evening of the 22nd day of April, 1881.

It will be to the interest of all good citizens and officers to do all in their power to advertise this man and assist in his capture, as he is connected with some of the most notorious robbers in America. He being a mute, very smart and shrewd, and a man that would be least suspected, makes him a very important member of the gang.

A liberal reward will be paid for any information that will lead to his recovery."

FROM SATURDAY'S DAILY, APRIL 30.

The Warm Springs Lots.—The auction sale of the lots in the Warm Spring Pasture took place at 10 o'clock this morning and lasted about three hours. The sale was quite lively. The auctioneer, B. Y. Hampton, stood in his buggy just opposite the Bath House, inside the pasture enclosure, and put up the 41 lots in succession. There was no scarcity of bids, and the sale may be called a prosperous one for the city. The sales aggregate \$5,945; the prices of the lots ranging from \$86 to \$425. The average per lot is \$145.

Narrow Escape.—A little nine year old daughter of Captain Greenman, U. S. Deputy Marshal, while up City Creek Canon this morning, accidentally fell into the stream near the water tanks, and was swept down by the booming torrent a distance of about 200 yards. She caught and clung to some bushes opposite the residence of Officer Heleman Pratt, and he rescued her from her perilous situation. Young children should not be permitted to go up the canyon alone. The creek is very high just now, and loss of life is apt to result from such mishaps as the one described.

Missionary Letter.—We have been permitted to read an interesting communication from Elders John H. White and Joseph A. Jennings, dated on the 7th inst., at 10 Dorset Street, Bride Street, Liverpool Road, Islington, London, England, to Bishop F. Kesler, of this city. The brethren were prospering in their missionary labor and feeling well. Brother Jennings was traveling with Brother E. King, of the 15th Ward, this city, through the District of Kent, a lively part of the London Conference. They had, within a fortnight, baptized eight

new members, rebaptized two, and had promises of ten more converts within a week.

Brother White was laboring in the Woolwich and Orpington branches, where he expected to do much good this season. Their semi-annual conference was just over, a most enjoyable occasion, attended by all the brethren of the various districts, with President Carrington in their midst. All departed thence with a renewed determination to prosecute faithfully the work of building up the kingdom of God.

FROM MONDAY'S DAILY, MAY 2.

The Emigrants.—Following is a copy of telegram received to-day:

NORTH PLATTE,
May 2, 1881.

Prest. John Taylor:

Our company reached Council Bluffs Saturday evening; three days from New York. Left Omaha Sunday at 8 a. m. All well.

D. C. DUNBAR.

Information Wanted.—William John Graham desires to learn the whereabouts of his father and mother, who left Lambeg, County Down, Ireland, sailing from Belfast for America some thirteen years ago. His father's name is Thomas Graham, and his mother's maiden name Jane Boreas. Address, William J. Graham, 679, Garscube Road, Glasgow, Scotland.

District Court.—Proceedings in the District Court on Monday, May 2, 1881, Chief Justice Hunter presiding:

Geo. Thackrah vs. Emil Haas et al.; demurrers to complaint sustained, complaint dismissed.

Salt Lake City vs. Wm. S. Clays; motion to dismiss appeal overruled, and in other cases exception.

C. M. Giberson vs. Miller M. and S. Co.; verdict for defendant; 30 days to prepare notice for new trial.

Wm. H. Sherman vs. R. W. Sloan; case in progress.

A Creditable Work.—The people of Huntsville, Weber County, have recently erected a fine new meeting-house, at a cost of \$9,000. The people there are generally very poor, the total tax of the place being less than \$700 per annum. The climate is rather cold and unfavorable to the raising of fruits, excepting plums and other small fruits; is too cold for corn, and but two kinds of shade trees will flourish there. The inhabitants are a live community nevertheless, as shown in their commendable public spirit, and deserve great credit for their enterprise in building up their settlement, despite of all the drawbacks they are compelled to encounter. The community is well organized, and an excellent feeling prevails in the midst of the Saints there, under the watchcare of Bishop F. A. Hammond.

BOX ELDER STAKE CONFERENCE.

The regular quarterly Conference of Box Elder Stake commenced at 10 a. m., April 23d, 1881, in the New Tabernacle at Brigham City. On the stand were F. D. Richards and Lorenzo Snow, of the Twelve Apostles; O. G. Snow and E. A. Box, of the Presidency of the Stake and a goodly number of Bishops.

After the opening exercises, the time was occupied by several of the Bishops giving reports of their Wards. A falling off of tithing was reported by several, the chief cause of which was the severe drought of the past season. The statistical report of the Stake was read.

2 p. m.

Singing and prayer. President O. G. Snow read the donations of the Stake by Wards, to the Logan Temple, made from May, 1877, to March 1st, 1881; also the statistical and financial reports of the Y. L. M. I. Association of Brigham City.

Apostle L. Snow spoke on the law of tithing and the sacred obligation of the Saints to observe it in the spirit of freedom and not by restraint.

President O. G. Snow spoke in the interest of education and on the law of tithing.

Apostle F. D. Richards remarked on the peace and blessings in possession of the Saints, and related the current news of floods and earthquakes which were destroying life and vast amounts of property in various parts of the earth. Singing and benediction.

10 a. m., 24th.

Meeting opened with singing and prayer. A few remarks were offered by Bro. S. Smith and Bishop A. Hunsaker.

Apostle L. Snow gave a general review of the operations, benefits and effects on the community in general, of our co-operative industries, and was thankful that the union established in the hearts of the people was still prominently manifested, in spite of all the embarrassments which had arisen.

Apostle F. D. Richards endorsed heartily the remarks made, and said, "you have been exceedingly blessed in the past, but God will bless you more abundantly in the future." Alluded to the turmoil existing in the nation, and the efforts made to stop the work of God. He said the labor of the Saints is before them, and I would counsel them to go not down, to consult with the wicked about it, but to steadily continue in building up the kingdom, for there is no time to waste.

2 p. m.

After singing and prayer the sacrament was administered.

Prest. O. G. Snow presented the general authorities of the Church, and also those of the Stake, all of whom were unanimously sustained.

Counselor E. A. Box remarked on the power of the gospel, and the gifts and order of the Priesthood.

Bishop A. Nichols offered a few remarks.

Apostle F. D. Richards said our religion is an embodiment of the truths and principles of salvation, and when comprehended by the light of the spirit, appears to the understanding most beautiful and glorious, and this gift of our religion to man has cost the best blood of this generation, in the cruel martyrdom of Brothers Joseph and Hyrum, the first of whom, by the gift and power of God restored this, the new and everlasting gospel, to the human family; he enlarged on the subjects of translation, resurrection, and the redemption, closing his remarks by blessing the people in the name of the Lord.

Choir sang the anthem, "O be joyful."

Conference then adjourned till 10 a. m., July 23, 1881.

Benediction by Pres. O. G. Snow.
