Land Office Decision.

WASHINGTON, 5.—The commis-  
sioner of the General Land Office,  
to-day, decided in favor of Pratt  
and Carr, and against the State of  
California, involving 320 acres in  
Livermore Valley, which were in-  
cluded in the Lewis survey of the  
Los Poetas grant. The commis-  
sioner rejects the survey, approved  
by Hardenberg, of the ranch cor-  
ral De Tierra, comprising 4,450 acres  
in Monterey county, and directs a  
new survey to be made within the  
exterior boundary prescribed by  
the decree of final confirmation.

The Safe Case.

In the safe burglary case this  
morning, copies of telegrams were  
introduced to show the connection  
of Harrington, Carr, and other  
with the parties on trial. Testi-  
mony was introduced to show that  
Whitely engaged the man Will-  
iams or Bliss, alias Geo. E. Miles, to  
commit this burglary. That Miles  
was convicted of arson and burglar-  
y, and sentenced to the Auburn  
prison for ten years, and was par-  
doned out at the solicitation of  
Whitely, and that Miles, feeling  
under obligations to him, commit-  
ted the burglary at his request.

Starvation in the Grasshopper  
Regions—Mr. Creighton Dead.

OMAHA, 5.—An officer sent from  
Fort McPherson, Neb., a few days  
ago by General Ord, to visit all  
sections of the grasshopper district,  
reports that he finds no cases of  
actual starvation, but much suffer-  
ing, some of which has been par-  
tially relieved from various sources.  
Relief must be given, or hundreds  
will starve before winter is half  
over. Within ten days many will  
be without a pound of corn or flour;  
the present aid they are receiving  
is but a drop in the bucket, and un-  
less the government aids them, the  
alternative is fearful to contem-  
plate.

Edward Creighton died this eve-  
ning.

Kansas Election.

ATCHISON, Kansas, 5.—The re-  
turns of the thirty-two legislative  
districts elect 60 republicans, 10  
reformers, 9 democrats, 2 indepen-  
dent republicans, and on local  
issues the twenty districts not  
heard from, fifteen will probably  
elect republicans. This gives the  
republicans about two thirds of the  
lower house.

Democratic Legislature.

MONTGOMERY, A., 5.—The legisla-  
ture is about sixty democrats and  
forty republicans.

Republican Majority.

ST. PAUL, 5.—The republicans  
claim the legislature by eighteen  
majority on the joint ballot, which  
is the same as last year.

Arkansas Democratic.

LITTLE ROCK, 5.—From incom-  
plete official returns the democrats  
claim the election and the entire  
Congressional delegation.

Republican Governor.

CHARLESTON, S. C., 5.—The News  
and Courier, from incomplete re-  
turns, concedes the election of  
Chabert, by about six thousand  
majority; also the election of  
W. A. Wall over Hoge, rep., to  
Congress.

Democratic Majority.

ST. LOUIS, 5.—Menger returns  
show a democratic majority in the  
State of thirty to forty thousand;  
the Congressional delegation will  
be entirely democratic by a gain of  
the fourth, first, second and third  
districts, which elect Kehoe, Wells,  
and Stone.

Indian Agent Appointed.

NEW YORK, 5.—The President  
to-day appointed James L. Broad-  
e, of California, agent for the In-  
dians at the Hoopa Valley agency  
in that State.

Dead.

The Right Rev. Dr. Bacon,  
Roman Catholic Bishop of the Di-  
ocese of Portland, Me., who arrived  
here yesterday by the steamer  
Peruvia, from Havana, died this  
evening at the St. Vincent Hos-  
pital.

Result of the Election.

NASHVILLE, 5.—Thornburg, rep.,  
is elected to Congress in the first  
district; McKelrand, dem., is elect-  
ed in the first district over Roderick  
and Butler. This makes the Con-  
gressional delegation from Va.  
consists of one republican. The  
legislature is nearly unanimously  
democratic; the democratic major-  
ity for Governor is over 40,000.

The Result in Kentucky.

RICHMOND, VA., 5.—A Danville  
democrat, Charles A. Cabell, con-  
servative, is elected from the fifth  
district; Douglass, conservative,  
in the first district, defeats Sener,  
the present member; Platt, rep., is  
elected in the second district. The  
national delegation from Va. con-  
sists of seven conservatives, two re-  
publicans. The conservatives gain  
three.

Further Returns in Louisiana.

NEW ORLEANS, 5.—In the first  
congressional district, Dem., has  
a majority over Sypher of about  
3,500; in the second district  
Ellis, dem. elects over Dilbeck,  
rep., by about 2,500; in the third  
district additional returns indicate  
the election of Darrell, rep., by 500  
majority.

Gen. Loma has embarked with a  
light battalion to the relief of  
Irun.

Ten steamers embargoed by the  
government have begun to trans-  
port troops to San Sebastian for the  
relief of Irun; each will take about  
a thousand men. An official de-  
spatch from Irun reports that the  
Carlists are suffering heavily.

Coriolity Between Russia and  
Spain—Plenty of Gold and

The "Faraday" and the Direct  
Cable.

LONDON, 5.—A Berlin dispatch  
says it is reported in diplomatic  
circles that relations between the  
Czar and President Serrano have  
assumed a thoroughly cordial char-  
acter, and it is expected that Rus-  
sia will shortly formally recognize  
the republican government of  
Spain.

Advices from Cape Town to the  
11th of Oct., at hand to-day, state  
that the gold fields are attracting  
much attention, large nuggets be-  
ing found daily. The crops through-  
out the Colony are in good condi-  
tion.

Dispatches received from the  
steamer "Faraday," engaged in  
laying the direct U. S. cable, re-  
port one thousand knots paid out  
to this morning.

International Catholic Con-  
gress.

The chief authorities of the  
Church have decided to hold a  
great international Catholic Con-  
gress in London, with the object  
of maintaining the doctrine of papal  
infallibility, reasserting the Pope's  
right to temporal as well as spiri-  
tual power, and proclaiming it the  
bounden duty of all Catholics to  
return to allegiance to Rome. It is  
stated that this determination is  
the result of direct instructions  
from the Vatican, and some of the  
highest dignitaries of the church  
will attend the Congress. Arch-  
bishop Manning, in a speech at  
Westminster, admitted that the  
spiritual influence of the Pope had  
greatly increased since the loss of  
his temporalities, and that if arbi-  
tration was ever to supersede war,  
the Pope would be the only possible  
authorized arbitrator of the Catholic  
world. He added that he was  
threatened with a controversy on  
all the decrees of the Ecumenical  
Council, and there was undoubt-  
edly approaching one of the most  
contentious in the religious world  
ever seen, therefore it was necessary  
to fearlessly assert, through the  
free press of England, the Pope's  
rights and his pretensions to world-  
wide allegiance.
