LOGAN DEPARTMENT

PAYING OFF COUNTY BONDS.

Other Cache County Transacted by Commissioners—Wedding Permits, Special Correspondence.

Logan, Cache Co., May 2.—The county commissioners met in regular session yesterday and besides the regular routine business considered the proposition of the state land board to redeem \$100,000 of the outstanding bonds of the county. As there is \$900,000 in the county treasury, the auditor was instructed to draw a warrant for that amount and \$10,000 to be applied in redeeming bonds. The county has an indebtedness of \$45,000, which will now be reduced to \$35,000, besides leaving \$15,000 in the county treasury after paying for the new addition to the courthouse.

The Shoshone Power company of Salt Lake City, by its attorney, John A. Bagley, asked for a blanket franchise for its power line through Cache county. The commissioners looked upon the request as too indefinite, and tabled the request indefinitely.

A new road district was created in the upper part of the Benson district to be called Riverside.

A committee of the Logan City council was present and asked the board to make an appropriation towards improving the county road through Logan City. The proposition was taken under advisement.

Earl & England's bill of \$10.50 for publishing a notice to contractors was held over until an itemized bill could be submitted.

T. H. Cutler was confirmed as deputy sheriff at Trenton.

James Hobbs of Benson, Joseph Johnson of Millville, Louise Gibbs of Avon, George Phillips of Mount Sterling, and M. D. Bird, were appointed registrars of vital statistics for their respective districts.

The committee of the Cache Commercial club is arranging to loan another car of supplies for San Francisco. The car is to be loaned to the committee.

Permits to wed were issued yesterday to the following couples:

Peter V. Christensen, 19, and Flossie A. Williams, of Tyrum.

James Hobbs, 24, and Madeline Hansen, 24, of Logan.

John Hlum, 27, and Lizzie Palmer, 23, of Malad, Ida.

David Dahl, 29, and Jennie Thompson, 25, of Clarkston.

A new girl arrived at the home of Hopkin Mathews of the Second ward on Sunday evening.

The case of the State vs. E. R. Davis is being tried in the district court today.

THE RICHEST MAN IN THE WORLD

The richest man in the world can not have his kidneys replaced with gold. It is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Doctor Bowman, Las Vegas, (then Mexico), under Wm. Brimhurst, where he spent two years, until the mission was broken up, when he returned to California, returning to Utah in 1858, on account of the approach of Johnston's army. He volunteered to drive team with supplies to the mountains to the Echo canyon patrolling serving under John D. T. M. Allister. He, with others, made his bed in eight feet of snow, and froze his feet, and had to be sent home. He resided in Kay's ward (now Kayville) and Spanish Fork, moving to Springville in 1862, where he resided until he moved to Mapleton about 7 years ago. Elder Tuckett acted as secretary and treasurer in the first Sunday school of Springville, and was editor of a Sunday school paper called the Advocate; was head teacher for many years, and was called by Bishop William Brimhurst to act as superintendent of Second Ward Sunday school, a position he filled with credit until 1882, when Springville was divided into four wards, and he was called to be the Bishop of the First ward, where he labored until August 1888, when he moved to Mapleton. He served as a city councilman for four years, and has always taken an active part in the building of this country, and is familiar with the ups and downs and privations of early Utah life, subsisting at times on roots and thistles, while he, with his three brothers, provided for their sister and widowed mother. He is now engaged as chairman of the Mapleton committee for gathering means for the California sufferers. He is as active as many men at 40, earnest and zealous in every good work.

A Weak Heart

Sliding Along With Machine-Like Precision He Won Easily.

FIRST TIME AS 3-YEAR-OLD.

Fine Animal Was a Strong Favorite With Race Goers—Fast Mark On Slow Track.

Louisville, Ky., May 2.—Sliding along with a machine-like precision which seemed more like the movement of a steam engine than a horse, Sir Huon, a fawn-colored colt out of Louisville, starting for the first time as a 3-year-old, won the thirty-second Kentucky Derby today. Always the favorite in the betting, Sir Huon, owned by George J. Long of Louisville, won with apparent ease, the Ellis son entry, Lady Navarre and James Redick finishing second and third.

The betting on the Derby was the heaviest ever known, all the starters except Vellers finding good support. The field was away almost immediately to a fair start, but James Redick in the lead, but that animal drew back behind Lady Navarre, who was ranged alongside Sir Huon.

Passing the grandstand Hyperion II was out in front and going as though he had been given a head start, but he was along easily two and a half lengths behind the leader, with Lady Navarre and Redick hanging on his flank. These positions were maintained until half a mile had been accomplished. Hyperion II took it at a race calculated to stand an ordinary day of horse racing on their heads.

COULD NOT PASS HIM.

After going this far Hyperion seemed to tire for an instant and dropped back on even terms with Sir Huon. He came again to the front, but he was half a mile behind the leader, and he could not pass him.

The favorite continued to draw slowly away, and passed under the wire a winner by a length and a half and apparently holding some in reserve. James Redick was two lengths behind his stable mate. The Derby had a guaranteed value of \$50,000 to the winner.

SUMMARY.

First race, inaugural dash, five and one-half furlongs—Hedon, won, by a neck. Second race, four furlongs—Wing Stung won, by a neck. Third race, six furlongs—Hedon won, by a neck. Fourth race, the Kentucky Derby, mile and a quarter—Sir Huon, 17, Troler, 4 to 5, won. Lady Navarre, 15, Troler, 4 to 5, second; James Redick, 17, Donkey, 15, third. Time—2:08.5. Vellers, Hyperion II and Debar ran. Warner Graywood second, Bortzian third. Time—49.25.

Sixth race, selling mile—Bellandian won, Chamblee second, Carries third. Time—1:34.

A Weak Heart

Seldom gets strong again without help. Awake or asleep, it never stops, and consequently has no period of rest or relaxation in which to regain lost vigor. You should avoid exertion, excitement and worry as much as possible, to relax the strain, and take Dr. Miles' Heart Cure, which is a heart tonic, to strengthen and restore vigor to the heart nerves and muscles. The symptoms of a weak heart are shortness of breath, palpitation, feeble or too rapid pulse, hungry spells, hot flashes, dizziness, smothering spells, pain in heart or side, etc.

"I had been treated for heart disease by different physicians with no improvement. My doctor informed me that there was little hope of my ever being able to do a day's work again. About a week ago a gentleman called upon me, and said, 'I heard of your condition, and have come to tell you that Dr. Miles' Heart Cure saved my life, and I want you to try it. I did so, and after a week or so I went to my physician and told him I had been taking Dr. Miles' Heart Cure. He examined me and said, 'God bless Dr. Miles' Heart Cure. It has made you better in a few days than I ever expected to see you again.' I am now well, having fully regained my health by the use of this remedy."
