American and National Organizations Open Season of 1904 In the East.

### PROSPECTS ARE ENCOURAGING.

Every Game Played Yesterday Afternoon Was Attended by Large Crowds—Teams That Won.

"Play Ball!" The joyful cry was heard in the east yesterday afternoon, when the American and National baseball leagues opened the season of 1904, with games in Cincinnati, Philadelphia, New York, St. Louis, Washington and Chicago.

Butte, Mont., April 14.—Current report has it that the fight against boxing will be removed to the city of Butte. The fight, and a number of good matches are in sight if the authorities will remove the ban and allow the fight to take place. The most talked-of match locally is between Herrera and Louis Long. The latter received a decision over the Mexican at Anaconda, a short time ago, and Herrera has been asking for a match ever since. Long has signified his willingness for a return match, and all that remains to close the deal is the matter of the division of the purse, the Mexican stating that he wants the winner to take all, and Long holding out for 75 and 25 per cent.
