GEORGE A. CLARK. The BEST and HOST POPULAR

ed from Japan.

concurred in. A number of House the figures are assumed to be correct BEWARE of IMITATIONS.

Concurred in. A number of House bills being unobjected to were passed, the ones of public interest being the homestead and timber culture entry bill, and the bill to amend omitted \$10,000,000 from the deposition of the depo claimant whose title is not estab- book the initial figure of the Chem-

> WASHINGTON, 1.—McMahon reported the deficiency bill, the last of known yesterday, that a blunder to that extent existed somewhere, but that extent existed somewhere, but HOUSE. The Senate amendments were concurred in to the agricultural ap-

propriation bill. A report was made and adop ed confirming the right of Acklen to ed and the corresponding blunder in the seat in the contested case from the Chemical Bank's account disthe Third Louisiana District. The regular order was then de

to call committees, but no reports of pect of the defeat of the refunding importance were submitted. Tucker moved to proceed to business on the Speaker's table for the purpose of taking up the funding

this morning.

consideration. pportionment bill.

Cox asked if the gentlemen on the other side would vote in good faith last week were very much exagger-to take up that bill without obstruct. ated; less than \$1,500,000 all told

Cox-Not one of them will do it they never intend to pass that bill At this point the proceedings were interrupted by Reagan, with the conference report on the river and harbor bill. The report was agreed to and the struggle over the funding ously considered in this connection, the struggle over the funding ously considered in this connection, the struggle over the funding ously considered in this connection, the struggle over the funding ously considered in this connection, the struggle over the funding ously considered in this connection, the struggle over the funding outlier than the struggle over t bill resumed.

Congersubmitted a parliamentary inquiry as to whether the question of consideration would apply to a single bill or be comprehensive and extend to all unfinished business. This question the Speaker refused to answer at present; he would decide when the issue is properly presented after a vote was taken.

Price then modified his motion

FORTY-SIXTH CONGRESS sumed.

SENATE.

WASHINGTON, 1.—Eaton, from the committee on foreign relations, reported back sundry bills and resolutions commending the construction of a ship canal or railway across the isthmus and said the committee asked to be discharged from considering the time had not arrived when Congress should express an online of the clerk's desk and the concurred to the problem. The first place but there are tim Congress should express an opinion 25 and 29.

in regard to any particular route. After considerable wrangling, The request of the committee was amendment 21 was concurred in Several motions to concur in the The following House bills pass-ed: Establishing a life savings' amendment were made by demostation at Louisville, Ky., and to crats. These motions were lost. dispose of the Osage Indian lands in Finally, after a number of conflict-The Japanese indemnity fund, Senate bill, came up as unfinished business. The bill directs the payment to Japan of the amount of the fund, namely \$4.163.224

AMERICAN. METROPOLITAN MENU.

The Money Crisis. NEW YORK, 1 .- The Times says One of the causes that went far toed States ship Wyoming, for their services in the destruction of hostile vessels in the Strait of Skimonski in 1863.

Wirkwood moved to proceed for Kirkwood moved to proceed fur-ther by fixing the total paid at \$785,-the reserve at \$1,485,875 above the bill, the Morgan amendment. Dur- been a mistake of \$10,000,000 in the ing the debate the conference re-port on the river and harbor bill was serve to \$1,014.625 below the legal requirements, and prices fell off in Beck reported from the committee on appropriations, with amendments, the sundry civil appropriation bills. The report was merely pro

until an officer of the City Bank pointed it out on the manifold shorty before Ritter made his announcement. The book was then examin-The Post says: In the money manded by Warner, who said he de-sired to go to the Speaker's table to take up the funding bill.

The Post says: In the money market stock brokers in many cases are paying a commission 1-16, but there is a much steadier tone to this

The Treasury continues to take in more money than it pays out, de-posits to withdraw national bank doubled. Robeson called attention to the fact that the question of consideration raised yesterday by Carlisle was still undecided.

The Content of the protest amounting thus far to-day to \$202,500, with the disbursements by way of bond purchases amount to only \$115,000. Neither of these The Speaker said the apportion movements would be considered imment bill had not been called up portant were it not for the fact that since the Senate passed the refund-Price thereupon called up that bill ing bill, the Treasury has absorbed and Carlisle raised the question of not far from \$10,000,000 more of lawful money than in has paid out, so Haskell moved to recommit the tha bank reserves here and elsewhere are that much lower than Speaker that is not now before the they were when the raid on banks became serious. The reports of the Canada money which came here

Cabinet Making.

having arrived. The Herald's Columbus special says: The newspaper men are cer-tainly in error in fixing upon Allison yet his name has been wiped off the siate. I know that late on Sunday dismissal of his organist, to make Garfield had completed his work of clearing away many embarrassments when he started for Washington he Price then modified his motion and instead of calling up the apportionment bill, merely called for the regular order. The speaker declared the regular order to be the apportionment bill, and Carlisle again raised the question of its consideration.

Cox called attention of the constant of the constant of the constant of the called attention.

It is rumored that Rev. Dr. Slicer, of Park Congregational Church, Brooklyn, will be Chapin's successor in the Church of Divine Pathernity, and Dr. Charles Hall, of the Holy Trinity, Brooklyn, successor to Dr. Washburn, of Calvary, here.

The Man is Washington. Price then modified his motion and instead of calling up the approximate them in their respective departments. When learing for home a member of Garfield's official house the regular order. The speaker department bill, merely called for the regular order to be the supportionment bill, and Carlisle again raised the question of its consideration.

Cox called attention to the fact that the insincerity of the other side of the the than and Present that the insincerity of the other side of the the funding or the apportionment bill the proposition of the fact that the insincerity of the other side of the the supportion of the funding or the apportion of the funding or

EVENING SESSION.

Upon reassembling consideration of the funding bill was resumed.

Le either defeated '.im or arranged a bolt as in Pennsylvania. The Herald says Platt and Miller are the only ones among the senators elect who are friends of Grant who has been applied to the part of true, throws strong light on Parallia recent control of the funding bill was resumed.

It is said and sale of arms, dynamite and that the rent of unleased offices in nitro-glycerine. The maximum penalty on summary conviction is three months' imprisonment with-out labor. The bill remains in force five years. Urgency was voted for the arms bill—395 to 37.

The Transvaal Butchery.

MOUNT PROSPECT, 1 .- Gen Colley was shot just before the close of the engagement while giving an order to cease firing. The official list shows two officers were killed one of whom was Gen. Colley; four cap-Twelve o'clock score—Sullivan 168, Panchot 169, Krohne 161, Allen 156, Campana 136, Curran 149, La-and four lieutenants prisoners; one

colonel, one major and one lieuten-ant missing.

Gen. Roberts will have by the time he arrives at Natal a force of 3,000 men. Detailed accounts re ceived to-day render it certain that the British were driven from Spitzkof because they were fairly beater. The fight ended in a rout. The most moderate estimate places the losses at 300 killed and wounded. The latter lay exposed to a heavy rain from Sunday afternoon until early

Monday morning.

A correspondent with Colley's force at Spitzkof gives the following account of the engagement: Spitzko is 3,000 yards from the Boer's position. Two companies were left at the base of the hill, the remainder of the troops toiled up the hill, which is a very steep, difficult ascent, on their hands and knees. It was impossible to have a wind a very steep.
