

# MARSH FACING SERIOUS CHARGE

Trial Begins in Judge Bowman's  
Court for Assault With  
Intent to Murder.

VICTIM WAS MRS. F. NEWELL

Entered Her Home in Dead of Night  
And Was Beaten Off by  
Woman's Children.

After making violent love to his  
wife, Mrs. F. Newell, although  
she repulsed his constant advances  
when he tried to lodge himself as  
a boarder in her home, James Marsh  
forcibly entered her house in the dead

of night, at 327 Fourth East street,  
Sept. 27, last, assaulted her, choked  
her, and tried to murder her, according  
to testimony given before Judge Bow-  
man in police court this morning, when  
Marsh was given a preliminary hearing  
on the charge of assault with intent  
to commit murder.

Mrs. Newell, who is the wife of Fred  
Newell, an electrical wireman, testified  
that Marsh had persecuted her with his  
unwelcome attentions; that when she  
refused to accede to his demands, he  
deliberately went to her home and in  
the presence of her husband got the  
family to accept him as a boarder on the  
strength of his being her cousin; that  
he pursued her steadily while living  
in the house; that she ordered him to  
leave; that during her husband's absence  
in Colorado, Marsh broke into the  
house through the window; that he at-  
tacked her while she was asleep; that  
she aroused her little girl and told her  
to telephone to the police for help; that  
Marsh struck the child in the face when  
she was trying to call the police; that  
her two little boys went after Marsh  
with a carpet stretcher and a pick  
handle; that Marsh fled; that the police,  
on searching the house a little later  
that same night, found Marsh hiding in  
the cellar of her house.

The case was continued until to-  
morrow morning, when more sensational  
testimony is anticipated.

## SEVEN NEW CITIZENS.

Judge George G. Armstrong of the

Third district court examined a num-  
ber of applicants for citizenship yester-  
day and seven were admitted. Those  
who passed a successful examination  
were:

Johan P. W. Eklund, formerly of Ger-  
many; Herman Holm, formerly of Fin-  
land; George Mueller, formerly of Ger-  
many; Herman A. A. Nott, formerly  
of Germany; Michael Nascato, for-  
merly of Italy; Anton Newburger,  
formerly of Sweden; Peter Axel Hans-  
son, formerly of Sweden.

**SUIT AGAINST LAND BOARD.**  
David B. Brinton, a contractor, filed  
suit yesterday in the Third district  
court against W. M. Steele, W. H.  
Thain, W. D. Chaffin, A. J. Ginnard  
and W. H. Farverworth, members of  
the state board of land commissioners,  
to recover approximately \$25,000 alleged  
to be due on the contract for the Hatch  
reservoir, in Garfield county. The  
suit is the result of alterations in the  
contract. The project cost the state  
more than \$150,000. Brinton alleges  
that he has received \$70,000 on the  
contract, and asks for the balance.

**PERMITTED TO BORROW MONEY.**  
Judge C. W. Morse granted the peti-  
tion of W. P. Albertson, the receiver  
for the Salt Lake Public Service  
company, to borrow \$3,000 at 1 per cent  
interest to protect some of the assets  
of the company. The assets of the  
company are being collected and the  
receiver will soon be ready to report to  
the court.

**H. P. NIELSEN SURPRISED.**  
Scandinavian Social Party Projects  
Monument for Late A. P. Winberg.

A number of friends met last night  
at the home of Mr. H. P. Nielsen to  
congratulate him on his fifth birth-  
day. Mr. Nielsen was suffering from  
a cold and had decided to retire early,  
but the unexpected invasion of his  
home made a change in this plan and  
a most pleasant evening was spent  
in his comfortable and hospitable  
home. Several speeches were made,  
in which Mr. Nielsen was congratulated  
and appreciation expressed for his  
and his wife's labors especially among  
the Scandinavian saints. Some of the  
speakers referred feelingly to the  
work of the late A. P. Winberg, and  
the suggestion was made that the  
Scandinavians erect a monument on  
his grave. Another suggestion was  
that a Scandinavian reunion be held  
in this city next year, in commemora-  
tion of the introduction of the gospel  
in Denmark, 60 years ago. Both sug-  
gestions were received with great  
favor.

**BRITISH TAKES BESS' RESORT.**

The county commissioners met yester-  
day afternoon, and Col. W. P.  
Britsch, a Civil war veteran, was  
granted a liquor license after taking  
over the saloon formerly conducted by  
George Bess at Twelfth South and  
West Temple streets. The county com-  
missioners threatened to revoke Bess'  
license because he maintained a dis-  
orderly house and violated county ordi-  
nances.

**S. H. LOVE NEW HEAD  
OF TRAFFIC BUREAU**

Election of Officers Held Last Night—  
Year Promises Successful Campaign  
For Rate Adjustment.

The board of directors of the traffic  
bureau of the Commercial club met last  
night and elected officers for the an-  
nual year as follows: President, Ste-  
phen H. Love; vice president, J. G. Mc-  
Donald; treasurer, Samuel Wells; sec-  
retary, W. S. McCarthy. The presi-  
dent, vice president and secretary, to-  
gether with William Bowen and J. M.  
Abbott, form the executive committee.  
Another meeting of the bureau will be  
held soon to formulate a further ag-  
gressive policy of campaign for recog-  
nition of Utah points by the railroad  
companies in the matter of rate adjust-  
ment. The reports rendered at last  
night's meeting showed the bureau to  
be in excellent shape and the year  
ahead of the new executive board is  
filled with the promise of helpful ac-  
complishments.

At the head of the bureau now stands  
a man who has won a name in the  
traffic circles while connected with  
C. M. L., of which institution he is traf-  
fic manager. In this capacity he has  
shown marked ability and during his  
tenure of office as a member and  
president of the state senate much  
helpful railroad legislation was in-  
fluenced by him. Stephen A. Babcock  
remains with the traffic bureau as its  
traffic director.

**IDAHO INTERURBAN.**  
President of Albion Railway Company  
Floats Bonds for Road.

President E. J. Hunter of the Albion  
Interurban Railway company has re-  
turned to Burley from the east where  
he succeeded in selling enough stock  
to float the Albion-Burley railroad  
enterprise, according to the Burley Bul-  
letin. Eastern capitalists have placed  
\$25,000 in a local bank on condition  
that the subscribers here do the same,  
so that \$50,000 is now available to begin  
operations. The estimated cost of the  
road will not exceed \$250,000, and bonds  
will be issued for this amount, of which  
a good share have already been taken.  
This means much for the future of  
Cassia county. It not only means the  
development of great mineral resources  
and marble and quartz quarries in the  
mountains south of Burley, but an in-  
creased valuation and a greater devel-  
opment of the rich agricultural lands  
in the Albion country.

corted on a tour of fruit orchards. In

of the California Fig Syrup Co. and the  
scientific attainments of its chemists have  
rendered possible the production of Syrup  
of Figs and Elixir of Senna, in all of its  
excellence, by obtaining the pure medi-  
cinal principles of plants known to act most  
beneficially and combining them most  
skillfully, in the right proportions, with  
its wholesome and refreshing Syrup of  
California Figs.

As there is only one genuine Syrup of  
Figs and Elixir of Senna and as the gen-

method known to the California Fig Syrup  
Co. only, it is always necessary to buy the  
genuine to get its beneficial effects.

A knowledge of the above facts enables

**PATRIARCH KING DEAD.**

Beloved Man of Southern Utah An-  
swers Final Summons.

(Special Correspondence.)  
Marion Ward, Garfield county, Nov.  
1.—With the death of Patriarch Cul-  
bert King, who passed away at his  
home at 11 o'clock Wednesday morn-  
ing, October 27, one of the best be-  
loved residents of this section and  
pioneers of southern Utah was re-  
moved from this earthly sphere.

Patriarch King was formerly bishop  
of the Marion (former Coyote) ward.  
He was one of the strong men of the  
south. The immediate cause of his  
death was dropsy, with which afflic-  
tion he had suffered for more than a  
year, the serious turn of the malady,  
however, being of but few days' dura-  
tion.

Funeral services were held on Friday,  
Oct. 29, a large concourse of people  
turning out to pay their last tribute  
of respect to the deceased. The speak-  
ers at the services were President  
James Houston, of the Panguitch  
 Stake, Bishop George Black of Marion  
 Ward, M. M. Warner, Bishop  
J. E. Peterson of Circleville, Bishop  
John Morrell of Junction, Archie  
Hunter of Coyote, and Volney  
King, brother of deceased, who  
arrived from his home at Cowley, Big  
 Horn Basin, Wyoming, just three hours  
after the death of the patriarch.  
Mourners occupying 15 carriages and  
a number of horsemen followed the  
body to its last resting place in the  
cemetery at Coyote.

Patriarch Culbert King had a long  
and eventful life, having been born at  
Otisco, Onondaga county, New York,  
Jan. 31, 1835. He was the son of Thom-  
as R. and Madeline Robinson King. With  
his parents he came to Nauvoo in 1841,  
and always had a vivid memory of  
the prophet and patriarch from that  
time. Following the martyrdom his  
parents emigrated to Winter Quarters,  
young King accompanying them. He  
witnessed the marshaling of the Mor-  
mon battalion and saw the starting of  
the pioneers toward the west. He re-  
mained with his father's family in Iowa  
to complete an outfit to make the  
western journey until 1851, when they  
came on to Utah.  
Immediately after the October con-  
ference of 1851, the King family moved

to Fillmore with the first settlers of  
that town. Young King enrolled him-  
self with the militia as a minute man  
under Col. Henry Standage, and was  
active in the defense of the settlement  
against the Indians, who were very  
troublesome at that time. He became  
acquainted with the Indian language  
and acted as Indian interpreter on  
many occasions. He was much inter-  
ested in the aborigines and became a  
great friend to them, and on one occa-  
sion at Kanosh he led 60 Indians into  
the waters of baptism. He could speak  
their language fluently and could call  
them all by name.  
In 1868 Elder King was called upon to  
preach at Corn Creek, and when the  
town of Kanosh was founded he was

made its first bishop. He presided over  
the Kanosh ward for 14 years, after  
which he moved to Kingston, Platte  
county, joining the United Order there  
with his father's family in 1878. At  
Kingston he acted as counselor to  
Bishop William King until 1883, when  
he removed to Grass Valley on the east  
fork of the Sevier. When the Marion  
ward of Panguitch stake was organized  
he was made its bishop.  
Patriarch King passed through all the  
persecutions of the Latter-day Saints,  
and stood the tests unflinchingly. He  
was ordained a patriarch in 1900. He  
was the father of 27 children, 81 grand-  
children and 30 great-grandchildren,  
and died respected and beloved of all  
who knew him.

# HOW HE CURED HIS CATARRH

I wrote you some time ago, giving you an account of my  
sufferings with an awful case of Catarrh. I had all the symp-  
toms which accompany this disease, such as mucus dropping  
back into the throat, a constant desire to "hawk and spit,"  
feeling of dryness in the throat, cough and spitting upon  
arising, scabs forming in the nose which required much effort  
to blow out, sometimes causing my nose to bleed and leaving  
me with a headache. I had thus suffered for five years, all the  
time trying different local treatments of inhalations, snuffs,  
douches, etc., with no real good effect. Of course I was greatly  
discouraged. As soon as I heard from you I commenced S. S. S.,  
as you advised and after using it a short while noticed a change  
for the better. I continued to take it believing the trouble was  
in the blood, and S. S. S. made a permanent cure for me. I am  
now entirely free from Catarrh.

JUDSON A. BELLAM.

224 Randolph St., Richmond, Va.

The symptoms Mr. Bellam describes in his case of Catarrh are  
familiar to every one who suffers with this disease. For five years he  
had endured the discomfort and suffering, and was greatly discouraged  
as one treatment after another failed to cure him. When at last he  
realized that Catarrh is a blood disease, he knew that the former  
treatments had been wrong, and only a blood purifier like S. S. S.  
could produce permanent good results.

Catarrh is not merely an affection of the mucous membranes; it is  
a deep-seated blood disease in which the entire circulation and greater  
part of the system are involved. It comes from impurities accumulating  
in the circulation, and as the blood goes to every portion of the  
body the catarrhal matter irritates and inflames the different mucous  
surfaces and tissues causing an unhealthy and inflammatory discharge,  
and producing the other well known symptoms of the trouble.

The failure of local treatment to produce permanent good results  
in Catarrh is due entirely to the fact that such measures do not reach  
the cause of the trouble. Temporary relief and comfort may often be  
had by using some douche or inhalation, but no cure can be effected  
until the blood is purified of the irritating cause.

S. S. S. cures Catarrh by cleansing the blood of all impure catarrhal  
matter, and at the same time building up the system by its unequalled  
tonic effects. It goes down into the circulation and removes every  
trace of foreign matter or impurity. In other words S. S. S. cures  
Catarrh by purifying the blood so that the mucous surfaces and linings  
of the body are all supplied with healthy blood instead of being  
irritated and diseased from a continual saturation of catarrhal im-  
purities. Then the inflamed and irritated membranes heal, the  
discharge is checked, the head noises all

also, the stomach is toned up, the throat is no longer clogged with  
phlegm, but every annoying symptom of the disease is corrected.  
There is but one way to cure Catarrh—purify the blood, and there is  
but one absolutely safe and sure blood purifier—S. S. S. We have a  
special book on Catarrh; we will send this book, and also any special  
medical advice desired free to all who write.
