The Chinese Immigration Question.

WASHINGTON, 17.—The following letter has been addressed to the President of the United States by Representative Page of California:

WASHINGTON, Dec. 16, 1877.

To the President:—I desire to call your attention to the question of Chinese immigration, which now and has been for a few years past, agitating the people of California. I would respectfully ask that you give the subject such consideration as your valuable time will permit. You are doubtless aware that there are now in the State of California more than 150,000 of these people, about one-fifth of whom are females, brought here for immoral purposes and are now held and owned as slaves. The remaining four-fifths are males, equal in number to the entire voting population of the State, and are, with few exceptions, coolies or slaves, brought here under contract for servile purposes. Many of these come from Hongkong, an English port, under the treaty with China of 1868. That you may more fully understand this matter, I send you, accompanying this letter, a report of the State Senate committee, made at the last session of the State Legislature on this subject. I also call your attention to the report of a joint special committee of the Senate, known as Senate document No. 980. I desire, still further, to state that in California there is no division of opinion as to the evils of Chinese immigration, and I, therefore, on behalf of the people of that State, very respectfully suggest that you make this matter the subject of a special message to Congress when it convenes in January next. Perhaps I ought to add, that the condition of affairs in the city of San Francisco for the past few months has occasioned alarm throughout the State, and while it is true that some irresponsible persons, encouraged by disreputable newspapers, are endeavoring to excite a riot which would be a disaster to the State, the better portion of the community, aided by the respectable and responsible press, is endeavoring to suppress anything like violence, and confidently appeal to the executive and legislative powers of the government for relief. I cannot, in a brief communication, go further than I have done into the reasons for this request, but fully believing that you are somewhat familiar with the dangers now threatening the people of California on account of this great evil, I close by asking your early and earnest attention to this subject. Trusting that some plan may be devised, to the end that negotiations may be entered into between our and the Chinese government, which will satisfactorily settle this vexed question, I have the honor to be,

Very respectfully,
Your most obedient servant,
(Signed) A. F. PAGE.

The Texas Difficulty.

Representative Mills, this morning, received the following dispatch, dated last night, from Governor Hubbard, of Texas:

The Sheriff of El Paso County telegraphs to-night that our state troops, and will all be massacred unless relief can be had at once. Ask the Secretary of war to please order his troops in New Mexico to make forced marches for their relief. They are American citizens. Answer.

Representative Mills was at the war department this morning, and by authority of the Secretary of War replied to Gov. Hubbard as follows:

Troops are now moving under orders from here, with all possible speed from Forts Bayard, Stanton, Davis and Santa Fe.

The war department has received information that the local difficulties in El Paso County, Texas, which grew out of the right and title to certain salt mines, has assumed quite a threatening aspect. The few United States troops and state militia in the county have been surrounded, and unless soon relieved it is feared they will fare badly.

A dispatch from Governor Hubbard, asking assistance from the President, was referred to the Secretary of War, and by him to Gen. Sherman, who telegraphed General Sheridan to send all the troops he could. The latter replied this morning that he had ordered all available troops to the scene of the difficulty. It is thought the troops from Fort Stanton have already reached El Paso, and will probably be able to relieve the troops now surrounded by the mob. The troops from Fort Bayard will no doubt reach San Elizario to morrow, and with those from Fort Stanton will be sufficient to keep the peace.

The affair is purely local and no serious complications are anticipated.

Southern Confederate Property.

CHICAGO, 17.—*Journal's* Washington: For several years government has considered the feasibility of obtaining the money and other property in Europe belonging to the southern confederacy at the time of its downfall. Several agents were sent to Europe to investigate and report as to the amount of such property still standing in the name of the confederacy, but nothing definite was ever accomplished. During the closing months of Grant's administration the question of obtaining the property was seriously discussed in the cabinet, and the matter assumed definite form in a report submitted to the cabinet by the then Secretary of the Treasury. It was intimated that the value of this property would reach from $10,000,000 to $15,000,000, and it was believed the United States government could recover the same. On account of the approaching change in the administration, the matter was allowed to remain in *statu quo*. The present administration have considered what is best to be done, and it is understood that contracts will be entered into with lawyers to collect the money in the banks and the property belonging to the confederacy. It is understood that under the terms of the proposed contract the lawyers will be allowed 50 per cent. of the amount collected. All the information called for by the Davis-Virginia investigating committees of the Senate has been furnished by the Treasury. The officials of the department say that every charge against the method of keeping the books will be met and the apparent discrepancies fully explained.

Disastrous Coal Oil Fire.

PATERSON, N. J., 17.—A disastrous fire occurred here to-night. A coal oil car on the Erie track took fire and the tank burnt and the flaming liquid ran into and flooded the street, communicating the flames to five or six houses, some of them half a mile away. Three oil cars burst in succession, and several other cars were destroyed. Many families have been rendered homeless. When one of the oil cars burst the flames shot 100 feet high, lighting up the whole city. The paint was blistered on houses a mile distant. The spectacle caused a great excitement, and in the stampede for safety many persons were slightly injured. The railway tracks are blocked. The loss to the Erie road is $4,000 and on the houses about $15,000.

Discovery of an Oil Well.

DEADWOOD, D. T., 17, *via* Cheyenne.—A bottle of petroleum was brought into this city, to-day, from an oil well that was discovered a few weeks ago, eight miles from Jenny's stockade, and 100 miles south of Deadwood. The petroleum is pronounced by experts to be superior to that of West Virginia.

No Indian depredations have been committed in this vicinity or on any of the routes leading to the hills, for some time.

Fatal Affray.

WHEELING, 17.—In an affray at Sisterville, this State, yesterday, a man named Wright was horribly beaten by James Saulsbury. The latter resisted arrest and was shot by an officer. Both men will probably die.

Convicted Rioters.

WILKESBARRE, 17.—On Saturday eight men were tried for and convicted of riot. They interfered with the running of the pumps at Brigg's shaft, near Scranton, last September. This afternoon Judge Handley sentenced the leader, Thomas Moran, to one year and nine months' imprisonment at hard labor in the penitentiary and $500 fine and costs. Three others were fined $10 each and sentenced to three months' imprisonment in the county jail.

Birthday Celebration.

BOSTON, 17.—The 70th birthday of Whittier was celebrated, to-day, by the publishers of the *Atlantic Monthly*. Oliver Wendell Holmes read a poem. Mark Twain responded in a characteristic vein, also Charles Dudley Warner, Henry W. Longfellow and others.

The Silver Question.

TERRE HAUTE, 17.—A very large and enthusiastic meeting was held to-night to discuss the silver question. Resolutions were adopted in favor of the restoration of the old silver dollar and the paper currency issued by Government being made full legal tender.

FOREIGN.

GREAT BRITAIN.

Eastern War News.

LONDON, 17.—A telegram from St. Petersburg of a semi-official character says the statement that Germany and Austria have refused Turkey's request for mediation has produced a favorable impression here. The universal sentiment is, that after the great sacrifices of Russia, peace on the conditions foreshadowed in the Porte's circular, would be illusory, and the questions raised by this sanguinary war must be definitely and exhaustingly solved.

The report of the suicide of Osman Pasha is false. There is no foundation for the report of his death from any cause.

Colonel Wellesley, British military attache, says Osman Pasha had less than 30,000 men at Plevna and in his sortie lost 6,000 killed alone. The wounded must have been 6,000 more.

The Russians after occupying Elena, pushed forward their troops to Belrova yesterday.

Gen. Potrovic, Montenegrin commander, has left Venice suddenly, having been summoned to take command of the Montenegrin force to be sent to Novi Bazar to effect a junction with the Servians.

Gen. Krupner's corps have started for Orchanie.

It is known to many that the Czar was privately warned last August that if Russia entered on a second campaign it would be impossible to restrain England from hostile action.

Influential Russians consider the present moment as highly favorable for direct negotiations between Russia and Turkey.

It is reported that Gen. Horvatovitch has taken Adlie, near Widdin.

TURKEY.

England will Observe Neutrality.

CONSTANTINOPLE, 17.—It is generally believed that the Porte's appeal for mediation of the powers will have no result. Layard, British ambassador, has informed the Turkish government that England will continue to observe neutrality.

France's Reply.

France has replied to the Turkish note. The terms of her reply are almost identical with those of Italy.

AUSTRIA.

The Shortest Way to an Understanding.

VIENNA, 17.—A correspondent telegraphs that Turkey's first pacific effort may be regarded as a failure. Germany has hinted that treating directly with Russia would be the shortest way of coming to an understanding. It seems that when the note was first mentioned, the Austrian government replied that it could not hold out any hope of successful mediation on such a basis.

FRANCE.

The Political Situation.

PARIS, 17.—A great change in the personnel of the departmental administration is expected. Over forty prefects have already resigned.

M. Leon Renault has been elected president of the group of deputies of the Left Centre.

M. Bordeaux has introduced a bill in the Chamber of Deputies providing for a gratuitous elementary education.

The *Moniteur* asserts that the constitutionalist senators having been sounded as to their future attitude, replied that they were sincerely resolved to allow a trial of a truly republican government, with full liberty, but would keep their engagements with the Right, concerning the election of life senators.

The ministers to-day informed a deputation from the Left that they would immediately stop the payment of all fines.

GREECE.

A Fuller Autonomy.

ATHENS, 17.—It is said the Porte has decided to grant a fuller autonomy to Crete, to allay the discontent in that island.

LEGAL NOTICE.

In the District Court in and for the Third Judicial District of Utah Territory, County of Salt Lake.

Robert Pixton, Plaintiff,
vs.
William Jennings, Alfred Best, Thos. Taylor, Henry Dinwoodey, Bernard Held, and Zion's Co-operative Mercantile Institution, Defendants.

The People of the United States in the Territory of Utah send greeting:

To William Jennings, Alfred Best, Thos. Taylor, Henry Dinwoodey, Bernard Held, and Zion's Co-operative Mercantile Institution, defendants:

YOU are hereby required to appear in an action brought against you by the above named plaintiff, in the District Court of the Third Judicial District of the Territory of Utah, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons—if served within this county; or, if served out of this county, but in this district, within twenty days; otherwise within forty days—or judgment by default will be taken against you, according to the prayer of said complaint.

The said action is brought to obtain a decree of this court adjudging the plaintiff to be the owner and entitled to the possession, as against the defendants and all others, of that certain narrow strip of land, in Lot 7, Block 69, Plat "A," Salt Lake City Survey, situate in Salt Lake City and County, Utah Territory, and more particularly described in the complaint herewith. That the defendants be required to set forth their right to said premises, and that any claim of defendants to said premises may be adjudged invalid, and that the plaintiff may have such other and further relief as by law and equity may be just when the facts are set forth to the Court.

And you are hereby notified that if you fail to appear and answer the said complaint as above required, the said plaintiff will apply to the Court for the relief demanded therein.

Witness the Hon. MICHAEL SCHAEFFER, Judge, and the seal of the District Court of the Third Judicial District, in and for the Territory of Utah, this 4th day of December, in the year of our Lord one thousand eight hundred and seventy-seven.
