ly preserved from conflagration, partly owing to their less dense IN that remarkable theological disaccumulation of houses and other buildings. Our cities are large, that neither federal officials nor the streets wide, and buildings widely detached as a rule, and liberally interspersed with green trees. This may have had a pre- ritory, but only desired that crime servative effect in a great degree, should be punished. We are glad from the ravages of fire, though for business convenience and for some other economic purposes magnificent distances are not desirable in properly punished. But we are a city.

The dispatches received already relate tenders of assistance to the thousands of sufferers by this great calamity in Nevada, and there is sides, did any persecutor ever conno doubt that many other offers fess himself such? Did Pharaoh? will be made. They are certainly needed by many of those who have been thus suddenly bereaved, at the approach of Winter, of house and home and property. We presume something will be done in Salt Lake and other parts of this Territory, in the same direction. It would be a gracious act of sympathy in the calamities of distant tion where he does not see a bit fellow citizens. The site of Virginia once constituted part of Utab, and on that account there is a sort of ancient domain and government relationship between the two sections. The time of need is the time to render assistance, and assistance in time of need is often the truest charity.

course, the author thereof declared people of the United States desired to persecute the people of this Terto hear it. Persecution should not be indulged in, but crime should be afraid that the gentleman does not clearly distinguish between the name and the thing named. Be-Did Herod? Paul said he persecuted the people of God, but his confession came after his conversion. If the little Associate Justice were to be converted, if such a thing is within the range of possibility, he might see a great deal of persecunow. Circumstances alter cases. A madman casts around him firebrands, arrows, and death, and says, "Am I not in sport?" He does not say he is persecuting anybody. O no. He will not confess that. He is only indulging in a little playfulness. It is sport to him,
