LOFTUS.—At the residence of Mrs. Mary Blazard, 14th Ward, Nov. 6th, 1882, JOHN LOFTUS.
Deceased was born in Lancashire, England, Nov. 8th, 1844, came to America in 1863, served three years in the American navy, then settled down in Yonkers, N. Y., where the Gospel found him. He was baptized Sept. 10, 1876, by Elder J. He'd and on Jan. 3, 1877, he was ordained an Elder by Bro. John Druce, and set apart to preside over the saints in his district. By his diligence he soon raised up a thriving branch of fourteen members and organized a Sabbath school. He arrived in Utah in June, 1880, and after spending some time in this city he moved his family to Meadowville, Rich County, Utah, where they have since resided. He was appointed First Assistant Superintendent of the Sabbath school and president of the Y. M. M. I. A. in Meadowville. Deceased was noted for his integrity and faith in the principles of the Gospel. He leaves a wife and two children, and a wide circle of friends to mourn his loss. *Mt. Star*, please copy.

LOST FAITH IN PHYSICIANS.

Why is it that so many persons use proprietary medicines, or patent medicines, as they are commonly called? It is because people lose faith in their physicians? Well, this is, no doubt, frequently the case. There are innumerable instances where cures have been effected by "Scovill's Sarsaparilla or Blood & Liver Syrup" for all diseases of the blood, when they had been given over by their physicians. It is one of the best remedies ever offered to the public, and as it is prepared with the greatest care, as a specific for certain diseases, it is no wonder that it should be more effectual than hastily written and carelessly prepared prescriptions made by incompetent physicians. Take "Scovill's Blood and Liver Syrup" for all disorders arising from impure blood. It is endorsed by leading professional men as well as by eminent physicians and others. Try it. ds & w.

Ayer's Sarsaparilla, For Purifying the Blood.

This compound of the vegetable alteratives, Sarsaparilla, Dock, Stillingia, and Mandrake, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions on the skin are the appearance at the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disperse and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions, and Eruptive Diseases of the skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Stiff and Head, Female Weakness, Sterility, Leucorrhoea arising from internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility, with their departure health returns.
