

ARID FARMING EXPERIMENTS WATCHED WITH INTEREST

Since the publication by the "News" of the experiments in arid farming great interest has been awakened in all parts of the country. On Thursday a party consisting of Messrs. S. M. T. Seddon, M. D. Wells, Geo. T. Odell, Albert Bird and E. H. Stout, visited Cedar Valley to inspect the steam traction plowing outfits put in there and several hundred acres of ground which have been plowed up for the Salt Lake and American Fork Co. The party reports that the indications are in all ways favorable, and that arrangements have been made for the building of two canals about eight miles east of Price, in Carbon county, which will during next season irrigate 5,000 acres of land not now cultivated, and eventually bring under irrigation 12,000 acres of land. All this means a big amount of new business, the benefits of which will largely flow to Salt Lake.

SIMON EISMAN DEAD.

Uncle of Mrs. Simon Bamberger of This City Passes Away.

News was received in Salt Lake today of the death of Simon Eisman at his home in St. Louis. Mr. Eisman lived in Salt Lake for a number of years, and is an uncle of Mrs. Simon Bamberger of this city. The cause of the death is given as locomotor ataxia, from which Mr. Eisman has been suffering for many years. Mr. Eisman came from Germany to America in 1847 and entered the mercantile business from which he has become independently wealthy and known as a capitalist. He was established in Council Bluffs before coming here 19 years ago. After leaving here he took up his residence in St. Louis.

MUTUAL MEETINGS.

Sugarhouse Ward.—The opening of the season's work of the Sugar House Mutual Improvement Association begins tomorrow evening, when the following interesting program will be rendered beginning at 6:30:

.....C. C. Larsen
Lecture.....Elder Ben E. Rich (President, Southern States Mission).
Musical selection (a) Andantino to My Wife;" (b) "O My Father"
.....Charles G. Berry
Quartet.....Sugar Glee Club

Y. M. C. A. SPEAKERS.

Governor Cutler and Dr. Paden Booked For Tomorrow Afternoon.

Tomorrow afternoon begins the season's series of addresses for men at the Y. M. C. A. As previously announced in these columns the first three addresses bear very closely upon the immediate thought of the city. Their topics being respectively, for tomorrow "The Function, Use and Abuse of the Political Party" by Dr. Paden, a week later "The Measure of the Public Officer," Rev. Elmer J. Goshen, and the following Sunday Senator George Sutherland speaks on "The Measure of the Private Citizen." While these topics bear upon the mode of political action of the young men of the city they are in no wise partisan.

Although Governor Cutler is planning to leave for the east tomorrow night he has yielded to the insistent invitation of the Y. M. C. A. members to preside at their first meeting and in doing so will make some remarks introducing Dr. Paden's topic.

Two groups of association members have been working upon musical organization. Under the direction of Prof. W. A. Wetzel, supervisor of music in the public schools, a glee club has been rapidly rounding into shape, a quartet, from which will sing tomorrow afternoon at the meeting, has charge of the association's orchestra, and will be present at 4:30 for a half hour concert prior to the meeting, and will lead the music in the auditorium at 5 o'clock.

All men are cordially welcome to the association building during the entire Sunday afternoon and particularly at the hour of the address at 5 o'clock.

THANKS TO CHILDREN.

Letter Received From "Frisco Superintendent of Schools.

City Supt. of Schools Christensen has received a letter of thanks from Supt. Riconcivoli of San Francisco for the contributions made by the school children of this city after the earthquake and fire. The total amount raised by the children of Salt Lake in aid of the San Francisco schools and school children was \$3,654.53. The letter from the San Francisco superintendent follows:
"I am in receipt of your very cordial letter of Oct. 1, which I hereby acknowledge. On behalf of the school children of San Francisco I desire to thank you most sincerely for your generous gift to the noble cause. Certainly the students of your high school, as well as the grammar school pupils of your city, have well exemplified that spirit of Christian brotherhood which is so characteristic of the best American ideals. I trust that you will express to them on our behalf the deep feeling of gratitude which awakes our hearts over their most generous contribution."
"ALFRED RICONCIVOLI,"
"Superintendent of Schools."

BATEMAN FAMILY REUNION.

Most Enjoyable Event Which Occurred On Wednesday.

A reunion of the Bateman family was held at West Jordan on Wednesday, Oct. 10, and was participated in by about 150 persons, branches, by blood or marriage, of the Bateman family tree. The forenoon gathering was in the ward house, which was profusely decorated with American flags, hunting, flowers and potted plants. The speech of welcome was delivered by William Bateman, in well chosen words, fitted to a gathering of kith and kin. In the afternoon all repaired to the Relief society hall, which had also been beautifully decorated, and there a dinner was partaken of and a musical and literary program was carried out. A dance in the evening ended a most pleasurable day for all concerned.

SOCIAL AND PERSONAL.

On Wednesday Miss Grace Parkin and Mr. J. H. Dean of this city were married, the ceremony being performed in the temple at noon by President John R. Winder, and in the evening a brilliant reception was held at the home of the groom's parents, Mr. and

SESSION OF CITY COUNCIL.

M. I. A. Program—Sudden Death of William Outhouse.

Murray, Oct. 12.—The following business was transacted at the last session of the city council:

The citizens and taxpayers living near the D. & R. G., presented a petition asking the council not to grant a liquor license for the sale of liquors in that locality. The matter was laid over for one week for consideration. The city engineer was instructed to make a survey and profile on the streets known as Regal avenue and Miller street, which were recently accepted by the city. The road supervisor was ordered to repair the street near the Miller Caboon building on State street with slag. Mr. Nogal, manager of the Bowling alley, asked the city council to amend the ordinance so as to allow the alleys to be run on Sunday. The matter was referred to the committee on municipal laws. The building committee reported that it had called the architects' attention to the defects in the city hall building and they will attend to the matter. The architects will meet with the building committee once each week. The matter of releasing the city jail for a short time was discussed and laid over for one week. MURRAY TEACHERS IN SESSION. The teachers of the Murray schools were in session yesterday afternoon for the purpose of receiving instructions from the superintendents of the music, shop work and sewing. The attendance at the schools has been interfered with the past week on account of sickness among some of the children. SUDDEN DEATH OF YOUNG MAN. William Outhouse of Murray died suddenly of acute kidney trouble on Monday last at Bingham. His remains were brought to Murray and were prepared for burial by the Banks undertaking establishment. They were shipped to Provo on Thursday, where the deceased once lived. He was a bookkeeper at the local smelter, died at St. Mark's hospital on Tuesday of cancer of the stomach. He was buried in the South Cottonwood cemetery. He leaves a wife and three children. M. I. A. PROGRAM. Under the auspices of the Young Men's and Young Ladies' Mutual Improvement association, an excellent program will be rendered Sunday evening. It is a noticeable fact that the officers of these associations have made strenuous efforts to make their meetings interesting and profitable. Especially is this the case with their conjoint sessions. They have endeavored to secure good talent and able speakers, a fact that the public should appreciate by attending in force. The following is the program to be given Sunday evening: Murray quartet.....
Recitation.....Miss Afton Warburton
Song.....Mrs. U. G. Miller
Choir.....The Murray Choir
The lecture will be given by W. Clive Bradford. NEWS BRIEFS. The South Cottonwood and Murray choirs will meet together Wednesday evening to rehearse the cantata, which they have under way. The hardware department of Miller Caboon company will be open Monday in the company's new building. A fine and extensive line will be displayed. REMAINS OF NELLO BIRD. The remains of William Nello Bird arrived here this morning at 10 o'clock
