Relief Bill.

WASHINGTON, 15.—Spencer, from the committee on military affairs, reported favorably on the House bill for the relief of the sufferers from the ravages of the grasshoppers in the Western frontier States; placed on the calendar. It authorizes the President to issue temporarily supplies of food and disused army clothing to such sufferers, and appropriates $100,000 for that purpose.

Presentation of King Kalakaua.

King Kalakaua was formally presented to the President this afternoon. The members of the cabinet, Col. Grant, Gen. Babcock and Mr. Luckey, private secretary, were assembled in full dress to receive the king. On the approach of his majesty's carriage the President advanced from the threshold of the executive mansion, when the Secretary of State and Col. Grant, the latter personally representing his father, went to the carriage and received the king as he alighted and escorted him on either side, crossed the platform to the entrance of the White House, where the President cordially extended his hand and received and welcomed the king, the other members of the cabinet standing behind the President up to the time that he turned with the king; they then entered the room. The Secretary of State then introduced the President to Governor Dominis and Governor Kapena; he then presented the king to the members of the cabinet, Gen. Babcock, Col. Grant and king shortly seated themselves on a sofa, and the other gentlemen moved at their pleasure about the room, and entered into conversation with one another, gradually advancing to where the President and king were seated, when a general conversation ensued. After about twenty minutes the king arose, and the President accompanied him to the door; the Secretary of State and Col. Grant handed him into his carriage and the ceremony was ended.

Horrible.

DES MOINES, Ia., 15.—About two a.m. a party of about 150 armed men, disguised and with their faces blackened, went to the jail where Charley Howard, who was yesterday convicted of the murder of John Johnson in a house of ill-fame, in this city, some months ago, and was sentenced to confinement in the penitentiary for life, was confined, and took him out and hanged him to a post; his wife was in the jail with him, and clung shrieking to him until forced away by the mob. So far no arrests have been made.

$250,000 Fire.

CHARLESTON, S. C., 15.—The Champion Cotton Press caught fire this afternoon, and the flames spread so rapidly that in a few moments the whole building was in a blaze; about 3,000 bales of cotton are burned. It is believed that the loss on the cotton will be $200,000, fully insured, and $50,000 on the press and building, insurance $20,000. The insurance is mostly foreign.

Contract Concluded.

NEW YORK, 15.—The *Times* says that the Central and Union Pacific Railroads have concluded a contract for five years, with the Occidental and Oriental Steamship Co., Cala., for a first-class line of steamships between San Francisco and Japan and China.

Some of the Losses.

BOSTON, 15.—Morton & Chesley's loss by the fire is $30,000 on the stock, and $15,000 on the building, which was insured for $18,000 and the stock for $10,000; Badge & Co. lose $25,000 on the building and $35,000 on their stock; Smith & Jacobs, builders, lose $60,000 on their building and stock; Nathaniel Hunt, carpenter and builder, loses on his building $20,000, on his stock $45,000; McNeils, on his building $30,000; Pierce, Tuttle & Gilman, table manufacturers, lose $35,000; Sherman & Co., furniture manufacturers, lose $100,000; Bassons & Borsch, cabinet makers, lose $10,000. The lumber yard was entirely destroyed, Cook & Reed losing $25,000; the New England Organ Co. lose $6,000 worth of lumber; Cyrus D. Clark $8,000, and Millet, Drake & Co., $5,000.

Re-Elected.

Cobb was re-elected mayor to-day by 18,000 majority.

Wool.

PHILADELPHIA, 15.—Colorado wool washed, 30 @ 15; ditto, unwashed, 22 @ 35; extra and merino pulled 45 @ 57½; No. 1 and super. pulled 42 @ 47; Cala., fine and medium, 30 @ 39; ditto, coarse, 25 @ 35.

Charged with Embezzlement.

Robert Stahl, foreign exchange clerk of Drexel & Co., of this city, was put under $20,000 bail to-night, to answer to a charge of embezzlement. The allegation is, that by means of false entries, and the registry of incorrect amounts of bills of exchange, he had placed to his credit at a foreign exchange house, the sum of $30,000, which has been drawn out at various times by his agents.

Recognized.

The following dispatch was received here this evening:

NEW YORK, 15.

"To Jones, chief of police, Phila.

"Walter Ross identifies both the dead men positively, the other witness one of them sure.

(signed) "Wm. R. Heines,

"Captain detective police, Phila."

The witness mentioned is Peter Callahan, who is employed in a residence adjoining Mr. Ross'. It will be remembered that he saw one of the kidnappers in the neighborhood of the house before the abduction took place.

FOREIGN.

FRANCE.

France Replies to Spain.

PARIS, 15.—The ambassador of Spain has received the reply of the Duke De Cases to the last Spanish note, complaining of breach of neutrality. The Duke quotes passages from Senor Olozaga, former ambassador at Paris, complimenting the French government on the zeal shown by its officials in watching the frontier, and says these letters were written at the very time when the Spanish Government charges that the prefect of Pau connived at the entrance of Don Carlos into Spain; he concludes with the assurance that the government and people of France concur in desiring the welfare of Spain.

WEST INDIES.

Insurgents Repulsed.

HAVANA, 15.—A body of a hundred insurgents, on the 30th of November, attempted to take the fort at Cascorro, but after penetrating to the interior, they were repulsed; a reserve of 800 or 900 then made an ineffectual attempt to effect an entrance, but the commander and a considerable number of subordinates were killed.

MEXICO.

To be Suppressed.

CITY OF MEXICO, Dec. 9.—Congress has decreed the suppression of the Order of the Sisters of Charity.

GREAT BRITAIN.

Disaster at Sea.

LONDON, 15.—A British collier has been lost in the Bay of Biscay, eight of the crew were drowned.

PRUSSIA.

The Closing Arguments.

BERLIN, 15.—In the Arnim trial to-day, additional arguments for the defense were made by Herr Dockhorn and Munkell. The former maintained that even if the documents which appeared in the Vienna papers were published by Von Arnim he could not be legally held to account therefor: the papers were exclusively his private property, and had been drawn up for his own use. No rational motive could be imagined for these proceedings. As the foreign office possessed duplicates have been detained, the accused could retain the documents until the foreign office proved its claim to them in a civil action. There was no evidence that further publication was intended. Herr Munkel intimated that the judges were wanting in this case in their usual impartiality towards the accused. He thought they unconsciously yielded to an influence proceeding from a high quarter. The insinuation was repelled by the Court.

The counsel for the defense having closed, the prisoner was permitted to speak. He said the documents relating to his conflict with Prince Bismarck was the grave in which was buried the friendship of his youth. Nothing could shew that he at any time acted in opposition to his instructions, and he could swear that he committed no illegal act. Judgment in the case will probably be rendered on Saturday.
