UNION PACIFIC

TRADES WITH U. S.

Closes a "Ten Strike" Exchange
With the Government.

PROFITABLE LAND TRADE.

Holdings of the Crow Creek Reser-
vation to be Paid For With
the Best Tracts.

Word comes from Laramie to the ef-
fect that the Union Pacific has just
closed a good deal with the government
whereby that company makes in the
shape of the street, "a ten strike." It
will be recalled that the government re-
cently set aside a stretch of land ad-
jacent to the city of Laramie, known
as the Crow Creek forest reserve, for
a government reservation. In this
connection the company had
24 sections of land condemned by
the government on account of the
fact that they were situated within
the reservation. In lieu thereof the
government has now issued a certificate
entitling the company or its assigns
to appropriate similar tracts of lands
elsewhere that have not already been
taken up. These certificates will be
practically the same as land scrips, and
will be worth \$5 for every acre of land
they represent, as the holder can and
take his choice of government lands
anywhere. As the lands now vacated
by the Union Pacific are said not to be
worth a dollar an acre that company
has undoubtedly made a very good
trade.

Many persons have had the experi-
ence of Mr. Peter Sherman, of North
Stratford, N. H., who says, "For years
I suffered torture from Chronic Indiges-
tion. I tried all kinds of medicine, but
Kodol Dyspepsia Cure made a
well man of me." It digests what you
eat and is a certain cure for dyspepsia
and every form of stomach trouble. It
gives relief at once even in the worst
cases, and it is a help to you, too, good.
