Second Division—Commanded by Gen. Pease, assisted by Thomas Underwood Marshall, composed of Odd Fellows, comprising the Grand Lodge of Indiana and the Lodge of this city and various parts of the State, including the Lodge and encampment from Centerville, of which Senator Morton was a member.

Third Division—Commanded by Maj. J. F. Wildman, clergy, hearse, family, U. S. Senators, members of Congress, Governors, U. S. Army officers, Federal Judges, State officers, county officers, mayor of Indianapolis and city officers.

Fourth Division—Under command of Albert Gate, Esq., citizens in carriages, citizens on foot.

It was 5 o'clock when the Odd Fellows ceremonies were begun, which were necessarily shortened by the lateness of the hour. The remains were deposited in the vault of the chapel at Crown Hill Cemetery.

NEW YORK, 6.—The weather is very pleasant, and the prospects are favorable for a full vote, to-day.

Mrs. Willey and her infant were suffocated, yesterday, during a fire in their residence, 721 Gates Avenue, Brooklyn.

Solomon Strauss & Co., dry goods jobbers, 60, White street, have suspended; liabilities, \$140,000, assets, \$110,000.

The election is progressing quietly. There is every prospect of a full vote. The greatest interest is felt in the 7th senatorial district over the contest between Morrissey and Schell.

Secretary Evans told a friend the other day—thus records a letter in the Graphic—that he had just received a letter from one of his daughters to this effect: "Dear papa: Thank you very kindly for the money you sent me, but he's so lonely. Won't you soon be home, papa?"

A Sure Cure for the Piles.

A sure cure for the Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. Williams' (an Indian remedy), called Dr. Williams' Indian Ointment. A single box has cured the worst old chronic cases of 25 and 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electrics do more harm than good. Williams' ointment supports the tumors, gives instant and painless relief, and is prepared exclusively for Piles, and nothing else. Over 20,000 cured Patients attest its virtues and Physicians of all schools pronounce it the greatest contribution to medicine of the age.

WENT TO THE NOTED HOT SPRINGS.

Cleveland, O., Dec. 27, 1876.
DEAR SIR:—I suffered more or less for years with the itching or ulcerated Piles. I tried remedy after remedy advertised in the newspapers, and consulted physicians in Philadelphia, Louisville, Cincinnati, Indianapolis, and this city, and spent hundreds of dollars, but found no relief and comfort until I obtained a box of Williams' Indian Ointment some four months ago, and it has cured me completely. I had a part of the box left which I gave to a friend of mine who had doctored with many physicians without relief, and as a last resort went to the noted Hot Springs, of Arkansas, for treatment. He informs me that the Indian Ointment has also cured him of the piles. It is certainly a wonderful discovery and should be used by the many thousands who are now suffering with that dread disease.

JOSEPH M. RYDER.
For more certificates of cures see large circular around each box of ointment.
