MEETS DEATH WHILE AT PLAY

Baby Boy Drowned in a Ditch at Boise, Idaho.

SON OF MOSES CHRISTENSEN

Father Has Just Gone East, But Has Been Notified and Will Return Home Post Haste.

Little Dick Christensen, the 3-year-old son of Mr. and Mrs. Moses Christensen, was drowned at Boise, Idaho, at noon yesterday. The terrible accident occurred at Riverside park in a small ditch 18 inches wide and 10 inches deep while the babe was at play with his brother, Mrs. Christensen, at the time of the drowning, was in the park office, while the two little boys were playing outside. Failing to hear their voices, as she usually could, Mrs. Christensen sent Lawrence Russell out to find them. He returned without them, and the mother, not being alarmed, ran out herself and found little Dick lying face downward in a ditch near the pavilion. Dr. Springer was telephoned for, but upon arriving saw that his services would be of no avail, as the little chap had been dead several minutes before the mother's arrival.

The following letter from Robert R. Watts, of Salem, Mo., is instructive: "I have been troubled with kidney disease for the last five years. I was treated by several physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well."—Salem, Mo. Tribune.

via Chicago to Boston and return \$19.00.

via Nickel Plate Road, account meeting of Christian Scientists, June 25th and 26th, with open return limit of June 26th. By depositing tickets with Joint Agent in Boston on July 2, 3, or 4, the body was floating face downward in the pool with the child's feet facing the center.

Two facts which help to make Mrs. Christensen's burden more heavy, are that her husband has just gone east, having been in Salt Lake less than two weeks ago, and that she saw the drowning, on Wednesday, of the Stephenson boy. Indeed she was just telephoning Mrs. Stephenson before she went out to search for poor little Dick. The funeral will be deferred till the return of Mr. Christensen, who has been notified.

Mr. and Mrs. Christensen are well known here, having with his brothers founded a dancing academy. Mrs. Christensen was formerly Miss Carrie Nichols, daughter of Mr. and Mrs. C. Sum Nichols of this city. The family had recently moved to Boise, Idaho, in the summer. Mrs. Christensen's mother and brother Charley left here last night for Boise. The sympathy of many friends in Salt Lake is extended to the stricken family.

CRUSHED TO DEATH.

Henry Jensen of Richfield Killed by Big Saw Log.

(Special to the "News.")

Richfield, June 5.—Henry Jensen, 19 years old, was killed about 7 o'clock last evening by a heavy log rolling upon him and crushing out his life. Having gone to the mountains for a load of logs, he was coming down a side hill on his way home when it is supposed that his load sagged to one side and he alighted to remedy the difficulty. In so doing, one of the heavy timbers rolled off the wagon and on to Jensen's body. Failing to put in an appearance at the usual time, Jensen was missed and a party went out to search for him. Of this party was an older brother of Jensen, and he it was who discovered the body. Mrs. Margaret Volman, a sister with whom the two boys were residing, is living, is completely prostrated and grave fears are entertained in her case. A sister, Mrs. Lars Christensen, whose husband is a street car man, lives in Salt Lake.

HURT IN A RUNAWAY.

J. C. Abegg of Payson Has a Narrow Escape From Death.

(Special to the "News.")

Payson, June 5.—J. C. Abegg was thrown from his wagon here last night while returning from his work, sustaining injuries of a very serious nature. His team, it appears, took fright at a piece of paper floating down the ditch and he was hurled overboard. The team then turned around, throwing Mr. Abegg out against a telephone pole. He was rendered unconscious and remained so for two hours, not being able to recognize anyone. This morning, however, he seemed to be much recovered, and it is believed he will be able to get home.

CITY SCHOOLS STILL SHORT.

But Deficit Was to Be Raised Today by Senator Bamberger.

A meeting of the principals of the Salt Lake City schools was held in Senator Bamberger's office last night to report on the shortage in the teachers' fund. It was discovered that instead of there being a shortage of \$4,943, as at first reported, that that amount had been increased to \$5,617, being an increase in the shortage of \$674. This additional amount will be raised by Senator Bamberger today, as he has sufficient funds to meet the expenses. He had already secured a teacher amount to make up the deficit as first reported, but will now proceed to make up the increased shortage.
