Honors for the "Weed."

The following dispatch was received at the Branch Office of the Weed Sewing Machine Company in this city last night, announcing a deserved recognition of the "Family Favorite":—

CENTENNIAL GROUNDS,
Philadelphia, Oct. 6th.

I am happy to announce that the Weed Sewing Machine Company has received the highest award in the gift of the commission.

S. L. CLARK, Secretary.

The awards just made at Philadelphia justify the popular estimate of this magnificent machine. It leads the van in the great rivalry among the latest inventions of its kind, and takes away the highest honors. Its points of merit and wonderful superiority have been strikingly displayed both to the multitudes of spectators who have attended the Exhibition, and to the careful judges who have judiciously determined in its favor. This crowning success is flattering to the Weed Company, to whose prosperity it must greatly add.

To succeed at Philadelphia is a splendid victory for the "Weed," because it honorably supplements its great achievements at Paris and Vienna. d 270 1t

THE RAPID popularity gained in this Territory by the OLIVER CHILLED PLOW during the short time it has been introduced here is something marvelous. This splendid plow has distanced all competition, and now stands at the head of the list, unequaled by any implement of the kind ever brought to Utah. With the Oliver Plow FALL PLOWING can be done QUICKLY and EASILY and WITHOUT IRRIGATING, no matter how hard and dry the soil. It is offered on the most favorable terms by Howard Sebree, at the Bain Wagon Depot, one-half block south of Theatre. d268

The Relief Society Woman's Mercantile Association

Is opening a store for the sale of home manufactures in the building lately occupied by the Woman's Centennial Territorial Fair, known as the Old Constitution Building, opposite Z. C. M. I. store.

We are now ready to receive home-made useful and ornamental articles of all kinds, which we will sell on commission.

Many of our citizens have felt the want of a place devoted exclusively to Utah productions, and now that we are, in accordance with the wishes of President Young, uniting our humble efforts in this direction, we confidently trust that we shall not only have the support of all branches of the Relief Society throughout the valleys of the mountains, but also of our brethren and all others who feel an interest in the future welfare and prosperity of Utah.

Commencing as we do without capital, we wish it distinctly understood that at present we can only sell on commission.

ELIZA R. SNOW, President.
PRISCILLA M. STAINES, Vice President.
ELIZABETH DAVIS, Secretary.

Local and Other Matters.

THERMOMETER 73 degrees F. in the shade at 4 p.m. to-day. Partially overcast.

Keys—Four keys lost. Leave them at this office for the owner.

Postmaster.—James C. Snow has been appointed postmaster of Pettyville, Sanpete County, Utah.

Correction.—In the missionaries presented to the Conference Oct. 7, instead of Charles J. Harker, of Pleasant Grove, it should read Charles W. J. Hacker.

Theatre.—There was a large audience at the Theatre on Saturday evening to see the sensational play of "The Winning Hand," which was presented in a spirited and creditable style.

This evening Mr. Ward and Miss Montague will take a joint benefit, when they will appear for the last time, previous to their departure for Australia. They will present Boucicault's popular play of "The Colleen Bawn," Mr. Ward appearing as Miles-Na-Coppaleen, and Miss Montague as Ann Chute, with songs. Other characters by the company.

Rain. — After several days of threatening, a short shower fell this morning.

Found.—In the New Tabernacle, yesterday afternoon, a lady's black velvet pocket, edged with lace and ornamented with beads. The owner can get it at this office.

Teachers' Quorum. — The Presidency of the Teachers' Quorum, as presented to the Conference and sustained on Saturday, was as follows — Adam Spiers, President; Martin Lenzi and Henry I. Doremus, counsellors.

Wells vs. Patton. — This case came before the Court this morning again, on Mr. Patton's motion to dissolve the injoining order restraining him from selling Mr. Wells' lumber, and was continued till 2 p. m. to-day.

On Saturday the Court adjudged that Mr. Patton, in disregarding the order above referred to, was in contempt, and decided that he should pay the cost of the present proceeding, as a penalty therefor.

The General Conference. — The Forth-sixth Semi-Annual Conference, just concluded, was even more numerously attended than such gatherings usually are, the assemblages of yesterday especially being immense, the huge Tabernacle being filled to overflowing, the seats not only being occupied, but every available foot of standing room, and in the afternoon, in addition to the great concourse of people in the interior of the building, there were hundreds surrounding it on the outside, within the enclosure.

The addresses of the speakers were spirited and enlivening, and characterized by instructiveness and wisdom, calculated to strengthen the faith of the Saints in the holy gospel, and inspire them with fresh hope and renewed diligence.

The musical exercises were, as usual, under the able conductorship of Brother George Careless, a very pleasing feature of the proceedings, the various hymns and anthems being excellently sung by the choir, among the voices of which that of Sister Careless was, as usual, noticeable for its richness and fullness, and the vocal exercises were finely accompanied by Brother Daynes, at the organ.

A striking feature of this Conference was the adjournment till the 6th of next April, to assemble at the Temple at St. George, Washington County, Southern Utah, at which time it is expected the Temple will be dedicated.

Priesthood Meeting.—A general meeting of the priesthood was held at the New Tabernacle last evening, and was numerously attended. The speakers were Apostle John Taylor, Elders Elias Smith and Elias Morris, the two latter reporting as to what was being done by the High Priests' Quorum in relation to the building of the Temple in this City, Elder Campbell also reporting, on the same subject, on behalf of the Seventies. Presidents John W. Young and D. H. Wells, of the First Presidency, and Apostle George Q. Cannon also addressed the meeting. The building of temples and other subjects of importance to the Latter-day Saints were treated upon.

Returned Missionary. — This morning we received a call from Elder B. P. Wulffenstejn, of St. George, who reached here last night, from a mission to the eastern States. He left here on the 21st of October, 1875, and consequently had been absent about one year. He labored the whole of the time in Minnesota, where he baptized twenty-seven persons, most of whom had never before met with an Elder. He held two hundred and forty-seven meetings, and traveled about 3,000 miles on foot. The meetings were generally well attended, and many people manifested great interest in the gospel. He organized three branches of the church, one in Isanti, one in Brunswick, and the other at Princeton, Farmersville.

Elder Wulffenstejn brought with him ten of the people he baptized while on his mission. He says there is a good field for missionary labors in Minnesota, for efficient, energetic, untiring Elders, and he requests us to state that if people will send the NEWS and *Instructor* abroad to their friends they will do a good thing in preparing the way for missionaries who may visit the parts of the country where those publications are received, that being in accordance with his experience.

Elder Wulffenstejn returns in excellent health and in good spirits, being pleased that he has had the privilege of going on a mission and that of being once more at home.

Deseret Silk Association.—The Deseret Silk Association held a special meeting at Firemen's Hall, on Saturday afternoon, October 7th, Mrs. Zina D. Young presiding.

Mrs. Young reported that she expected a reel would be here in a few days. She had received a large quantity of cocoons. This organization was not for any personal benefit, but for the benefit of the community of Utah. We ought to be looking after our trees and cuttings, as it was very near time to plant them out.

Mr. Robbins said it was best to plant in the fall. He had had fifty years' experience, and had always found it best.

Mrs. Barney reported that, while in the north, she had collected $105. She could not raise the worms, but felt a desire to see the movement made a success.

There being quite a number present from the various settlements, the remainder of the time was taken up in asking questions and answering the same.

The following donations were received—Cynthia Clyde, $1; Mary S. Clark, $1; Martha Thomas, 50c.

Meeting adjourned till the first Wednesday in November, at the same place.

R. SIMPSON, Secretary.

Don't Do It, Boys.—Bro. Thomas Thomas, of the 16th Ward, informs us that a number of boys besieged his new fence, in front of his house last night, by battering it with rocks. He says he does not want to get the boys into trouble, but wishes us to state if they act in the same manner again he will be compelled to have them punished.

Woman's Exponent for October 1 contains "Love of the Beautiful in Nature," "R. S. Reports," "Magic of Musical Echoes," "Pipsey Papers," "Woman's Voice," "The Power of Mammon," "Mistakes Corrected," "Our Parent's Love," "Woman," "Hygienic Notes," "Young Ladies of Society," "Woman's Convention," "Misuse of Power," "Fashionable Women," etc.

Smacks of Tyranny.—It is a poor sort of apology for the conduct of an arrogant and abusive official, when even the unscrupulous supporters of his arbitrary course confess that it smacks of tyranny, but urge the plea that tyranny is excusable, even in this land of liberty, when that tyranny is exercised towards a "Mormon." O mores!

SECOND DISTRICT COURT.

BEAVER, Oct. 7th.

The following were received on Saturday, too late for publication in the NEWS of that day—

The case of The People *vs.* Jos. Woods, Rachael and Ellen Evards and Charles Adam Wiley, for the murder of Jas. Maxwell, near Pangwitch, Iron County, in July last, was finished this afternoon. The trial commenced Thursday morning, September 28th. Some twenty witnesses were introduced by the prosecution and defense. Hoge & Foster and Christian & Hawley for the defense; Denny, Sutherland and Bishop for the prosecution. The case was given to the jury yesterday about 4 p. m., and the verdict was rendered to-day at 2 p.m., "Not Guilty," as charged in the indictment.

The case of Monchy, for cattle-stealing, near Pangwitch, Iron County, was tried this morning and a verdict was rendered at 1:30 p. m. of not guilty as charged.

Bishop occupied an hour arguing a motion for a new trial to-day in favor of Lee, and to set aside the verdict. Judge Boreman took the motion under advisement till Monday morning.

Idaho Bill, Winn and Hansen have not been sentenced yet.

BEAVER, Oct. 7.—A man named Edward Harris, supposed to be a native of Michigan, who has been in Beaver county about four weeks, disappeared suddenly, under suspicious circumstances, between Saturday night last and Monday morning, while he was chopping cordwood on the hills northeast of here, in the employ of Robert Hayes. He is about thirty years old, five foot six or seven, sandy complexion, gray eyes, walks erect, and has the appearance of a hard-working man. Foul play is whispered, and suspicion is surrounding a man of doubtful character, in whose company the missing man was last seen.
